Harrison, America has for a long time produced outstanding sharpshooters like Chuck Mawhinney and Adelbert Waldron but the most memorable and deadliest are Chris Kyle and Carlos Hathcock This is their story *The Last Punisher* Kevin Lacz, Ethan E.

Rocke,Lindsey Lacz,2016-07-12 A first person account of the Iraq War from a Navy SEAL who was part of SEAL Team 3 with American Sniper Chris Kyle describes their legendary unit The Punishers and provides gripping details of their missions in Ramadi NoveList **Caught in the Crosshair - Riveting tales of four lethal snipers** Edgar Wollstone, They say it s not the target but the hunt that matters Sniping and hunting are similar in many ways both hunter and a sniper need to be adept at stealth and should have pinpoint marksmanship Snipers have helped their country to grab victory from the jaws of an abysmal defeat With one deadly shot they make the impossible possible Be it Carlos Hathcock Lyudmila Pavlichenko Simo hayha Chris Kyle they have all sacrificed all that they hold dear for serving their country There is any number of deadly snipers but this book tells the tale of four such individuals who have achieved such stupendous feat that it is unfathomable

Killing Silently Edgar Wollstone, An American sniper and his friend are shot dead at an isolated ranch by a fellow marine The United States of America is shocked Chris Kyle was no ordinary man he was a legend His illustrious sniping career lasted a decade and has as many as 160 confirmed kills Kyle s stupendous performance in the Iraq War was so badass that the insurgents called him the Devil of Ramadi The untimely and cruel death of Chris Kyle America s sniping hero and legend the loving husband of Taya the doting father to his children is a reality that his family has to deal with every single day for the rest of their lives He is no more but he shall live through their memories in the hearts of millions as a hero and a super human who left this world all too quickly His brother Jeff Kyle takes his legacy forward and continues to help withhold his life s mission of helping veterans Through his family Kyle s memories stay alive Kyle s widow Taya Kyle shares in her social media account how Kyle had brought life to her serious face how they celebrated their birthdays how Kyle smashed cakes on her face and chased the kids around on weekends He was a happy man to have returned to his family He was glad that he could see his children every day and they were happy to have their hero dad with them every day He made them burst into laughter every time he hit their pi ata and when the candy pieces scattered and stuck to the cars that were parked in the alleyway Kyle would behave like a mischievous kid Taya has moved on so has the children but Kyle will remain a pain in their hearts for all their lives They cannot hold him in their arms anymore they cannot hug him or feel his warmth anymore All they have are the few pictures of the past and the glittering memories of a life lived so many years ago **Hold It Real Still**

Lawrence P. Jackson,2022-09-20 The author examines actor Clint Eastwood s influence on the Western film as a genre as well as how that genre continues to operate into the twenty first century as an ideological channel for ideas about race and imperialism **Congressional Record** United States. Congress,2012 Muslim Heroes on Screen Daniel

O'Brien,2021-11-16 If films drawing on Middle East tropes often highlight white Westerners figures such as Sinbad and the Thief of Bagdad embody a counter tradition of protagonists derived from Islamic folklore and history who are portrayed as Other to Western audiences In Muslim Heroes on Screen Daniel O'Brien explores the depiction of these characters in Euro American cinema from the silent era to the present day Far from being mere racial masquerade these screen portrayals are

more complex and nuanced than is generally allowed not least in terms of the shifting concepts and assumptions that inform their Muslim identity Using films ranging from Douglas Fairbanks The Thief of Bagdad The 7th Voyage of Sinbad El Cid Kingdom of Heaven and The Message to The Wind and the Lion O'Brien considers how the representational strategies of Western filmmakers may transcend such Muslim stereotypes as fanatic antagonists or passive victims These figures possess a cultural significance which cannot be fully appreciated by Euro American audiences without reference to their distinction as Muslim heroes and the implications and resonances of an Islamicized protagonist The Cambridge Companion to Religion and Terrorism James Lewis, 2017-07-25 Does religion cause terrorism This volume presents a range of theories and case studies that address this important issue The Murder of Chris Kyle Robert F. Blevins, 2017-02-21 Chad Littlefield riding in the passenger seat gets a text from Chris Kyle saying This dude is straight up nuts Watch my six A police officer pulled up to the house The officer told Taya Chris has been hurt Have you seen Chris truck Taya called her mother and told her something was wrong American soldier and patriot Chris Kyle died unexpectedly on home soil at the top of his game with all the glory and medals one man could ever imagine Suddenly a wife was left without a husband and children without a father The trial of his alleged killer Eddie Ray Routh was soon to begin when Robert Blevins felt a need to be present at the legal proceedings Blevins had followed the tragic case from the beginning but something in his gut told him he had to attend the trial He traveled to Stephenville Texas and became witness to what would be a judicial process wrought with emotional upheaval and anger He witnessed families experience the pain of losing a child as well as watching a child go to prison Not immune to the emotions around him Blevins too descended into despair at the loss of Chris Kyle To Blevins there are not enough men like Kyle brave soldiers who fight for our freedom Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando José Prats explores in Hollywood's Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war

movies in Prats's analysis were forever altered by the loss in Vietnam. Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events. Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods, this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts.

Extreme Ownership Jocko Willink, Leif Babin, 2017-11-21. An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed all but lost. In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership at every level is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now detailing the mind set and principles that enable SEAL units to accomplish the most difficult missions in combat, *Extreme Ownership* shows how to apply them to any team, family, or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, *Extreme Ownership* revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

The Enemy Within Laura Beil, 2013-11-05. Journalist Laura Beil recounts the tragic inside story of Eddie Routh, the Iraq war veteran and PTSD patient charged with killing *American Sniper* author and legendary Navy SEAL Chris Kyle and another man at a remote shooting range in Texas. In 2013, Kyle was considered the most lethal sniper in American military history, a reputation that earned him the name "the Devil of Ramadi" during his tours of duty in Iraq. His story became a *New York Times* bestselling autobiography. Following his military career, Kyle attempted to give back by counseling troubled veterans. This goal brought Kyle his friend Chad Littlefield and Routh together with firearms in early February 2013, when tragedy struck. In exclusive interviews with the Routh family and others conducted prior to a Texas judge's gag order issued in July 2013, Beil pieces together Routh's history of mental illness as he moved through a Veterans Health Administration system struggling to meet demand for Post-Traumatic Stress Disorder care brought on in part by a decade of war. *The Enemy Within* is a reexamination of a hero's tragic death and the life of a troubled young marine.

detailed description available for Tough Ain t Enough **Death on the Small Screen** Jonathan F. Bassett, 2022-10-17

Mortality remains a taboo topic in much of Western society but death and violence continue to be staples of popular television. We can better understand the appeal of violence by investigating psychological theories surrounding anxiety about death and the defenses we use to manage that anxiety. This book examines five recent television series: Game of Thrones, The Punisher, Jessica Jones, Sons of Anarchy, and Hannibal, and shows how fictional characters' motivations teach viewers about both the constructive and destructive ways we try to deal with our own mortality. Instead of dismissing violent television as harmless entertainment or completely condemning it as a dangerous trigger of hostile behavior, this book shows its effects on viewers in a more nuanced manner. It provides a new perspective on the enjoyment of violent television, enhancing fans' appreciation and sparking ongoing discussions about their value to both the individual and society.
