Death on the Small Screen Jonathan F. Bassett, 2022-10-17 Mortality remains a taboo topic in much of Western society but death and violence continue to be staples of popular television. We can better understand the appeal of violence by investigating psychological theories surrounding anxiety about death and the defenses we use to manage that anxiety. This book examines five recent television series: *Game of Thrones*, *The Punisher*, *Jessica Jones*, *Sons of Anarchy*, and *Hannibal*, and shows how fictional characters' motivations teach viewers about both the constructive and destructive ways we try to deal with our own mortality. Instead of dismissing violent television as harmless entertainment or completely condemning it as a dangerous trigger of hostile behavior, this book shows its effects on viewers in a more nuanced manner. It provides a new perspective on the enjoyment of violent television, enhancing fans' appreciation and sparking ongoing discussions about their value to both the individual and society.

Modern American Snipers Chris Martin, 2014-12-16 An inside look at today's special operations sniper and an in-depth look at the career of Chris Kyle from those who knew him and fought alongside him. Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance. But this description barely scratches the surface. Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger. Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor, Navy Cross, and countless other honors. These are the most experienced warriors on the battlefield; oftentimes the unit's best assaulters with years of door-kicking under their belt. These are the men who run ops in small teams across borders or dress like locals and pull off high-risk vehicle reconnaissance and singleton missions in non-permissive environments. Chris Martin's *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best, including The Legend, Chris Kyle, SEAL Team 3 Chief and the most lethal sniper in U.S. military history, The Reaper, Nick Irving, the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills; Robert Horrigan, Delta sniper who played a critical role in Operation Anaconda; Don Hollenbaugh, Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah; and many more.
