

PART 1 HOW TO USE THIS MANUAL

Teaching American Culture in the Language Classroom

Why Include Culture in Language Classes?

There are a number of reasons for including culture in your language classes:

- Culture provides interesting content for language learning, leading to engaging discussions, writing assignments, or group projects, and also can be used to develop both informal social language and more formal academic language.
- Culture can also be used to increase the cognitive component of the language class, helping students to develop higher order thinking skills as they analyze, compare, and discuss the cultural content.
- Reading about and discussing other cultures can serve as a valuable backdrop for analyzing students' own cultures. It is often said that we do not really understand our own culture until we have lived outside it, or seen it through another person's eyes. In the words of a famous proverb, "A fish that never leaves the water does not discover water."
- Studying culture can lead to a better understanding of people's behavior and help students move from ethnocentric pronouncements of what is "right" or "wrong" to more thoughtful tolerance of cultural diversity.

Culture, then, can be interesting content, even for those students whose primary motivation for learning English is academic, for it promotes complex linguistic and cognitive interaction and encourages students to use the kinds of skills and language that are required for both academic and professional contexts.

What Culture Should Be Taught?

Traditional definitions of culture—or what has been called "culture with a capital C"—focus on the literature, music, dance, drama, and other arts of a group or a country. That is often the focus of cultural studies in traditional language classrooms, especially the study of literature as a window to that culture.

Although this "Culture" is important, what may be of more interest to students and potentially more useful to them, if they are going to interact with people from a new culture, is to understand culture as it is more commonly understood by anthropologists: that is, the set of beliefs, attitudes, and behaviors or customs that define or distinguish a group of people. Or as Edward T. Hall defines it, "a set of ideals, values, and standards of behavior . . . that make the actions of individuals intelligible to the group." In this book, culture represents the ways of perceiving, thinking, communicating, behaving, and evaluating that characterize Americans.

Culture is shared, but in a country as large and diverse as the United States, there is also a great deal of cultural diversity based on ethnicity, race, gender, and/or social class, all of which create a number of different societies in the country. But even with these differences, there is still a kind of overarching culture that people grow up with that distinguishes them from those who live in other countries. Moreover, culture is dynamic: cultures change as their populations change. Nowhere is this more obvious than in the United States where immigration, refugee resettlement, and a number of other demographic patterns have created a rapidly changing population and country. That overarching culture, the traditional mainstream core, the changes it is undergoing, and its many variations form the substance of this book.

What Should Be the Goals of a Culture Class or a Cultural Component?

There are a number of goals that you and your students might set for studying culture.

- At the most basic level, that goal may be to make students more aware of American cultural patterns and how they differ with or are similar to their own.

American Ways Answer Key

Robert W. Smith

American Ways Answer Key:

Reconsidering the American Way of War Antulio J. Echevarria II, 2014-05-28 Challenging several longstanding notions about the American way of war this book examines US strategic and operational practice from 1775 to 2014 It surveys all major US wars from the War of Independence to the campaigns in Iraq and Afghanistan as well as most smaller US conflicts to determine what patterns if any existed in American uses of force Contrary to many popular sentiments Echevarria finds that the American way of war is not astrategic apolitical or defined by the use of overwhelming force Instead the American way of war was driven more by political considerations than military ones and the amount of force employed was rarely overwhelming or decisive Echevarria discovers that most conceptions of American strategic culture fail to hold up to scrutiny and that US operational practice has been closer to military science than to military art This book should be of interest to military practitioners and policymakers students and scholars of military history and security studies and general readers interested in military history and the future of military power

American Football and the American Way of War Daniel Sukman, 2024-04-10 This book provides the reader with a history on the linkages between American Football and the American Way of War It provides concise summaries of aspects of tactics operations and strategy as well as international relations theory using football as a metaphor to simplify the concepts International relations theory and military strategy tend to be complicated subjects often explained with jargon that puts the average reader to sleep A book about war and foreign policy explained through football analogies and comparisons is designed to liven the topic and explain various military theories strategies and concepts War and football tend to dominate national media War is often a topic of debate from the highest levels of government to local bars and coffeehouses Football is the monolith of sports that blankets sports television and radio throughout the year This book provides the reader an understanding of how military professionals formulate and execute strategy in an easily understandable manner

English Vocabulary in Use Upper-intermediate with Answers and CD-ROM Michael McCarthy, Felicity O'Dell, 2012-06-14 Contains 100 easy to use practice vocabulary tests with a clear marking system on each page so that progress can be easily checked It can be used on its own for self study or in the classroom or to reinforce the vocabulary covered in English Vocabulary in Use Upper intermediate Third edition available separately CEF B2

American Ways Gary Althen, Janet Bennett, 2011-03-04 Whether you re a businessperson beginning to work in the United States or a foreign student visiting for a semester this new edition of American Ways will help you navigate America s diverse and changing culture From the deep seated attitudes that mark the American character to customs and everyday activities American Ways explores the tapestry of the country s life providing invaluable information on cultural values politics education religion and relationships In this revised edition Gary Althen and Janet Bennett have added material that reflects some of the important changes that have occurred over the last decade This edition features new material on American politics reflecting the impact of the Bush administration as well as the election of the nation s first

black president and an updated chapter on the effects of social networking sites on meeting people and creating friendships

Truth, Torture, and the American Way Jennfier Harbury,2005-09-15 Jennifer Harbury s investigation into torture began when her husband disappeared in Guatemala in 1992 she told the story of his torture and murder in Searching for Everardo For over a decade since Harbury has used her formidable legal research and organizing skills to press for the U S government s disclosure of America s involvement in harrowing abuses in Latin America Southeast Asia and the Middle East A draft of this book had just been completed when the first photos from Abu Ghraib were published tragically many of Harbury s deepest fears about America s own abuses were graphically confirmed by those horrific images This urgently needed book offers both well documented evidence of the CIA s continuous involvement in torture tactics since the 1970s and moving personal testimony from many of the victims Most important Harbury provides solid convincing arguments against the use of torture in any circumstances not only because it is completely inconsistent with all the basic values Americans hold dear but also because it has repeatedly proved to be ineffective Again and again information obtained through these gruesome tactics proves unreliable or false Worse the use of torture by U S client states allies and even by our own operatives endangers our citizens and especially our troops deployed internationally

Spotlight on America: A Nation of Immigrants Grade 5-8 Robert W. Smith,2011-03 Encourage students to take an in depth view of the people and events of specific eras of American history Nonfiction reading comprehension is emphasized along with research writing critical thinking working with maps and more Most titles include a Readers Theater

America from Apple Pie to Ziegfeld Follies Kirk Schriefer,John F. Chabot,John Sivell,Arlene Arch,1996 America From Apple Pie to Ziegfeld Follies is a four book series of reproducible low level ESL EFL Literacy reading and discussion texts Each unit examines an element of the American experience that will genuinely interest and inform not only immigrants to the United States but also learners abroad who want to know more about the people history geography and culture of this great nation Although the passages are limited to an elementary level of language difficulty their style remains vivid and authentic Readers will be inspired by the courage of Harriet Tubman awed by the beauty of the Grand Canyon fascinated by the work of the F B I and shocked by the events surrounding Watergate

The American Way of Life Harold Underwood Faulkner,Tyler Kepner,Hall Bartlett,1945

Scenario Based Strategy Paul de Ruijter,2016-04-01 We need strategy The world is changing the future uncertain What is required is vision What might the future bring Where is our business going What are our fundamental business values This book is a manual for all those who want to apply strategy in organisations It is intended for everyone who wants to put the future on the agenda to look beyond the short term and beyond mere profit It describes in practical terms the eight questions we must continually discuss in order to pursue a future proof strategy in a dynamic and uncertain world mission trends scenarios options vision roadmap action and monitoring If you are dissatisfied with an approach to strategy based on simple backward looking analysis management controls and problems solving after the fact but would like to make a positive

contribution to thinking about the future Scenario based Strategy offers the instruments to turn your intention into practice The text provides examples from commercial to government and trade organizations showing how others have undertaken future explorations and how they used these explorations to create a dynamic strategy Paul de Ruijter has a deep insight into the theory alongside practical experience working with some of the most highly regarded and resilient organizations The result is a rich combination of methodology and practical engaging examples that shows you how to go about creating an agenda for the future

EMIGRATING FROM CHINA TO THE UNITED STATES Yushi (Boni) Li,2017-05-16 In this exceptional new second edition the author has retained much of her earlier experiences when emigrating to the United States but adds depth and detail to the life events that have currently influenced her social values attitudes and behaviors This is a supplementary textbook with the fundamental purpose of facilitating students in associating the understandings in their personal daily lives with larger social forces The main discussion focuses on cross cultural experiences and society with the understanding that time society and culture will always influence everyday lives The following topics are featured sociological theories and how different political and economic systems influence ways of thinking everyday life and social interaction with others the importance of doing research projects collecting data and how to avoid common mistakes the comparison between Chinese and American cultures and cultural shock how immigrants assimilate themselves into American society deviant behavior that may be considered universal comparison and evaluation of U S and Chinese social stratification racial group issues comparison of U S and Chinese sex and gender behaviors different approaches to the importance of family in cultures the influence of Confucius versus Christianity population issues including family planning and abortion and urbanization and its effect on social change Replete with numerous illustrations the author provides a background of Chinese history culture and current issues The book is especially important in the study of history immigration world cultures current American immigration and the socialization and assimilation by the dominant culture in a society This book serves as a significant resource for the general study of sociology and social sciences at all levels *Farm Bargaining* United States. Congress. Senate. Committee on Agriculture and Forestry. Subcommittee on Agricultural Research and General Legislation,1972

Communist Tactics in Controlling Youth Organizations United States. Congress. Senate. Judiciary,1952

Communist Tactics in Controlling Youth Organizations United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1952 Apr 12 hearing was held in N Y C

Communist Propaganda Activities in the United States United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1952

Strategic Influence J. Michael Waller,2009-03 In this vital book thirteen experts in public diplomacy counterpropaganda and political warfare lay out the components of what the U S and its allies need to win the war of ideas around the world Strategic influence is much more than strategic communication Communicating with

others has somehow become a goal in itself when the real issue is influence to modify the perceptions attitudes and most of all the behavior of people movements and governments around the world This book is designed for the diplomat intelligence officer warfighter and policymaker Congressional Record United States. Congress,1997 **The Failure of Success** Lawrence R. Samuel,2020-06-04 This history of success in the United States illustrates the degree to which personal and professional accomplishments have determined overall life satisfaction Beyond serving as a guide to the past present and future of success in America especially that found in the business world this book poses a provocative argument the standard practice of employing outer directed measures of success notably wealth power and fame has worked to the psychological disadvantage of many Americans More specifically it shows that a comparative and competitive view of success has made a significant number of individuals feel less successful than if more inner directed measures were used Ironically then the traditional model of success in the United States has been largely a failure This work offers historians practitioners and general readers of non fiction a blueprint for how to adopt a more meaningful and positive model of success in their everyday lives *Grammar and Beyond Level 3 Teacher Support Resource Book with CD-ROM* Paul Carne,Jenni Currie Santamaria,Lisa Varandani,2012-07-30 Grammar and Beyond is a four level North American grammar course informed by a collection of over one billion words of authentic language ensuring that students learn grammar the way it is used in real spoken and written English The Class Audio CD includes all of the audio for the exercises in the Student s Book CEF B1 B2

Hearings, Reports and Prints of the House Committee on Ways and Means United States. Congress. House. Committee on Ways and Means,1972 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1961 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December
