*A History of Camp Cory* Bo Shoemaker, 2011-06-01 Summertime memories of Camp Cory are awash in warm emotion From the Reveille bugle at first light to Taps in the evening those days were the absolute best Skippering a K boat on cool Keuka Lake Silly songs and skits performed into the night The boundless nature of genuine friendship It is hard to explain exactly why that time is so special how it changes lives forever This wonderful mystery is revealed here by official Camp Cory historian Bo Shoemaker So gather around the campfire to reminisce Just be sure to watch out for the H Man **Landmarks of Tompkins county, New York; including a history of Cornell university** John H. Selkreg, 1894-01-01 **Landmarks of Detroit** Robert Budd Ross, George Byron Catlin, 1898 Landmarks of Tompkins County, New York Waterman Thomas Hewett, 1894 *Landmarks of Wayne County and Detroit* Robert Budd Ross, George Byron Catlin, 1898 **The Camp of Gods Tears** Marilyn Lee, John R. Mayfield, 2011-10 A highly evolved civilization almost unknown to history thrived in North America for centuries long before the coming of Europeans The Camp of God s Tears is a tragic tale about this civilization as it ended This story is grounded in fact according to archeological genetic and linguistic data as reflected in the Afterward which presents supportive information and a bibliography of nearly 400 sources This saga is told as a narrative by Gray Wolf who begins his story during his late adolescence and follows through six generations until he becomes a great grandfather The Camp of God s Tears reveals the high level of sophistication of this culture which was far more advanced than many cultures of the same time period circa 300 AD More importantly it articulates the depth of their spirituality and moral codes by which these people lived While the mysterious ending of a great culture is heart rendering the story ends on a note of hope for contemporary times The story came to me in a dream It was told to me by Falling Star She answered a myriad of questions I asked She showed me the locations of where the events in the story took place She showed me her People who wore exotic clothes made of finely woven textiles decorated with pearls copper and other artistic ornaments She showed me strongly built homes their villages and their expansive farms I saw their social organization was powerful yet simple a few shaman elders and no real leaders She intrigued me with their immense earthworks which demonstrate accurate astronomical alignments to the Sun Moon stars and galaxies The organization of labor engineering skills mathematical and astronomical knowledge required to build these phenomenal earthworks amazes modern researchers I asked Falling Star why she showed me all of this She said her People wanted their story told and asked me if I would tell it Of course I said and then I asked her why She said her People were so deeply spiritual so in tune and in touch with the Creator that they actively lived the principles of Oneness Their ways demonstrated what being one and at one with the One looked like in real life She said the people of my time need to know these principles and to learn to live them because humankind is struggling to regain balance in a troubled world **Mississippi Landmarks**, 2015 **Mémoires Et Comptes Rendus de la Société Royale Du Canada** Royal Society of Canada, 1899 Bound to Empire : The United States and the Philippines H. Professor of History Texas A & M University,1992-09-17 From the day Commodore Dewey's battleships destroyed the Spanish fleet at Manila to the closing of the Subic Bay naval base in 1992 America and the Philippines have shared a long and tangled history It has been a century of war and colonialism earnest reforms and blatant corruption diplomatic maneuvering and political intrigue an era colored by dramatic events and striking personalities In *Bound to Empire* acclaimed historian H W Brands gives us a brilliant account of the American involvement in the Philippines in a sweeping narrative filled with analytical insight Ranging from the Spanish American War to the fall of Ferdinand Marcos and beyond Brands deftly weaves together the histories of both nations as he assesses America's great experiment with empire He leaps from the turbulent American scene in the 1890s the labor unrest the panic of 1893 the emergence of Progressivism the growing tension with Spain to the shores of the newly acquired colony Dewey's conquest of Manila the vicious war against the Philippine insurgents and the founding of American civilian rule As Brands takes us through the following century describing the efforts to civilize the Filipinos the shaping of Philippine political practices the impact of General MacArthur and World War II and the Cold War he provides fascinating insight into the forces and institutions that made American rule what it was and the Republic of the Philippines what it is today He uncovers the origins of the corruption and nepotism of post independence Philippine politics as well as the ambivalence of American rule in which liberal principles of self determination clashed with the desire for empire and a preoccupation first with Japan and later with communism The book comes right up to the present day with an incisive account of the rise and fall of Ferdinand Marcos the accession and subsequent troubles of Corazon Aquino the Communist guerrilla insurgency and the debate over the American military bases Damn the Americans Manuel Quezon once said Why don't they tyrannize us more Indeed as Brands writes American rule in the Philippines was more benign than that of any other colonial power in the Pacific region Yet it failed to foster a genuine democracy This fascinating book explains why in a perceptive account of a century of empire and its aftermath **The**
