Studying The Hurt Locker Terence McSweeney,2019-07-02 In this vibrant and dynamic book length study drawing on a broad tapestry of research Terence McSweeney offers an exploration of *The Hurt Locker* 2009 its stylistic and narrative devices its cultural impact its reception and its relationship to the genre of the war film McSweeney places the film in a richly

textured historical political and industrial context arguing that *The Hurt Locker* is part of a long tradition of films about American wars that play a considerable role in how audiences come to understand the conflicts that they depict Thus films about a nation's wars are never only a movie but rather should be considered a cultural battleground themselves on which a war of representation is waged

Modern American Snipers Chris Martin, 2014-12-16 An inside look at today's special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor Navy Cross and countless other honors These are the most experienced warriors on the battlefield oftentimes the units best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Chris Martin's *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best including The Legend Chris Kyle SEAL Team 3 Chief and the most lethal sniper in U.S. military history The Reaper Nick Irving the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills Robert Horrigan Delta sniper who played a critical role in Operation Anaconda Don Hollenbaugh Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah And many more

[On the Aisle Volume 4](#) Philip Morency, 2023-07-25 About the Book *On the Aisle Volume 4 Film Reviews* by Philip Morency is the fourth in the series of movie reviews written by Philip Morency This edition contains films ranging from the years 2013 through 2016 with some periodic oldies but goodies mixed

in Like Philip's previous three books On the Aisle Volume 4 contains brief and to the point movie reviews that are geared toward the average moviegoer. It is not really written from a critic's perspective but from that of the average viewer. The reviews are simple and easy to understand. What is unique about the book is that it tells the synopsis of the film then it gives the author's opinion of the film and then it lets the reader decide whether or not they would like to see the film. The films are rated on a scale of 1 through 5. There are also half star ratings such as 3 1/2 stars VERY GOOD. The contained films are listed in alphabetical order and for ease of reference there is also a table of contents page. Enjoy On the Aisle Volume 4.

About the Author Philip Morency was born on July 5, 1950 in Providence Rhode Island. He lived in East Providence Rhode Island until he joined the United States Air Force in 1970. Philip served for 21 years in the Air Force and enjoyed many choice assignments all over the country. He retired from the Air Force at Edwards Air Force Base in California in 1991. He was fortunate enough to land a job with Computer Sciences Corporation located on Edwards Air Force Base. There he worked as a computer operator for the company and the base. Philip later was employed by the JT3 Corporation on Edwards Air Force Base. He is currently employed by the United States government as a civil service worker serving as a data technician. Philip currently lives in Rosamond California. Philip's hobbies are playing pool, dining out, going to movies, and traveling. He became interested in movies while serving in the Air Force. He started writing movie reviews in 2003 because he thought it would be fun. He got the idea from a movie video catalog. Thus far he has written over 1500 movie reviews. Philip decided to publish books because he wanted a way to officially document his reviews. Philip also writes reviews on hotels and restaurants.

Accurate as an American Sniper – US Military Handbooks U.S. Department of Defense, 2024-01-15. In Accurate as an American Sniper US Military Handbooks the U.S. Department of Defense presents a comprehensive guide that delves into the intricacies of military marksmanship and sniper training. The book is structured to reflect a blend of practical instruction and theoretical underpinning drawing on the rigorous standards and techniques developed by elite military units. With a focus on precision, the text provides insights into equipment, situational awareness, and the mental discipline required of snipers in high stress environments, all articulated in a direct and accessible style that reflects the operational contexts it addresses. The U.S. Department of Defense, responsible for formulating military policy and training protocols, has a rich history of authoring handbooks that serve both educational and operational functions. This book emerges from decades of experience, advancements in military technology, and evolving combat scenarios aimed at providing soldiers with the tools to succeed in critical missions. The manual embodies the commitment to excellence and preparedness at the heart of U.S. military doctrine, drawing from the wealth of knowledge accumulated through various conflicts. I recommend Accurate as an American Sniper to both military personnel seeking to refine their skills and civilians interested in gaining a deeper understanding of military sniping and marksmanship. This book is not only a technical manual; it is a testament to the precision and discipline that define the art of military sniping.

The Transformations of Tragedy Fionnuala O'Neill, Tønning, Erik Tønning, Jolyon

Mitchell,2019-11-26 **The Transformations of Tragedy** Christian Influences from Early Modern to Modern explores the influence of Christian theology and culture upon the development of post classical Western tragedy The volume is divided into three parts early modern modern and contemporary This series of essays by established and emergent scholars offers a sustained study of Christianity s creative influence upon experimental forms of Western tragic drama Both early modern and modern tragedy emerged within periods of remarkable upheaval in Church history yet Christianity s diverse influence upon tragedy has too often been either ignored or denounced by major tragic theorists This book contends instead that the history of tragedy cannot be sufficiently theorised without fully registering the impact of Christianity in transition towards modernity

A Global Racial Enemy Saher Selod,Inaash Islam,Steve Garner,2023-11-28 Prejudice against Muslims has a long and complex history In recent decades discrimination violence and human rights abuses against Muslims have taken a significant turn with rising reports and discussions of Islamophobia across the globe However much of the conversation has missed the key features of this increasingly insidious phenomenon This original book puts race at the center of the analysis exposing the global racialization of Muslims With special attention paid to the United States China India and the United Kingdom the authors examine both the unique national contexts and crucially the shared characteristics of anti Muslim racism They uncover how a range of counterterrorism policies from hyper surveillance to racialized policing and the ensuing representation of Islam have taken a decisive role in shaping social life for Muslims and have worked across borders to justify and institutionalize an acceptable state sponsored face of racism Ultimately A Global Racial Enemy argues that anti Muslim animus is a symptom of a global and powerful form of twenty first century racism

Lonely Planet Texas Lonely Planet, International Perspectives on Rethinking Evil in Film and Television Tüysüz, Dilan,2020-12-22 Aestheticization of evil is a frequently used formula in cinema and television However the representation of evil as an aesthetic object pushes it out of morality Moral judgments can be pushed aside when evil is aestheticized in movies or TV series because there is no real victim Thus situations such as murder or war can become a source of aesthetic pleasure Narratives in cinema and television can sometimes be based on a simple good evil dichotomy and sometimes they can be based on individual or social experiences of evil and follow a more complicated method Despite the various ways evil is depicted it is a moral framework in film and television that must be researched to study the implications of aestheticized evil on human nature and society International Perspectives on Rethinking Evil in Film and Television examines the changing representations of evil on screen in the context of the commonness normalization aestheticization marginalization legitimization or popularity of evil The chapters provide an international perspective of the
