Saudi Aramco will conduct its business in a manner which prevents incidents or accidents which cause loss of life, bodily injury or illness, or damage to property, assets or the environment. As reflected in Saudi Aramco's Corporate Values, the Company will continuously maintain the highest standards of safety, security, health and environmental protection. Accordingly, the Company will:

- Advise all employees and contractors of their loss prevention responsibilities and regularly measure their performance;
- Evaluate, identify and eliminate or manage safety risks prior to beginning any new operation or activity and continue to review such risks, complying with all applicable laws and regulations;
- Communicate loss prevention objectives and procedures regularly to employees and all affected parties;
- Train employees and provide resources to maintain job competencies, including loss prevention responsibility and accountability;
- Design and construct Company facilities utilizing recognized best technology and practices to safeguard property and people;
- Operate and maintain Company facilities to ensure safe operations;
- Require that contractors, suppliers and others adhere to the Company's loss prevention policies, procedures and goals;
- Prepare for emergencies and other contingencies and respond promptly and effectively to any incidents or accidents resulting from operations;
- Report all incidents, review performance and communicate progress;
- Promote off-the-job safety and community awareness, and
- Review and improve the Company's loss prevention program and performance continuously.
