Everyday Jihad Bernard Rougier,2007 As southern Lebanon becomes the latest battleground for Islamist warriors Everyday Jihad plunges us into the sprawling heavily populated Palestinian refugee camp at Ain al Helweh which in the early 1990s became a site for militant Sunni Islamists A place of refuge for Arabs hunted down in their countries of origin and a recruitment ground for young disenfranchised Palestinians the camp where sheikhs began actively recruiting for jihad situated itself in the global geography of radical Islam With pioneering fieldwork Bernard Rougier documents how Sunni fundamentalists combining a literal interpretation of sacred texts with a militant interpretation of jihad took root in this Palestinian milieu By staying very close to the religious actors their discourse perceptions and means of persuasion Rougier helps us to understand how radical religious allegiances overcome traditional nationalist sentiment and how jihadist networks grab hold in communities marked by unemployment poverty and despair With the emergence of Hezbollah the Shiite political party and guerrilla army at the forefront of Lebanese and regional politics relations with the Palestinians will be decisive The Palestinian camps of Lebanon whose disarmament is called for by the international community constitute a contentious arena for a multitude of players Syria and Iran Hezbollah and the Palestinian Authority and Bin Laden and the late Zarqawi Witnessing everyday jihad in their midst offers readers a rare glimpse into a microcosm of the religious sectarian and secular struggles for the political identity of the Middle East today

Sectarianism in Iraq Khalil

Osman,2014-10-10 This book links sectarianism in Iraq to the failure of the modern nation state to resolve tensions between sectarian identities and concepts of unified statehood and uniform citizenry After a theoretical excursus that recasts the notion of primordial identity as a socially constructed reality the author sets out to explain the persistence of sectarian affiliations in Iraq since its creation following the dismemberment of the Ottoman Empire Despite the adoption of homogenizing state policies the uneven sectarian composition of the ruling elites nurtured feelings of political exclusion among marginalized sectarian groups the Shicites before 2003 and the Sunnis in the post 2003 period The book then examines how communal discourses in the educational curriculum provoked masked forms of resistance that sharpened sectarian consciousness Tracing how the anti Persian streak in the nation state s Pan Arab ideology which camouflaged anti Shicism undermined Iraq s national integration project Sectarianism in Iraq delves into the country s slide from a totalizing Pan Arab ideology in the pre 2003 period toward the atomistic impulse of the federalist debate in the post 2003 period Employing extensive fieldwork this book sheds light on the dynamics of political life in post Saddam Iraq and is essential reading for Iraqi and Middle East specialists as well as those interested in understanding the current heightening of sectarian Sunni Shicite tensions in the Middle East
