An American Demon A Memoir:

An American Demon Jack Grisham, 2011-05 *An American Demon* is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the caterwauling front man of the pioneer hardcore punk band TSOL True Sounds of Liberty, his writings and true life experiences are physically and psychologically more complex, unsettling and violent than those of Bret Easton Ellis and Chuck Palahniuk. *An American Demon* documents a youth rebellion that changed the world, told from the point of view of the American punk movement. **An American Demon** Jack Grisham, 2011-05 *An American Demon* is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the raucous and provocative front man of the pioneer hardcore punk band TSOL True Sounds of Liberty, his writing and true life experiences are physically and psychologically more complex, unsettling and violent than those of Bret Easton Ellis and Chuck Palahniuk. Eloquently disregarding the prefabricated formulas of the drunk to sober, bad to good tale, this is an entirely new kind of life lesson summoned through both God and demons while settling within eighties hardcore punk culture and its radical to the core and most assuredly non-evangelical parables. Grisham leads us cleverly, gorgeously between temporal violence and bigger picture spirituality toward something very much like a path to salvation and enlightenment. *An American Demon* flourishes on both extremes as a scary hardcore punk memoir and as a valuable message to souls navigating through an overly materialistic and woefully self-absorbed first modern society. *An American Demon* conveys anger and truth within the perfect setting using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk movement, doused in violence, rebellion, alcoholism, drug abuse and ending with beautiful lessons of sobriety and absolution, this book is as harrowing and life-affirming as anything you're ever going to read. We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s. He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics. Punk spread across the continent in the 1980s as it found expression in different media including literature, art and poetry. Punks dissented against Reagan's presidency, accusing the entertainer in chief of being mean and duplicitous, especially when it came to nuclear war and his policies in Central America. Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair. Irish-American Autobiography James Silas Rogers, 2016 *Irish-American Autobiography* opens a new window on the shifting meanings of Irishness over the twentieth century by looking at a range of works that have never before been considered as a distinct body of literature. Opening with celebrity memoirs from athletes like boxer John L. Sullivan and ballplayer Connie Mack, written when the Irish were eager to put their raffish origins behind them, later chapters trace the many tensions often unspoken, registered by Irish Americans who've told their life stories. New York saloonkeepers and South Boston step dancers set themselves against the larger culture, setting a pattern of being on the outside looking in. Even the

classic 1950s TV comedy *The Honeymooners* speaks to the urban Irish origins and the poignant sense of exclusion felt by its creator Jackie Gleason Catholicism so key to the identity of earlier generations of Irish Americans has also evolved One chapter looks at the painful diffidence of priest autobiographers and others reveal how traditional Irish Catholic ideas of the guardian angel and pilgrimage have evolved and stayed potent down to our own time Irish American Autobiography becomes in the end a story of a continued search for connection documenting an ethnic fade that never quite happened *Memoirs of an American Lady* Mrs. Anne (MacVicar) Grant, James Grant Wilson, 1903 1,260 Days Craig Conte, 2012-08 1 260 Days is a journey to a foreign land a detour called a shortcut in a cab It s riding on a night train in a warm sweat as you hear the choo choo chuggen down the tracks It s a vision in a restless dream a nightmare with a bloody scene a demon putting thoughts into your head 1 260 Days is about the man in black It s about a work shift It s about a suicidal note It s the unheard music It s a forty day fast It s a severed artery It s an itchy rash 1 260 Days is a holy book It s a trumpet being blown upon a hill It s a paradox It s a riddle It s a jest It s hope It s change It s woe It s greed It s me It s you It s them It s us 1 260 Days is about the end of the world I found myself alternately astounded intrigued and ultimately jealous of Enoch whose adventures on a daily basis made my own life seem small and mundane by comparison Rich Marotta KFI Radio Inducted 2011 Southern California Sportscasters Hall of Fame Brilliant manure vres of narrative wreaking havoc upon accepted norms Tortelvis of Dread Zeppelin An honest and straightforward book one man s experiment with disgrace takes on an aura of supernaturally experienced grace Easy on the ear and steering clear of massaging his own story telling of an awfully curious humanity Conte gives a read hell bent on making us experience the nit and grit of rubbing up against the taboos binding human pleasure Scott Hartstein Author of *Adagia* **American Demon** Daniel Stashower, 2022-09-06 New York Times bestselling author and Edgar Award winner Daniel Stashower returns with *American Demon* a historical true crime starring legendary lawman Eliot Ness Boston had its Strangler California had the Zodiac Killer And in the depths of the Great Depression Cleveland had the Mad Butcher of Kingsbury Run On September 5th 1934 a young beachcomber made a gruesome discovery on the shores of Cleveland s Lake Erie the lower half of a female torso neatly severed at the waist The victim dubbed The Lady of the Lake was only the first of a butcher s dozen Over the next four years twelve more bodies would be scattered across the city The bodies were dismembered with surgical precision and drained of blood Some were beheaded while still alive Terror gripped the city Amid the growing uproar Cleveland s besieged mayor turned to his newly appointed director of public safety Eliot Ness Ness had come to Cleveland fresh from his headline grabbing exploits in Chicago where he and his band of Untouchables led the frontline assault on Al Capone s bootlegging empire Now he would confront a case that would redefine his storied career Award winning author Daniel Stashower shines a fresh light on one of the most notorious puzzles in the annals of crime and uncovers the gripping story of Ness s hunt for a sadistic killer who was as brilliant as he was cool and composed a mastermind who was able to hide in plain sight *American Demon* reconstructs this ultimate battle of wits

The African American Male, Writing, and Difference W. Lawrence Hogue,2012-02-01 In this wide ranging analysis W Lawrence Hogue argues that African American life and history is more diverse than even African American critics generally acknowledge Focusing on literary representations of African American males in particular Hogue examines works by James Weldon Johnson William Melvin Kelley Charles Wright Nathan Heard Clarence Major James Earl Hardy and Don Belton to see how they portray middle class Christian subaltern voodoo urban jazz blues postmodern and gay African American cultures Hogue shows that this polycentric perspective can move beyond a racial uplift approach to African American literature and history and help paint a clearer picture of the rich diversity of African American life and culture

The Culture and Politics of Contemporary Street Gang Memoirs Josephine Metcalf,2012-07-02 The publication of Sanyika Shakur s *Monster The Autobiography of an L A Gang Member* in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf focuses on three of these memoirs Shakur s *Monster* Luis J Rodriguez s *Always Running La Vida Loca Gang Days in L A* and Stanley Tookie Williams s *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams s editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs shape the works The book also explores how these memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression
