The Pink Ghetto By Liz Ireland:

The Pink Ghetto Liz Ireland, 2006-05-01 Sometimes Life Imitates Art And Sometimes Life Imitates Really Bad Art Rebecca Abbot's life has just gone from vintage feather boas to boring office casual Thanks to Sylvie Arnaud's heart attack she's out of a job But it's Sylvie's French vaguely famous name on Rebecca's creatively embellished resume that lands her an associate editor position at romance heavyweight Candlelight Books Editing is a far cry from scouting out exotic groceries which is pretty much all Rebecca did for Sylvie but Candlelight is offering an actual salary to go with her position's actual workload and the rent is way overdue on the railroad flat she shares with her friend Wendy and her mooching ex-wanna-be writer Fleishman Working for Candlelight is nothing like the plots of their syrupy novels though In fact it's a lot like being stuck in an estrogen-heavy Fellini film Between protecting her back from rival editor Cassie's repeated stabs attempting a relationship with a sexy literary agent wondering about Fleishman's new secret project and discovering her first truly talented author Rebecca's learning that the business of romance is hardly a nine-to-five thing and that editing out all her mistakes will never lead her to happily ever after *Borrowings in Informal American English* Małgorzata

Kowalczyk, 2023-09-14 What do bimbo glitch savvy and shtick all have in common They are all expressions used in informal American English that have been taken from other languages This pioneering book provides a comprehensive description of borrowings in informal American English based on a large database of citations from thousands of contemporary sources including the press film and TV It presents the United States as a linguistic melting pot with words from a diverse range of languages now frequently appearing in the lexicon It examines these borrowings from various perspectives including discussions of terms donors types changes functions and themes It also features an alphabetical glossary of 1 200 representative expressions defined and illustrated by 5 500 usage examples providing an insightful and practical resource for readers Combining scholarship with readability this book is a fascinating storehouse of information for students and researchers in linguistics as well as anyone interested in lexical variation in contemporary English *Accidentally Engaged*

Mary Carter, 2015-05-26 I'm just the messenger Please don't kill me Don't hate me because I'm psychic everybody else already does My name's Clair Ivers and these days my gift seems more like a booby prize It all started when this crazy woman tried to bribe me into skewing a reading to warm her future sister-in-law's cold feet Then the prospective sister-in-law threatened to kill herself at the altar if I didn't give her a phony reading saying she should break off the engagement Oh and did I mention she ran out leaving her three-carat rock of a ring right there on my table So what's an honest woman to do Find the man who belongs to the ring of course And boy have I found him The minute I lay eyes on Jack Heron I know he's the one for me that is The problem is making him realize it once he finds out that I may be responsible for the flight of his fiancée At least his grandmother likes me Of course she thinks I'm someone else And then there's the best man who keeps calling me for dates and stock tips Between the people who think I'm someone else the people who wish I were and the people who just

want a bead on the winning Powerball numbers I m seriously considering packing in my deck for good But not until I throw caution to the wind and make a play for my very own Jack of Hearts *Fly Me to the Moon* Alyson Noël,2006-12-26 When flight attendant Hailey Lane learns the rest of her trip has been cancelled and she can fly straight home to spend her birthday with her boyfriend Michael she s thrilled Her early arrival will allow for some additional date night prep time a definite bonus as she s convinced Michael is about to propose But when she walks through the door the surprise that awaits her is not at all what she expected And as she grabs her bags and flees the scene one thing is clear her entire future has just been rerouted So Hailey does the only thing she can she sets out on a worldwide trip to fix a broken heart And thanks to free flight passes and long layovers in exotic locales she finds herself with more options than she could have ever imagined From New York to Paris from Puerto Rico to Greece Alyson No l s *Fly Me to the Moon* takes us on a trip filled with mojitos at every layover outrageous passengers in every seat and a cute guy at every gate as Hailey tries to write her own happy ending
