## **American Primitive Discoveries In Folk Sculpture:**

American Primitive Roger Ricco, Frank Maresca, Julia Weissman, 1988 Contains photos of over 400 pieces of American primitive sculpture      *Encyclopedia of American Folk Art* Gerard C. Wertkin, 2004-08-02 For a full list of entries contributors and more visit the Encyclopedia of American Folk Art web site This is the first comprehensive scholarly study of a most fascinating aspect of American history and culture Generously illustrated with both black and white and full color photos this A Z encyclopedia covers every aspect of American folk art encompassing not only painting but also sculpture basketry ceramics quilts furniture toys beadwork and more including both famous and lesser known genres Containing more than 600 articles this unique reference considers individual artists schools artistic ethnic and religious traditions and heroes who have inspired folk art An incomparable resource for general readers students and specialists it will become essential for anyone researching American art culture and social history      The New Encyclopedia of Southern Culture Carol Crown, Cheryl Rivers, Charles Reagan Wilson, 2013-06-03 Folk art is one of the American South s most significant areas of creative achievement and this comprehensive yet accessible reference details that achievement from the sixteenth century through the present This volume of The New Encyclopedia of Southern Culture explores the many forms of aesthetic expression that have characterized southern folk art including the work of self taught artists as well as the South s complex relationship to national patterns of folk art collecting Fifty two thematic essays examine subjects ranging from colonial portraiture Moravian material culture and southern folk pottery to the South s rich quilt making traditions memory painting and African American vernacular art and 211 topical essays include profiles of major folk and self taught artists in the region      *American Studies* Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology      **American Folk Art** Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the

way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are

*Sublime Spaces and Visionary Worlds* Leslie Umberger, 2007-10-04 The need to personalize our surroundings is a defining human characteristic For some this need becomes a compulsion to transform their personal surroundings into works of art The John Michael Kohler Arts Center in Sheboygan Wisconsin has undertaken the mission to preserve these environments which are presented for the first time in *Sublime Spaces and Visionary Worlds* This colorful and inspiring book features the work of twenty two vernacular artists whose locales personal histories and reasons for art making vary widely but who all share a powerful connection to the home as art Featured projects range from art environments that remain intact such as Simon Rodia's Watts Towers in California to sites lost over the years such as Emery Blagdon's six hundred elaborate Healing Machines made of copper aluminum tin foil magnets ribbons farm machinery parts painted light bulbs beads coffee can lids and more *Sublime Spaces and Visionary Worlds* is the first book to explore these spectacularly offbeat spaces in detail From Original Rhinestone Cowboy Loy Bowlin's wall to wall glitter and foil living room to the concrete bestiary of witch of Fox Point Mary Nohl each artist and project is described in detail through a wealth of visuals and text *Sublime Spaces and Visionary Worlds* reminds us that our decorative choices tell the world not just what we like but who we are

**The Clarion**, 1992 *Contemporary American Folk Art* Curtis L. Carter, 1992 The Temptation Julia S. Ardery, 1998 Why beginning in the late 1960s did expressive objects made by poor people come to be regarded as twentieth century folk art increasingly sought after by the middle class and the wealthy Julia Ardery explores that question through the life story of Self-Taught, Outsider and Folk Art Betty-Carol Sellen, 2016-02-09 Much has changed in the world of self taught art since the millennium Many of the recognized masters have died and new artists have emerged Many galleries have closed but few new ones have opened as artists and dealers increasingly sell through websites and social media The growth and popularity of auction houses have altered the relationship between artists and collectors In its third edition this book provides updated information on artists galleries museums auctions organizations and publications for both experienced and aspiring collectors of self taught outsider and folk art Gallery and museum entries are organized geographically and alphabetically by state and city
