Seeking a distraction Lois joins a bird watchers circle letter under an alias. But unknown to her Moses does the same at the urging of a friend. While their correspondence blossoms into a tender romance the enmity between Lois and Moses in real life only intensifies. Can they overcome their animosity and embrace the love they've found through their letters or will their stubborn hearts keep them apart forever? The Shunning (Heritage of Lancaster County Book #1)

Beverly Lewis, 2008-02-01 The bestselling story of Katie Lapp who longs for things forbidden to a young Amish woman But an

unexpected discovery reveals her true past **Jesus, Deliver Us** Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times: be it attacks from Satan, the wars around the world, the scourge of racism, or the mass shootings of our time. The subtitle of the book identifies the scope: This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the praxis: how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers. The two streams of response to evil are really one: as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan, sin, evil, and death. Love your enemy, confronts evil with power to transform.

Thrill of the Chaste Valerie Weaver-Zercher, 2013-04-15 Take a peek beneath the bonnet. Browse the inspirational fiction section of your local bookstore, and you will likely find cover after cover depicting virtuous young women cloaked in modest dresses and wearing a pensive or playful expression. They hover innocently above sun-drenched pastures or rustic country lanes, often with a horse-drawn buggy in the background or the occasional brawny stranger. Romance novels with Amish protagonists, such as the best-selling trailblazer *The Shunning* by Beverly Lewis, are becoming increasingly popular with a largely evangelical female audience. *Thrill of the Chaste* is the first book to analyze this growing trend in romance fiction and to place it into the context of contemporary literature, religion, and popular culture. Valerie Weaver-Zercher combines research and interviews with devoted readers, publishers, and authors to produce a lively and provocative examination of the Amish romance novel. She discusses strategies that literary agents and booksellers use to drive the genre's popularity. By asking questions about authenticity, cultural appropriation, and commodification, *Thrill of the Chaste* also considers Amish fiction's effects on Amish and non-Amish audiences alike.
