## **A History Of Christianity In Africa From Antiquity To The Present:**

*A History of Christianity in Africa* Elizabeth Isichei, 1995-02-22 This unprecedented work is the first one volume study of the history of Christianity in Africa Written by Elizabeth Isichei a leading scholar in this field *A History of Christianity in Africa* examines the origins and development of Christianity in Africa from the early story of Egyptian Christianity to the spectacular growth vitality and diversity of the churches in Africa today Isichei opens with the brilliance of Christianity in Africa in antiquity and shows how Christian Egypt and North Africa produced some of the most influential intellects of the time She then discusses the churches founded in the wake of early contacts with Europe from the late fifteenth century on and the unbroken Christian witness of Coptic Egypt and of Ethiopia Isichei also examines the different types of Christianity in modern Africa and shows how social factors have influenced its development and expression With the explosive growth of Christianity now taking place in Africa and the increasingly recognized significance of African Christianity this much needed book fills the void in scholarly works on that continent s Christian past also foreshadowing Christian Africa s influential future

*Routledge Companion to Christianity in Africa* Elias Kifon Bongmba, 2015-12-22 The *Routledge Companion to Christianity in Africa* offers a multi disciplinary analysis of the Christian tradition across the African continent and throughout a long historical span The volume offers historical and thematic essays tracing the introduction of Christianity in Africa as well as its growth developments and effects including the lived experience of African Christians Individual chapters address the themes of Christianity and gender the development of African initiated churches the growth of Pentecostalism and the influence of Christianity on issues of sexuality music and public health This comprehensive volume will serve as a valuable overview and reference work for students and researchers worldwide

**How Africa Shaped the Christian Mind** Thomas C. Oden, 2010-07-23 Thomas C Oden surveys the decisive role of African Christians and theologians in shaping the doctrines and practices of the church of the first five centuries and makes an impassioned plea for the rediscovery of that heritage Christians throughout the world will benefit from this reclaiming of an important heritage

**Encyclopedia of the Peoples of Africa and the Middle East** Jamie Stokes, 2009 *Encyclopedia of the Peoples of Africa and the Middle East* is a two volume A to Z reference to the history and culture of the peoples of Africa and the Middle East

**Tyconius' Book of Rules** Matthew R. Lynskey, 2021-03-01 In *Tyconius Book of Rules* Matthew R Lynskey explores the church centric interpretation of ancient biblical exegete Tyconius in his hermeneutical treatise *Liber regularum* Influential within his Donatist tradition and the broader context of early North African Christianity Tyconius wrote one of the earliest works on exegetical theory and praxis in Latin Christianity By investigating five key concepts undergirding Tyconius s theology of church Lynskey demonstrates how Tyconius ecclesiology shaped his hermeneutical enterprise Through careful readings and close analysis of *Liber regularum* this study seeks to describe Tyconius exegesis on its own terms reflecting on notable historical theological formational and missiological implications of his ecclesial exegesis as it concerns the ancient and

contemporary church      The Routledge Companion to the Christian Church Gerard Mannion, Lewis S. Mudge, 2007-12-12 Written by an international team of distinguished scholars this comprehensive book introduces students to the fundamental historical systematic moral and ecclesiological aspects of the study of the church as well as serving as a resource for scholars engaging in ecclesiological debates on a wide variety of issues      **Christianity and the African Imagination** David Maxwell, Ingrid Lawrie, 2022-08-08 During the twentieth century Christendom shifted its centre of gravity to the Southern Hemisphere Africa becoming the most significant area of church growth This volume explores Christianity's advance across the continent and its capturing of the African imagination From the medieval Catholic Kingdom of Kongo to a transnational Pentecostal movement in post colonial Zimbabwe the chapters explore how African agents priests and prophets martyrs and missionaries evangelists and catechists have seized Christianity and made it theirs Emphasizing popular religion the book shows how the Christian ideas and texts practices and symbols which have been adapted by Africans help them accept existential passions and empower them through faith to deal with material concerns for health and wealth and to overcome evil      Christian History Alister E. McGrath, 2013-03-04 A major new introduction to the global history of Christianity written by one of the world's leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill breaking the material down into accessible self contained historical periods Offers an accessible and student oriented text assuming little or no advance theological or historical knowledge on the part of the reader      *History of the World Christian Movement* Dale T. Irvin, Scott Sunquist, 2012-10-01 Beginning with the missionary expansion of the 15th century this story goes on to trace the fracturing of the Christian movement among Catholic Orthodox and Protestant versions the impact of modern colonialism and the emergence of a new global reality the wars of religion the impact of the Enlightenment the rise of Christianity in North America and the modern missionary movement      **The African American Guide to the Bible** H.C. Felder, 2018-10-31 The African American Guide to the Bible makes the case for the relevance of the Bible from the perspective of people of color It presents a comprehensive biblical view of topics of interest to African Americans and clarifies racial issues for white people Part 1 addresses the inspiration of the Bible by giving evidence for its authenticity A considerable amount of time is spent on examining the original text of the Bible the archeological evidence and the evidence from predictive prophecy to demonstrate the uniqueness of the Bible Part 2 deals with the black presence in the Bible by demonstrating the prominence of people of color and black people in particular by highlighting their

importance in the plan of God It explains what it means to be black and demonstrates that the scientific and biblical evidence are both consistent with respect to race Part 3 is a response to the arguments of racism used by critics of the Bible for example Christianity is the white man s religion and Bible supports slavery and racism These arguments are examined and evaluated in light of scripture and the context of history Part 4 deals with the unity of humanity from a biblical perspective It shows why racism is not only unbiblical but is evil when understood from the perspective of God **Early Christianity**

Wendy Elgersma Helleman, Musa A. B. Gaiya, 2019-09-30 Designed as an undergraduate textbook and shaped by needs of both Muslim and Christian students across Africa this resource provides a thorough introduction to the history theology and teaching of early Christianity Professors Helleman and Gaiya follow Christianity from its inception in Jerusalem through to the decline of the Roman Empire in the Mediterranean and the development of Orthodox churches in the East and in Africa before the arrival of Islam The book provides an overview of critical historical events controversies teaching and important individuals and movements providing foundational understanding of early developments in Christianity and the general history of antiquity Students and lecturers will also appreciate the attention given to the role of North African leaders in early Christianity and the impact of major issues on the North African church such as Gnosticism Donatism and Arianism Additional Features Introduction to online tools resources Survey of the study of early Christianity Introduction to key historians Evaluation of recent literature early Christianity *The Oxford Handbook of Christianity and Law* John Witte (Jr.), Rafael Domingo, 2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity s engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and

bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity

**African Pentecostalism from African Perspectives** Ezra Chitando, Lovemore Togarasei, Loreen Maseno, 2024-11-05

Although African scholars have made a significant contribution to the study of African Pentecostalism very few studies have reflected on their output Most of the contemporary publications on the widespread phenomenon of African Pentecostalism create the impression that only scholars from the Global North have contributed to the field This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how African scholars from diverse academic disciplines and African Diasporan context have helped to shape the field The included chapters provide fresh data on new themes and perspectives in the field

**The Spirit over the Earth** Green et al, 2016 Though the global center of Christianity has been shifting south and east over the past few decades very few theological resources have dealt with the seismic changes afoot The Majority World Theology series seeks to remedy that lack by gathering well regarded Christian thinkers from around the world to discuss the significance of Christian teaching in their respective contexts The contributors to this volume reflect deeply on the role of the Holy Spirit in both the church and the world in dialogue with their respective contexts and cultures Taking African Asian and Latin American cultural contexts into account gives rise to fresh questions and insights regarding the Spirit's work as witnessed in the world and demonstrates how the theological heritage of the West is not adequate alone to address the theological necessities of communities worldwide

African Christian Mothers and Fathers Mark Ellingsen, 2015-10-21 After almost a millennium and a half scholars are rediscovering the theological roots of Christianity in ancient North Africa But we still have a long way to go in bringing these insights to the Church's consciousness What has been needed is a careful but accessible analysis of what the great theologians of the region prior to and contemporary with Augustine actually taught about the faith and why what they said still matters today African Christian Mothers and Fathers is precisely the book we have needed an explanation of the theology of these great though in some cases forgotten early church leaders for scholars seminarians pastors and laity Mark Ellingsen author of an acclaimed book on the thought and life of Augustine takes readers on an insightful tour of the theological landscape of North Africa and its thought from the late first through the early fifth centuries and brings us back to the present enriched with ancient but fresh ideas for living the faith embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%
