Essayists on the Essay Carl H. Klaus, Ned Stuckey-French, 2012-03-15 The first historically and internationally comprehensive collection of its kind *Essayists on the Essay* is a path breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory practice and art of the essay This unique work includes a selection of fifty distinctive pieces by American Canadian English European and South American essayists from Montaigne to the present many of which have not previously been anthologized or translated as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay From a buoyant introduction that provides a sweeping historical and analytic overview of essayists thinking about their genre a collective poetics of the essay to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections to the richly detailed bibliographic sections *Essayists on the Essay* is essential to anyone who cares about the form This collection provides teachers scholars essayists and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre used primarily to write about other more literary genres or to teach young people how to write Here in a single celebratory volume are four centuries of commentary and theory reminding us of the essay's storied history its international appeal and its relationship not just with poetry and fiction but also with radio film video and new media

The essays of Elia. [Followed by] The last essays of Elia Charles Lamb, 1867 *Montaigne's Essays* Michel de Montaigne, 2015-11-20 The present publication is intended to supply a recognised deficiency in our literature a library edition of the *Essays* of Montaigne This great French writer deserves to be regarded as a classic not only in the land of his birth but in all countries and in all

literatures His Essays which are at once the most celebrated and the most permanent of his productions form a magazine out of which such minds as those of Bacon and Shakespeare did not disdain to help themselves and indeed as Hallam observes the Frenchman's literary importance largely results from the share which his mind had in influencing other minds coeval and subsequent But at the same time estimating the value and rank of the essayist we are not to leave out of the account the drawbacks and the circumstances of the period the imperfect state of education the comparative scarcity of books and the limited opportunities of intellectual intercourse Montaigne freely borrowed of others and he has found men willing to borrow of him as freely We need not wonder at the reputation which he with seeming facility achieved He was without being aware of it the leader of a new school in letters and morals His book was different from all others which were at that date in the world It diverted the ancient currents of thought into new channels It told its readers with unexampled frankness what its writer's opinion was about men and things and threw what must have been a strange kind of new light on many matters but darkly understood Above all the essayist uncased himself and made his intellectual and physical organism public property He took the world into his confidence on all subjects His essays were a sort of literary anatomy where we get a diagnosis of the writer's mind made by himself at different levels and under a large variety of operating influences Eloquence rhetorical effect poetry were alike remote from his design He did not write from necessity scarcely perhaps for fame But he desired to leave France nay and the world something to be remembered by something which should tell what kind of a man he was what he felt thought suffered and he succeeded immeasurably I apprehend beyond his expectations *Essays on the Drama* John Dryden, 1898

The Essay Film Timothy Corrigan, 2011-12-01 Why have certain kinds of documentary and non narrative films emerged as the most interesting exciting and provocative movies made in the last twenty years Ranging from the films of Ross McElwee *Bright Leaves* and Agnès Varda *The Gleaners and I* to those of Abbas Kiarostami *Close Up* and Ari Folman *Waltz with Bashir* such films have intrigued viewers who at the same time have struggled to categorize them Sometimes described as personal documentaries or diary films these eclectic works are rather best understood as cinematic variations on the essay So argues Tim Corrigan in this stimulating and necessary new book Since Michel de Montaigne essays have been seen as a lively literary category and yet despite the work of pioneers like Chris Marker seldom discussed as a cinematic tradition *The Essay Film* offering a thoughtful account of the long rapport between literature and film as well as novel interpretations and theoretical models provides the ideas that will change this [The essays of Michael de Montaigne, translated into English ...
