American Sniper Brother:

My Brother's Keeper Lila Strebeck Wright, 2013-06 One of those drunken dirty derelicts you saw sleeping under a bridge could have been my brother Before you turn away and pretend he is invisible take a second if you will to look at him through my eyes He was a golden child full of energy hope enthusiasm for life filled with sunshine and laughter My brother was ten years older than I and from the very first he was my champion and hero I loved him unconditionally He and his entire generation were called upon to set aside their hopes and dreams to fight a war in far off lands with the express purpose of battling injustice and totalitarianism and to preserve the American Dream It is because of the sacrifices of those selfless men and women we are still living in democracy with all that entails When he returned from the war the laughter and the sunshine were gone Back then they called it Combat Fatigue and today it is referred to as PTSD It doesn't matter what you call it the results are the same This is his story [Chris Kyle Biography: The Deadliest American Sniper in the US History](#) Chris Dicker, What does it take to be a good father at home and a good sniper killer abroad Was Chris Kyle an American hero or a stone cold killer He was known as the most lethal American Sniper in the US Military History because he have killed more than 150 people caused threat to the US soldiers in the Iraq war There was a bounty reward from 20 000 to 80 000 for his head in Iraq as every sniper kill was associated with him whether that was true or not Many Iraq mercenaries wanted his head Many speculate that Chris Kyle was a cold killer because he was very good at it from killing women with toddlers to military aged men It was documented that all the Kyle's kills were terrorists or people who posed a threat to the US marines in Iraq Otherwise he would have been prosecuted and in jail For others Chris Kyle was a true American hero protecting the American values and way of life inspiring many of the US soldiers in service for years to come Most of the people in the United States are very soft and live in a dream world They have no idea of what's going on at the other side of the world the harsh environment Iraqis have been doing to themselves Chris Kyle knew that distinction very well as he was serving in Iraq for four deployments When you read this book you'll know exactly who Chris Kyle was what he believed in what he stood for You'll also learn Chris Kyle's relationship with his wife Taya Kyle as she struggled while he was serving his country in Iraq All the drama conflicts and family issues will be revealed This book is about Chris Kyle's legacy Grab your copy now

The Films of Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 *American Sniper* a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives
