

ARBEIDSVERHOUDINGEN IN BEWEGING

Uitdagingen voor de personeelsmanager

Binnen organisaties bestaat er een voortdurende wisselwerking tussen de werknemers, de werkgever en de omgeving van de organisatie. Bij het op elkaar afstemmen van wat er op het gebied van arbeid binnen en buiten de organisatie gebeurt, speelt de personeelsmanager een belangrijke rol.

Arbeidsverhoudingen in beweging belicht niet alleen de verschillende facetten van het werkveld van de hrm-medewerker, maar ook het veranderende takenpakket van de hrm'er komt aan bod. In het boek worden verschillende thema's verder uitgewerkt, waaronder de opkomst van deeltijdwerk, de voortschrijdende arbeidsparticipatie van de vrouw, de organisatie van het scholingsbeleid binnen organisaties en leeftijdsbewust personeelsmanagement. Dit boek biedt een handzaam overzicht van deze thematiek aan studenten human resources management, organisatie of (juridische) dienstverlening, maar ook aan mensen die al werkzaam zijn in het personeelsmanagement.

Christine Baaijens is onderzoeker bij de Déhora Consultancy Group in Amsterdam. Joop Schippers is hoogleraar arbeids- en emancipatie-economie aan de Universiteit Utrecht en programma-hoogleraar bij de Organisatie voor Strategisch Arbeidsmarkt-onderzoek (OSA).

Arbeidsverhoudingen in beweging Christine Baaijens, Johannes Jan Schippers, 2007 Arbeidsverhoudingen uit model
Willem van Voorden, 1981 *Models of Employee Participation in a Changing Global Environment* Ray Markey, Paul Gollan, Ann Hodgkinson, Alain Chourauqui, Ulrike Veersma, 2018-02-05 This title was first published in 2001 Management of the employment relationship changed markedly in the last two decades of the 21st century and a major part of this has been the extension of employee involvement and participation in the workplace Modern management theorists and researchers have commonly emphasized the importance of two way communication and co operation between management and labour in determining the success of human resource management HRM strategy and in maximizing workplace efficiency Some researchers argue employee participation and empowerment are progressive management practices which have universal benefits to performance enhancement as opposed to most other HRM practices whose success is contingent upon the organizational context This title explores these themes through an international collection of case studies which are the outcome of a comparative project of the Workers Participation Study Group of the International Industrial Relations Association IIRA *Sociaal maandblad ; Arbeid*, 1996 Solidariteit in beweging Carl Devos, 2009 Summary Al geruime tijd ligt de vakbeweging onder vuur Werknemers zouden geen vertrouwen meer hebben in hun vakbond onder andere door het verlies aan syndicale slagkracht Vakbonden lijken mee te drijven op de huidige ontwikkelingen in plaats van erop te wege In Solidariteit in beweging worden uiteenlopende antwoorden op de uitdagingen voorgesteld De verscheidene problemen waarmee de vakbeweging te kampen heeft passeren de revue Maar veel meer dan een loutere Probleemanalyse toont het boek aan dat vakbonden een centrale rol hebben en blijven vervullen op de werkvloer en in de samenleving Dit is

meer dan ooit het geval nu de internationale financiële architectuur zelf hevig wordt dooreengeschud en de reële economie de gevolgen ondervindt **Aanwinsten van de Centrale Bibliotheek (Queteletfonds)** Bibliothèque centrale (Fonds Quetelet),1996
