longer The Myth and Magic of Library Systems Keith J. Kelley, 2015-09-23 The Myth and Magic of Library Systems not only defines what library systems are but also provides guidance on how to run a library systems department It is aimed at librarians or library administrations tasked with managing or using a library systems department This book focuses on different scenarios regarding career changes for librarians and the ways they may have to interact with library systems including examples that speak to IT decision making responsibilities work as a library administrator or managerial duties in systems departments Provides guidance on how to run a library systems department Focuses on different scenarios regarding career changes for librarians and the ways they may have to interact with library systems Includes sample scenarios that speak to IT decision making responsibilities work as a library administrator or managerial duties in systems departments *One is Never Alone with a Rubber Duck* Marillette van der Colff, 2010-08-11 What do existential elevators sentient mattresses paranoid androids humans and other aliens have in common For one thing they want answers The fact yes fact that there are no answers except perhaps for 42 causes some humans and other aliens to face this empty madness we call life with Sisyphus like defiance Others choose to sulk or skulk or annihilate themselves Another thing these creatures have in common is that they are all born mad and some remain so One is never alone with a rubber duck explores the premise that Douglas Adams s Hitchhiker Series is not merely characterised by light hearted comedy but is underpinned by intricate philosophical ideas especially those of twentieth century Existentialism and the related notion of absurdity It also investigates the interlaced functions of Adams s fantasy and landscapes of alterity and considers the ambiguous concept of madness as subjective reality Concepts related to alterity such as simulation the structure of reality dreaming and parallel universes are investigated as part of Adams s fantastic story space In a science fictional sense Adams s aliens satirise the human condition and the monstrosities that lurk at the heart of twentieth century society **Hitchhiker** M. J. Simpson, 2005-04-29 Douglas Adams will be most fondly remembered for the Hitchhiker s Guide to the Galaxy series and its idiosyncratic humour But this biography covers his life from his days as a struggling sketch writer to his untimely death at the age of 49 in May 2001 *Braille Books* Library of Congress.
