

A man in a dark suit and a woman in a blue period dress are embracing in a grand room. The man is wearing a dark blue or black suit with a white shirt and a dark vest. The woman is wearing a light blue, short-sleeved, floor-length dress with a white lace-up bodice and a full skirt. They are standing in a room with ornate, light-colored walls and a large arched doorway in the background. The lighting is soft and warm, creating a romantic atmosphere.

An Improper Proposition An Improper Liaisons Novella:

Scandalous Liaisons Caroline Linden, A gentleman a scoundrel an earl and a duke Four charming heroes four love stories four novellas in one package All novellas are previously published A STUDY IN SCANDAL Lady Samantha Lennox is fleeing an arranged marriage when she finds herself lost accosted and almost drowned only to be rescued by a handsome artist who makes her start dreaming of happily ever after A Scandalous novella THE SECRET OF MY SEDUCTION A sensible spinster with a scandalous secret A rakish businessman with a taste for risk and pleasure One very indecent proposal that won't remain secret or just business for long The final chapter in the Scandalous series A FASHIONABLE AFFAIR Felicity Dawkins is determined to save her family's dressmaking shop The Earl of Carmarthen is determined to tear it down But the attraction that sparks between them might upend all their plans Originally published in Dressed to Kiss WHEN I MET MY DUCHESS Everyone expects the Duke of Wessex's wedding to be the society event of the Season But when the duke meets his future bride's sister he realizes he's about to marry the wrong woman and his wedding is about to become the scandal of the year Originally published in At the Duke's Wedding *To the Life of the Silver Harbor* Reuel K. Wilson, 2008 **The Death of Ivan Ilyich & The Kreutzer Sonata** Leo Tolstoy, 2023-11-09 In The Death of Ivan Ilyich and The Kreutzer Sonata Leo Tolstoy explores the profound themes of mortality existential despair and the complexities of human relationships While the former exists as a poignant novella revealing the stark confrontation between life and death emphasizing the futility of materialism the latter takes the form of a powerful novella that critiques bourgeois marriage and explores moral dilemmas surrounding love and sexuality Tolstoy's succinct prose combines realism with deep philosophical inquiries painting psychological portraits steeped in the author's introspective style These works reflect the social context of 19th century Russia as the author scrutinizes the moral decay of society amidst the quest for authenticity and truth Leo Tolstoy a titan of literature and philosophy was inspired by his own experiences with existential crises and spiraling disillusionment with the superficial nature of contemporary society After personal tragedies and spiritual awakenings Tolstoy distilled his observations into narrative form compelling readers to confront their own lives His moral reflections were shaped by the tumultuous transformations of Russian society and his internal battles between faith love and duty Both novellas remain essential reading for anyone engaged with the human condition as they invite introspection about life love and death Engaging with Tolstoy's works is not merely an academic exercise but a profound journey towards understanding one's own existence and moral choices **The Kreutzer Sonata & The Death of Ivan Ilyich** Leo Tolstoy, 2019-12-18 Ivan Ilyich lives a carefree life that is most simple and most ordinary and therefore most terrible Like everyone he knows he spends his life climbing the social ladder Enduring marriage to a woman whom he often finds too demanding he works his way up to be a magistrate While hanging curtains for his new home one day he falls awkwardly and hurts his side Though he does not think much of it at first he begins to suffer from a pain in his side As his discomfort grows his behavior towards his family becomes

more irritable The Kreutzer Sonata is an argument for the ideal of sexual abstinence and an in depth first person description of jealous rage The main character Pozdnyshev relates the events leading up to his killing his wife in his analysis the root causes for the deed were the animal excesses and swinish connection governing the relation between the sexes

Chronicles of Cleopatra Hill Christine Pope, 2018-01-29 *Based on a True Story* Hesh Kestin, 2008 Trio of novellas set during post WWII period in varying international settings **The Wives** Alexandra Popoff, 2021-11-15 Many readers may know that such writers as F Scott Fitzgerald James Joyce and D H Lawrence used their marriages for literary inspiration and material In Russian literary marriages these women did not resent taking a secondary position although to call their position secondary does not do justice to the vital role these women played in the creation of some of the greatest literary works in history From Sofia Tolstoy to Vera Nabokov and Elena Mandelshtam and Natalya Solzhenitsyn these women ranged from stenographers and typists to editors researchers translators and even publishers Living under restrictive regimes many of these women battled censorship and preserved the writers illicit archives often risking their own lives to do so They established a tradition all their own unmatched in the West Many of these women like Vera and Sofia were the writers intellectual companions and willingly contributed to the creative process they commonly used the word we to describe the progress of their husbands work And their husbands knew it too Leo Tolstoy made no secret of Sofia s involvement in War and Peace and Vladimir Nabokov referred to Vera as his own single shadow New York Magazine ,1995-01-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Tribals, Empire and God* Zhodi Angami, 2017-04-06 Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader s social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew s infancy narrative from a tribal reader s perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew s account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew s text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and Matthew s narrative Such a method animates

the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context The Malahat Review ,2003 **The Writers Directory** ,2004 **The New Yorker** Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1991-04 **Book Review Digest** ,1978 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher **Literature Criticism from 1400 to 1800** ,2004 **Archipel** ,2003 **Improper English** Katie MacAlister,2018-07-09 *Unfriendly Proposition* Jessica Steele,1989
