Marianne Bontrager,2022-07-28 Behind the Scene is a personal story of one little girl s experience growing up on a small  
Midwest farm She was born into a large family living in poverty where her family s mode of transportation was a horse and  
buggy This was required by the Amish religion her family belonged to Early in her life her dad wanted a car They left the  
Amish and joined the Mennonites The deep dark secrets of her family s dysfunction she vowed never to expose to anyone  
However that decision got her in difficult situations as an adult Much of her under the surface unhappiness was due to the  
decision to never talk or tell of the abuse When she decided to heal from the wounds she discovered this dilemma was a  
generational problem and much more prevalent than she imagined It is her hope that through her journey to heal it will also  
give others the courage to heal It is for those who may find themselves in this situation      Public Health Ethics Ronald
