Publishing,2005-08 Includes reproducible student pages Cover *The Acts of the Apostles* Luke Timothy Johnson,Daniel J. Harrington,1992 **Narrative Art & Women in the Gospels and Acts** David Malick,2018-06-05 David Malick applies the hermeneutics of narrative analysis to select passages involving women in the Gospels of Mark Luke John and in the Book of Acts At times the scope of this analysis extends beyond heightened understanding of how authors presented women as significant characters and even foils to men in the narratives The use of duality and balance in the narratives of Zacharias and Mary Nicodemus and the Samaritan Woman and Aeneas Tabatha and Cornelius focus on what the author is doing with what he is saying The use of intercalations or sandwich stories brings about heightened meaning when the stories of Jesus mother and the religious leaders or Jairus and the woman with a hemorrhage or Judas and the woman who anoints Jesus for his burial are read together in Mark A first and subsequent reading of the healing of Simon s mother in law in Mark provides the reader with the first picture of true discipleship The literary technique of a sign sermon shows logical unity to what might be considered separate units in Mark and Acts **Sacra Pagina: The Acts Of The Apostles** Luke Timothy Johnson,2023-06-13 The Acts of the Apostles is really the second volume in the two part writing scholars call Luke Acts It continues the story begun in the Gospel of Luke showing how the Good News offered by Jesus to the outcast of the people was eventually extended to the end of the earth so that Gentiles as well as Jews came to share in the blessings of God This commentary treats Luke Acts as an apologetic history It takes with equal seriousness both Luke s literary artistry and his historical interests fitting his methods comfortably within the ancient standards of historiography This perspective illustrates in particular that Luke s historical narrative serves a definite religious intent Tracing that intent through the specific contours of Luke s story is the special contribution of this commentary The teacher's manual. presents a collection of stories from the Bible that provide a deeper understanding of God's plan for your life and give guidance for navigating your own unique situations. The messages invite you to experience God's blessings during life's ups and downs. Pastor Joseph Okai Ardayfio chronicles the journey of a group of men and women in the Bible met by God. God found each of these individuals in their places of need and weaved their life experiences toward goodness. Each story illustrates how God transforms even the most challenging situations into something beautiful. When God Writes Your Story shares thought-provoking anecdotes of struggle, triumph, and wisdom gained about various aspects of everyday life: family, health, relationships, career, leadership, ambition, faith, evangelism, community, generosity, stewardship, insecurity, disappointment, injustice, and blessings from the Lord. Ardayfio offers a blend of biblical history, personal stories, and practical guidance to inspire and motivate you to live a life of purpose and fulfillment.

Gospel truth demonstrated, in a collection of doctrinal books, given forth by that faithful minister of Jesus Christ, George Fox, 1831

Romans: Jimmy Swaggart Bible Commentary, Jimmy Swaggart, 1996. ROMANS BIBLE COMMENTARY. After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published. It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant cultural and historical references are also included, along with explanations of the allegories, types, and symbolism used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet what seems to separate this work from all other commentaries are the biblical applications made to present-day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

Renowned--But . . . Murray J. Harris, 2022-03-28. Here is the inside story of the only New Testament church we know about in detail during both the 50s and the 90s of the first century AD. What did the church of Corinth look like forty years after it was founded by the apostle Paul? Did his positive influence in this church continue after he left Corinth, or did some of the earlier problems still haunt the church? And are there some timeless lessons we can learn from this church's early history? All those questions are answered here in a fascinating detective investigation that includes thirteen captivating archaeological photos.
