Hidden Key To Harry Potter:

The Hidden Key to Harry Potter John Granger, 2002 The Hidden Key to Harry Potter is the first book to take Harry Potter seriously as literature Low read critics have panned the bestselling novels as the literary equivalent of fast food and as a gateway to the occult But no one has explained the worldwide popularity of Ms Rowling s fiction or read it as one would read Tolkien Hemingway or Shakespeare The Hidden Key takes the high road to understanding Harry Potter s success through an exploration of the series structure themes and symbolism The astonishing conclusion of this investigation is that Ms Rowling demonized by some Christian critics because of its magical setting of her books is ironically writing the most charming and challenging Christian fiction for children since Lewis Chronicles of Narnia *The Politics of Harry Potter* B. Barratt, 2012-11-09 This political analysis of Harry Potter uses the beloved wizarding world to introduce readers to the equally murky and intimidating world of politics Rowling s work provides us with entries into all of the most important political questions in history from terrorism and human rights to the classic foundations of political thought **From Here**
