

Introduction: Latin America? Latin American colonial legacy

1. "Latin America"

- where does the concept "Latin America" come from?
 - France and Latin-America first mentioned existence of another Latin America
 - Michel Chevalier: wrote a book after a visit to Latin-America in 1837 → does not mention Latin America but does mention two civilizations (Latin-America and the Anglo-Saxons)
 - Torres Caicedo and Francisco Bilbao: first mention of Latin America
 - Calcedo = a poet from Colombia
 - Bilbao = a pioneer in thinking of a separate Latin America
- 2 definitions
 - 19th century: 18 states with Spanish as the language, Brazil with Portuguese, Haïti + more catholic than United States
 - geopolitical idea of Latin-America: Latin America as a counterweight against European imperialism
- Latin America ≠ a geographical region but a socio-cultural one → Americas = 35 states divided into sections
 - 1) North America: 1/3 of the states is already apart of Latin America
 - 2) South America: 12 states whereof 10/12 are considered Latin American
 - 3) West-Indies: 13 states whereof 3/13 are Latin American aka Haïti, Cuba and the Dominican Republic
 - 4) Central America: 7 states whereof 6/7 are Latin- American
→ 20/35 states are Latin American
- region = a social construct ex. Middle East (invented by the British) → same can be applied to Latin America
- area: 20 million square kilometers (< > EU 4,2 million, Europe 10,5 million, Africa 30 million)
 - biodiversity:
 - Amazon
 - British Highlands
 - many people live alongside the coast: almost 80% of Latin America is historically speaking empty (reason? difficulty getting from one country to the other, highways like the one between Peru and Brazil in 2008 is a quite recent phenomenon) → very recent to travel from one country to another
 - diversity:
 - multi-racial, multi-ethnic → Latin America = very diverse
 - 80%: mestizo (= a blend between a European person and an Indian)
 - 11%: indigenous → very hard to define difference
 - 13%: black, *mulato*, *sambo* (black and Indian), *pargo* (black, Indian, white)

An Introduction To Latin America

B Lingard

An Introduction To Latin America:

This is likewise one of the factors by obtaining the soft documents of this **An Introduction To Latin America** by online.
