A Halloween Scare in Virginia Eric James, 2014-08 On Halloween when ghouls and ghosts and banshees vampires and witches are on the prowl are you prepared for the scariest night in Virginia P 4 of cover *A Halloween Scare in West Virginia* Eric James, 2021-08 It s Halloween night and creatures and critters from near and far are starting to gather outside the front door And now here comes a whole army of monsters on broomsticks buses and bikes all clamoring in the darkness What is it they want Are they coming for you A delightfully spooky Halloween adventure featuring iconic locations and landmarks from your favorite city state or country *Who's Afraid of Virginia's Woof?* Susan C. Daffron, 2019-04-24 Tori Merrill detests Halloween All the fake blood creepy crawlies and ghastly ghoulies make her squeamish But as a partner in a new candy business Halloween is a holiday she can t ignore When her partners encourage her to attend the local Haunted Barn event and hand out candy samples to trick or treaters against her better judgment she agrees But first she has to convince someone to care for her spoiled cranky dog Ginny preferably someone who has never heard Ginny bark Scarred by long ago events Dale Holbrook has made a point of avoiding anything to do with his family s toy business with two exceptions he voices the company mascot Harvey the Penguin and he helps with the Haunted Barn because it benefits his family s charitable foundation Decked out in a grotesquely pink Little Bo Peep outfit at the Haunted Barn Tori crashes headlong into Robin Hood Zorro and Holbrook family dramas Amid grisly gnomes creepy clowns chainsaw wielding zombies and barfing dragons Tori confronts her long held beliefs about Halloween hoop skirts truth and love *Spooky Virginia* S. E. Schlosser, 2023-07-01 Pull up a chair or gather round the campfire and get ready for thirty four creepy tales of ghostly hauntings eerie happenings and other strange occurrences from times past Virginia folklore traditions are kept alive in these expert retellings by master storyteller S E Schlosser and through artist Paul G Hoffman s evocative illustrations You ll meet ghosts and witches hear things that go bump in the night and feel an icy wind on the back of your neck on a warm summer evening The stories in this entertaining and compelling collection will have you looking over your shoulder again and again

2024 The Campaign Chronicles JD Foster, 2025-01-30 How strange it is that the past is so little understood and so quickly forgotten We live in the most thoughtless of ages Every day headlines and short views I have tried to drag history up a little nearer to our own times in case it should be helpful as a guide in present difficulties Winston Churchill 1929 The 2016 presidential campaign concluded with the impossible the election of billionaire non politician Donald J Trump The 2020 campaign saw Trump lose to former Vice President Joe Biden because of Trump s chaos and the COVID pandemic The 2024 campaign revealed another seemingly impossible outcome the return of Trump by defeating Vice President Kamala Harris How did Trump do that This book chronicles the 2024 presidential election written contemporaneously with events to capture the moment praising and criticizing all concerned as even handedly as humanly possible As a chronicle no attempt is made to correct the record in light of later revealed truths That is a task for later historians But later revealed truths cannot

explain how voters and the media felt in the moment which often determines what follows Anyone seeking to understand the course of events leading to Donald Trump's re-election will find the reading interesting infuriating sometimes humorous and hopefully illuminating This book does not explain fully how Trump won again but it is an important start to answering that question

Halloween and Other Festivals of Death and Life Jack Santino, 2025-03-14 Why do we celebrate Halloween No one gets the day off and unlike all other major holidays it has no religious or governmental affiliation A survivor of our pre-Christian agrarian roots it has become one of the most popular and widely celebrated festivals on the contemporary American calendar Jack Santino has put together the first collection of essays to examine the evolution of Halloween from its Celtic origins through its adaptation into

modern culture Using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how Halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival Its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre Christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds However the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque Halloween and other Festivals of Death and Life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of Halloween as a rich and diverse reflection of our society s past present and future identity
