The Hardened Heart and Tragic Finitude Dan O. Via,2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering The Hardened Heart shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God s creative word as good without qualification     **St. Paul, the Natural Law, and Contemporary Legal Theory** Jane Adolphe,Robert L. Stobb,2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my
