Aberrations In Black Toward A Queer Of Color Critique Critical American Studies:

Aberrations in Black Roderick A. Ferguson, 2004 The sociology of race relations in America typically describes an intersection of poverty race and economic discrimination But what is missing from the picture sexual difference can be as instructive as what is present In this ambitious work Roderick A Ferguson reveals how the discourses of sexuality are used to articulate theories of racial difference in the field of sociology He shows how canonical sociology Gunnar Myrdal Ernest Burgess Robert Park Daniel Patrick Moynihan and William Julius Wilson has measured African Americans unsuitability for a liberal capitalist order in terms of their adherence to the norms of a heterosexual and patriarchal nuclear family model In short to the extent that African Americans culture and behavior deviated from those norms they would not achieve economic and racial equality *Aberrations in Black* tells the story of canonical sociology s regulation of sexual difference as part of its general regulation of African American culture Ferguson places this story within other stories the narrative of capital s emergence and development the histories of Marxism and revolutionary nationalism and the novels that depict the gendered and sexual idiosyncrasies of African American culture works by Richard Wright Ralph Ellison James Baldwin Audre Lorde and Toni Morrison In turn this book tries to present another story one in which people who presumably manifest the dysfunctions of capitalism are reconsidered as indictments of the norms of state capital and social science Ferguson includes the first ever discussion of a new archival discovery a never published chapter of *Invisible Man* that deals with a gay character in a way that complicates and illuminates Ellison s project Unique in the way it situates critiques of race gender and sexuality within analyses of cultural economic and epistemological formations Ferguson s work introduces a new mode of discourse which Ferguson calls queer of color analysis that helps to lay bare the mutual distortions of racial economic and sexual portrayals within sociology A hard hitting look at the regulation of sexual difference and its role in circumscribing African American culture

Queer Throughlines Ju Hui Judy Han,2025-10-01 Queer Throughlines draws on years of direct participation interviews and ethnography to examine transnational Korean LGBTQ activism since the 1990s Han maps the sites and routes of leftist and queer political movements highlighting challenges posed by Christian conservatives in both South Korea and the United States The book uses the concept of throughlines to weave together a web of movement stories across time and space a coalition of Los Angeles based LGBTQ activists and allies fighting an anti gay petition campaign led by Korean immigrant churches queer activists involved in anti war protests in Seoul progressive clergy embracing inclusivity and risking heresy charges and excommunication and queer and trans activists refusing to be sidelined from visions of political change underway These moments do not always line up in a straightforward narrative of victory or progress yet they create powerful lines of solidarity community and kinship

The End of Love Sabrina Strings,2024-01-30 From Playboy to Jay Z the racial origins of toxic masculinity and its impact on women especially Black and insufficiently white women More men than ever are refusing loving partnerships and commitment and instead seeking out situationships When these men deign to articulate what they are looking for in a steady partner they ll often rely on superficial norms of attractiveness rooted in whiteness and anti Blackness Connecting the past to the present sociologist Sabrina Strings argues that following the Civil Rights movement and the integration of women during the Second Wave Feminist movement men aimed to hold on to their power by withholding love and commitment a basic tenet of white supremacy and male domination that served to manipulate all women From pornography to hip hop women especially Black and insufficiently white women were presented as gold diggers props for masturbation and side pieces Using historical research personal stories and critical analysis Strings argues that the result is fuccboism the latest incarnation of toxic masculinity This work shows that men are not innately toxic Nor do they hate love commitment or sex Instead men across race have been working a new code to effectively deny loving partnerships to women who are not pliant slim and white as a new mode of male domination

Handbook of Feminist Research Sharlene Nagy Hesse-Biber,2012 The second edition of the Handbook of Feminist Research Theory and Praxis presents both a theoretical and practical approach to conducting social science research on for and about women The Handbook enables readers to develop an understanding of feminist research by introducing a range of feminist epistemologies methodologies and methods that have had a significant impact on feminist research practice and women s studies scholarship The Handbook continues to provide a set of clearly defined research concepts that are devoid of as much technical language as possible It continues to engage readers with cutting edge debates in the field as well as the

practical applications and issues for those whose research affects social policy and social change It also expands on the wealth of interdisciplinary understanding of feminist research praxis that is grounded in a tight link between epistemology methodology and method The second edition of this Handbook will provide researchers with the tools for excavating subjugated knowledge on women s lives and the lives of other marginalized groups with the goals of empowerment and social change

The Palgrave Handbook of Queer and Trans Feminisms in Contemporary Performance Tiina Rosenberg,Sandra D'Urso,Anna Renée Winget,2021-09-21 The purpose of this Handbook is to provide students with an overview of key developments in queer and trans feminist theories and their significance to the field of contemporary performance studies It presents new insights highlighting the ways in which rigid or punishing notions of gender sexuality and race continue to flourish in systems of knowledge faith and power which are relevant to a new generation of queer and trans feminist performers today The guiding question for the Handbook is How do queer and trans feminist theories enhance our understanding of developments in feminist performance today and will this discussion give rise to new ways of theorizing contemporary performance As such the volume will survey a new generation of performers and theorists as well as senior scholars who engage and redefine the limits of performance The chapters will demonstrate how intersectional queer and trans feminist theoretical tools support new analyses of performance with a global focus The primary audience will be students of theatre performance studies as well as queer gender studies The volume s contents suggest close links between the formation of queer feminist identities alongside recent key political developments with transnational resonances Furthermore the emergence of new queer and trans feminist epistemologies prompts a reorientation regarding performance and identities in a 21st century context

Troubling the Social Jeremy Punt,2024-09-25 These papers from the annual Summer Spring School of the IRTG revolve around the theme of troubling the social exploring the complex relationships between religion social worlds and transformation from the vantage point of the postcolony not so much as a geographical location but rather as a way to understand the world The contributions examine the colonality inherent within the academic enterprises related to religion but also what how and why religious experiences

worldviews and engagements count as knowledge and the implications this has for understanding examining and activating social transformation processes Processes of transformation have been prominent within the continent in the last decade and still animate crucial debates and knowledge production In these religion has figured paradoxically as the blind spot or occupied a default and marginal position However religion participates through a complex assemblage of practices subjectivities and meaning making processes in the creation of social worlds social imagination and social transformations They also explore how the decolonial renaissance is troubling the social and epistemic origins of religion and the social sciences as well as its imagined relation to social transformation Contributors are from Southern Africa and Germany societies with histories of colonialism and segregation both of which have experienced postcolonial transformations to the social fabric of their societies and both have increasingly seen calls also for critical research on coloniality religion and social transformation

Emerging Intersections Bonnie Thornton Dill, Ruth Enid Zambrana, 2009-01-01 The United States is known as a melting pot yet this mix tends to be volatile and contributes to a long history of oppression racism and bigotry Emerging Intersections an anthology of ten previously unpublished essays looks at the problems of inequality and oppression from new angles and promotes intersectionality as an interpretive tool that can be utilized to better understand the ways in which race class gender ethnicity and other dimensions of difference shape our lives today The book showcases innovative contributions that expand our understanding of how inequality affects people of color demonstrates the ways public policies reinforce existing systems of inequality and shows how research and teaching using an intersectional perspective compels scholars to become agents of change within institutions By offering practical applications for using intersectional knowledge Emerging Intersections will help bring us one step closer to achieving positive institutional change and social justice

Rethinking Sexual Citizenship Jyl J. Josephson, 2016-05-01 Public policy often assumes there is one correct way to be a family Rethinking Sexual Citizenship argues that policies that enforce this idea hurt all of us and harm our democracy Jyl J. Josephson uses the concept of sexual citizenship a criticism of the assumption that all families have a heterosexual at their center to show how government policies are made to punish or reward particular groups of people This analysis applies sexual citizenship not only to policies that impact LGBTQ families but also to other groups including young people affected by abstinence only public policies and single parent families affected by welfare policy The book also addresses the idea that the normal family in the United States is white It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life

Towards a Queer and Trans Ethic of Care in Education Bishop Owis, 2024-04-30 Synthesizing conversations from across gender and sexuality education race and settler colonialism studies and care work literature Towards a Queer and Trans Ethic of Care in Education explores how queer and trans teachers of colour understand and practice care Woven between narratives and scholarly literature Owis theorizes a unique and radical new way of conceptualizing and practicing care in K 12 educational settings proposing a queer and trans

ethic of care This new ethic of care is argued for as both a theory and practice It aims to challenge the embeddedness of white supremacy and settler colonialism in K 12 classrooms while offering a framework that can be applied in personal relationships teaching and research in communities and higher education Drawing on a study of participants in the Ontario educational system Owis examines why care is critical in the community and in practice as an education They then ask how a queer ethic of care can help us understand what it means to heal thrive beyond survival and provide care outside of the matrix of white supremacy and settler colonialism These considerations are crucially linked to critical points of intervention in academia schooling environments and policy at the provincial federal and global level demonstrating the need for a radical systemic overhaul to the way educational institutions practice and understand care Challenging educating and offering new ways of thinking about care for and with QTBIPOC communities it will appeal to scholars and researchers of gender and sexuality studies race and ethnicity in education sociology social work and diversity and equity in education

Sexual Deviance and Society Meredith G. F. Worthen, 2016-06-10 In a society where sexualized media has become background noise we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm This book encourages readers to establish new ways of thinking about stigmatized peoples and behaviors and to think critically about gender sex sexuality and sex crimes *Sexual Deviance and Society* uses sociological theories of crime deviance gender and sexuality to construct a framework for understanding sexual deviance This book is divided into four units Unit I Sociology of Deviance and Sexuality lays the foundation for understanding sex and sexuality through sociological frameworks of deviance Unit II Sexual Deviance provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations Unit III Deviant Sexual Acts explores a variety of deviant sexual acts in detail including sex in public fetishes and sex work Unit IV Sex Crimes and Criminals examines rape and sexual assault sex crimes against children and societal responses to sex offenders and their treatment within the criminal justice system Utilizing an integrative approach that creates a dialogue between the subjects of gender criminology and deviance this book is a key resource for students interested in crime and deviance gender and sexuality and the sociology of deviance

Making the Human Corinne Mitsuye Sugino, 2024-11-15 From the debate over affirmative action to the increasingly visible racism amidst the COVID 19 pandemic Asian Americans have emerged as key figures in a number of contemporary social controversies In *Making the Human Race Allegory and Asian Americans* Corinne Mitsuye Sugino offers the lens of racial allegory to consider how media institutional and cultural narratives mobilize difference to normalize a white Western conception of the human Rather than focusing on a singular arena of society Sugino considers contemporary sources across media law and popular culture to understand how they interact as dynamic sites of meaning making Drawing on scholarship in Asian American studies Black studies cultural studies communication and gender and sexuality studies Sugino argues that Asian American

racialization and gendering plays a key role in shoring up abstract concepts such as meritocracy family justice diversity and nation in ways that naturalize hierarchy In doing so *Making the Human* grapples with anti Asian racism s entanglements with colonialism antiblackness capitalism and gendered violence *A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies* George E. Haggerty, Molly McGarry, 2015-06-29 *A Companion to Lesbian Gay Bisexual Transgender and Queer Studies* is the first single volume survey of current discussions taking place in this rapidly developing area of study Recognizing the multidisciplinary nature of the field the editors gather new essays by an international team of established and emerging scholars Addresses the politics economics history and cultural impact of sexuality Engages the future of queer studies by asking what sexuality stands for what work it does and how it continues to structure discussions in various academic disciplines as well as contemporary politics *Queering the Biopolitics of Citizenship in the Age of Obama* J. Rohrer, 2014-09-21 The book from the interdisciplinary fields of queer theory critical race theory feminist political theory disability studies and indigenous studies to demonstrate that analyzing contemporary notions of citizenship requires understanding the machinations of governmentality and biopolitics in the re production of the proper citizen *An Epistemology of Religion and Gender* Ulrike E. Auga, 2020-03-26 This book puts forward a new epistemological framework for a theory of religion and gender s role in the public sphere It provides a sophisticated understanding of gender and its relation to religion as a primarily performative category of knowledge production rooting that understanding in case studies from around the world Gender and religion are examined alongside biopolitics and the influence of capitalism neoliberalism and empire The book analyses the interdependence of religion gender and new nationalisms in the Palestinian territories South Africa and the USA scrutinising the biopolitical interferences of nation states and dominant political and religious institutions It then moves on to uncover counter discourses and spaces of activism and agency in contexts such as East Germany and the Occupy Wall Street movement Using gender queer and trans theory in tandem with postcolonial and post secular perspectives readers are shown a more nuanced understanding of critical contemporary questions related to religion gender and sexuality This is a bold new take on religion gender and public life As such it will be of keen interest to scholars of Religious Studies and Gender Studies as well as those working on religion s interaction with Politics Sociology and Social Activism
