Historic Savannah:

Savannah's Historic Neighborhoods Polly Stramm, 2001 A trio of historic neighborhoods in Savannah Georgia rank among the most picturesque in the United States Ardsley Park Chatham Crescent and Ardmore are well known for their unique layouts and varied architectural styles as well as lush shrubbery and the moss draped oaks that have become a trademark of Savannah's charm The development of Ardsley Park and Chatham Crescent began around 1910 as the advent of the automobile allowed more Savannahians to move to the suburbs Neighboring Ardmore to the south of Ardsley Park and Chatham Crescent came later during the 1920s The entire area was named to the National Register of Historic Places in 1985 For decades the neighborhoods have been home to some of Savannah's most prominent families Former residents include media mogul Ted Turner and the University of Georgia bulldog mascot owned by Frank W Sonny Seiler Within these pages are photographs from private collections never before made available to the public images of Savannahians at work and at play Captivating scenes of days long ago reveal the history of a much beloved community **Historic and Picturesque Savannah** Adelaide Wilson, 1889 *Historic Savannah*, 1968 *Savannah's Historic Public Schools* Larry W. Smith, 2004 The story of Savannah's historic public schools both black and white is one of modest beginnings noteworthy achievement and remarkable people As the small schoolhouses of downtown Savannah evolved into the sprawling educational complexes of today they maintained an impressive record of service to the community's most important citizens its young people Savannah's commitment to public education is as old as the city itself from the beginning efforts were made to ensure that education was available to all The opening of the Massie Common School in 1856 marked the start of the modern era of public education in Savannah For the first time a building was designed built staffed and maintained for the express purpose of providing education to all of the city's children regardless of their families ability to pay Massie Common School's first principal eventually left Savannah to become superintendent of Atlanta's public school system paving the way for local politicians who took their school board experiences with them when they were elected to state office These pioneers of public education in Savannah spread methods and practices established in local schools throughout the state Historic Savannah Mary Lane Morrison, 1979 *Historic and Archeological Preservation* United States. Historic Preservation Michael A. Tomlin, 2014-11-21 This well illustrated book offers an up to date synthesis of the field of historic preservation cast as a social campaign concerned with the condition treatment and use of the legacy of existing properties in the United States Drawing on a wide range of research experience and scholarship over the last fifty years it allows us to re think past and current ideas in preservation challenging readers to explore how their own interests lie within the cognitive framework of the activities taking place with people who care Who is involved is explored first in such a way as to explore why before examining what is deemed important After that the questions of when and how to proceed are given attention The major topics are introduced in an historical review through the mid 1980s after which the broad intellectual basis and fundamental legal framework is provided The economic shifts associated with major demographic changes are explored in tandem with responses of the preservation community A chapter is dedicated to the financial challenges and sources of revenue available in typical preservation projects and another chapter focuses on the manner in which seeing recording and interpreting information provides the context for an appropriate vision for the future In this regard it is made clear that not all green design alternatives are preservation sensitive The advocacy battles during the last few decades provide a number of short stories of the ethical battles regarding below ground and above ground historic resources and the eighth chapter attempts to explain why religion has been long held at arm's length in publicly supported preservation efforts when in fact it holds more potential to regenerate existing sites than any governmental program

Historic Preservation in the USA Karolin Frank, 2013-03-09 Since the 1960s public attention has been drawn increasingly towards the thematic link between historic preservation and urban planning Nowadays the organized historic preservation movement in the USA is more than a mere

yearning for history it represents an active and integral part of urban planning in US cities In order to approach these planning economic and social issues in the field of historic preservation this book analyzes a variety of interdisciplinary methods focusing on four selected historic districts within the central business districts of Philadelphia and Boston in the north and Charleston and Savannah in the south
