**Honey And Ashes** Janice Kulyk Keefer, 2014-07-22 From the acclaimed author of *The Green Library* a haunting memoir of family and home both lost and found of longing and belonging Janice Kulyk Keefer was born in Canada a country that for her immigrant family meant a land as free as the future itself But she was also born into the history of her family's homeland receiving both the gift and the burden of a past that often seems an equal spill of beauty and blood Now she has set out to build a bridge of words between contemporary Canada and the ancient village of Staromischyna once part of Poland now in Ukraine *Honey and Ashes* is novel like in its sweep of personal and public history and its ability to draw us into the complex mysteries of family It moves from an extraordinary wealth of stories about life in Staromischyna and Depression era Toronto to an absorbing account of how the complex troubled histories of Poland and Ukraine shadowed these stories and it ends with a difficult journey back to the actual place where the stories began It is a breathtaking book that will touch all those who feel compelled to search the landscape of memory for a glimpse of their true selves I stand over a river looking over the water to a distant shore When I was a child I crossed this river as though water were as natural an element to me as the air I breathed the earth under my feet But now I know the strength of the river's current Were I to step into these waters they would tug me upstream or down anywhere but across anywhere but where I long to be from *Honey and Ashes* **Leaving Shadows** Lisa Grekul, 2005-12-16 On our way home we stopped in Vegreville for one last look at the Pysanka and posing in front of it while my dad pulled out his camera I wanted to cry Are we doomed Click Is this all we are Click How do we drag ourselves out from under the shadow of the giant egg Click Conceived in a fervent desire for fresher sexier images of Ukrainian culture in Canada and concluding with a new reading of enduring cultural stereotypes *Leaving Shadows* is the first Canadian book length monograph on English Ukrainian writing with substantive analysis of the writing of Myrna Kostash Andrew Suknaski George Ryga Janice Kulyk Keefer Vera Lysenko and Maara Haas *Immigration and Integration in North America* Waldemar Zacharasiewicz, Fritz Peter Kirsch, 2014 English summary The volume comprises nine essays by prominent Canadianists from Austria Germany and Canada who investigate in comparative fashion the problems of emigration immigration to and integration in North America and some European countries especially Austria and France They inquire how this challenge has been met in Canada since the official adoption of multiculturalism and reflect on the possibility of Canada serving as a model for Europe While contemporary novels by immigrants to Canada provide evidence of successful integration ethnic autobiographies remind us of the existence of problems and prejudices in former times The tensions experienced in the course of a transcultural transfer are shown to be a potential source of inspiration with authors of Caribbean background providing fruitful examples The waves of immigration from Austria are also described as is the specific approach to the challenge of immigration in the province of Quebec through the adoption of the concept of interculturalism Both the problems linked to immigration in France and the issue of the millions of undocumented
