A History Of The 36th Ulster Division History And Politics

Alvin Jackson

A History Of The 36th Ulster Division History And Politics:

The History of the 36th (Ulster) Division Cyril Falls, 2022-09-05 Cyril Falls The History of the 36th Ulster Division presents a comprehensive account of one of World War I's most storied military units chronicling its formation campaigns and ultimate legacy Falls employs a meticulous narrative style interweaving primary accounts and detailed military analysis to bring to life the experiences of the Ulster Division Capturing the socio political context of Ireland during the era the text explores the profound impact of regional identity on soldiers motivations framed by the broader landscape of trench warfare and nationalistic fervor This historical work not only serves as a military chronicle but as a poignant exploration of the human cost of war rendered with a scholarly precision that reflects Falls expertise Cyril Falls a noted military historian and writer was deeply influenced by his own background and the tumultuous history of Ireland Born in 1886 Falls served in the British Army during the war providing him with first hand experience and insight His dedication to documenting the narratives of the Ulster Division is rooted in a desire to preserve the memory of its soldiers and to analyze the role they played within both military and Irish history Falls perspective is enriched by his broader historical knowledge which informs his analysis of the unit's complexities and conflicts Recommended for both historians and general readers this book is an invaluable resource for understanding the intricate dynamics of the First World War and the particular contributions of the 36th Division Any reader interested in military history Irish identity or the Great War will find Falls account both illuminating and essential This meticulous history not only educates but also evokes a deeper appreciation for the sacrifices made during one of history's defining conflicts

The History of the 36th (Ulster) Division Cyril Falls, 1922 **The Making of Modern Irish History** D. George Boyce, Alan O'Day, 2006-09-07 This volume brings together distinguished historians of Ireland each of whom tackles a key question issue or event in Irish history since the eighteenth century and examines its historiography assesses the context of new interpretations considers the strengths and weaknesses of revisionist ideas offers their own interpretation Topics covered are not only of historical interest but in the context of recent revisionist debates of contemporary political significance These original contributions take account of new evidence and perspectives as well as up to date historical methodology Their combination of synthesis and analysis represent a valuable guide to the present state of the writing of modern Irish history *The Oxford Handbook of Modern Irish History* Alvin Jackson, 2014-03 Draws from a wide range of disciplines to bring together 36 leading scholars writing about 400 years of modern Irish history

ORANGEISM: A HISTORICAL PROFILE Kevin Haddick-Flynn, 2019-11-26 Orangeism A Historical Profile traces the Orange movement from its pre Reformation beginnings in the French principality of Orange to its role in 21st century Ulster This narrative history offers a lucid account which explains how the Orange tradition took root and developed Many important events are examined including the Orange Green controversies of the 19th century the Order's role in the creation of Northern Ireland its influence during the Stormont era and its stance during the Troubles The book also features hard to

get data provided on the Order's associated bodies The Apprentice Boys of Derry the Purple Order and the Black Preceptory and provides details of their rituals and lodge practices International Orangeism and the Order's role in popular culture are explained and appraised and the stage is filled with historic figures Meticulously researched and written without malice Orangeism A Historical Profile embodies a reevaluation of accepted views and includes information from unused usually sealed archives Praise for the First Edition At last there is an excellent reliable and absorbing account of Orangeism Eamonn Phoenix The Irish News A thorough and determinedly unbiased account written with great enthusiasm Niall Savage The Sunday Business Post

The Irish regiments in the Great War Timothy Bowman, 2013-07-19 The British army was almost unique among the European armies of the Great War in that it did not suffer from a serious breakdown of discipline or collapse of morale It did however inevitably suffer from disciplinary problems While attention has hitherto focused on the 312 notorious shot at dawn cases many thousands of British soldiers were tried by court martial during the Great War This book provides the first comprehensive study of discipline and morale in the British Army during the Great War by using a case study of the Irish regular and Special Reserve battalions In doing so Timothy Bowman demonstrates that breaches of discipline did occur in the Irish regiments but in most cases these were of a minor nature Controversially he suggests that where executions did take place they were militarily necessary and served the purpose of restoring discipline in failing units Bowman also shows that there was very little support for the emerging Sinn Fein movement within the Irish regiments This book will be essential reading for military and Irish historians and their students and will interest any general reader concerned with how units maintain discipline and morale under the most trying conditions

Remembering 1916 Richard S. Grayson, Fearghal McGarry, 2016-03-03 A pioneering analysis of how the Easter Rising and the Battle of the Somme have been remembered in Ireland since 1916

Ireland 1798-1998 Alvin Jackson, 2010-03-16 Receiving widespread critical acclaim when first published Ireland 1798-1998 has been revised to include coverage of the most recent developments Jackson's stylish and impartial interpretation continues to provide the most up to date and important survey of 200 years of Irish history A new edition of this highly acclaimed history of Ireland reflecting both the very latest political developments and growth of scholarship Jackson provides a balanced and authoritative account of the complex political history of modern Ireland Draws on original research and extensive reading of the latest secondary literature Jackson provides an impressive treatment of events coupled with flowing narrative delivered analytically and elegantly

Britain, Ireland and the Second World War Ian S. Wood, 2010-02-28 For Britain the Second World War exists in popular memory as a time of heroic sacrifice survival and ultimate victory over Fascism In the Irish state the years 1939-1945 are still remembered simply as the Emergency Eire was one of many small states which in 1939 chose not to stay out of the war but one of the few able to maintain its non-belligerency as a policy How much this owed to Britain's military resolve or to the political skills of a man de Valera is a key question which this new book will explore It will also examine the tensions Eire's policy created in its relations

with Winston Churchill and with the United States The author also explores propaganda censorship and Irish state security and the degree to which it involves secret co operation with Britain Disturbing issues are also raised like the IRA s relationship to Nazi Germany and ambivalent Irish attitudes to the Holocaust Drawing upon both published and unpublished sources this book illustrates the war s impact on people on both sides of the border and shows how it failed to resolve sectarian problems on Northern Ireland while raising higher the barriers of misunderstanding between it and the Irish state across its border

Irish Political Prisoners 1848-1922 Professor Sean McConville, 2005-08-19 This is the most wide ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922 Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those who openly embraced terrorism or even full scale guerilla war Se n McConville provides a comprehensive survey of Irish revolutionary struggle matching chapters on punishment of offenders with descriptions and analysis of their campaigns Government s response to political violence was determined by a number of factors including not only the nature of the offences but also interest and support from the United States and Australia as well as current objectives of Irish policy

The History of the Arts Council of Northern Ireland, 1943-2016 Lara Cuny, 2022-10-17 This book presents the history of the Council for the Encouragement of Music and the Arts CEMA in Northern Ireland from its conception in 1943 and its successor organisation the Arts Council of Northern Ireland ACNI Exploring the political and social impact of cultural policy in Northern Ireland the book illustrates how the arts developed during the twentieth century and sheds light on the relationship between politics and culture The author takes a closer look at the responsibilities of ACNI and examines its interaction with the unionist government which sought to influence how the organisation distributed its grants Spanning the outbreak of the Troubles in the 1960s and the Peace Process in the 1990s the ACNI evolved through a period of conflict and change and therefore this book argues that there was an undeniable link between the changing political environment and the management of the arts in Northern Ireland The arm s length principle is analysed in relation to ACNI examining the influence that the state had upon its management and governance Offering a unique historical overview of the arts in Northern Ireland this interdisciplinary book fills a gap in Irish history and presents insights into cultural policy conflict resolution and political history

A Military History of Ireland Thomas Bartlett, Keith Jeffery, 1997-10-09 This is a major collaborative study of organised military activity and its broad impact on Ireland over the last thousand years or so from the middle of the first millennium AD to modern times It integrates the best recent scholarship in military history into its social and political context to provide a comprehensive treatment of the Irish military experience The eighteen chronologically organised chapters are written by leading scholars each of whom is an authority on the period in question Drawing the whole work together is a wide ranging introductory essay on the Irish military tradition which explores the relationship of Irish society and politics with militarism and military affairs The text is illustrated throughout by

over 120 pictures and maps The Integrity of Ireland Stephen M. Duffy, 2009 Circumstances placed John Redmond and the Irish Parliamentary Party at the center of British politics in 1912 After more than a century of struggle Irish nationalists looked likely to return a parliament to Dublin that would allow the Irish people as one nation to determine their own domestic affairs Staunch Ulster Unionists stood in opposition determined to reject Home Rule for their region Alongside them were Unionist Party members who declared that such an action would destroy the British Empire wreck the constitution and possibly foment a civil war Over the next decade the Home Rulers saw their cause betrayed and their party destroyed Asquith Lloyd George and Winston Churchill all served to undercut Redmond and his supporters in the interests of political expediency Four years of war in Europe followed by four years of conflict in Ireland led to a more radical approach to the Irish question that allowed Sinn Fein and the Irish Republican Army to make the nationalist cause their own By 1922 Eamon de Valera Michael Collins James Craig and their followers took possession of a divided Ireland embittered by the enmity of two Irish identities and the strains of factional strife **Ulster Will Fight** David R. Orr, David Truesdale, 2016 Volume 1 summary The various attempts at Home Rule for Ireland ultimately culminated in the Third Home Rule Bill which directly contributed to the creation of the Ulster Volunteer Force The UVF spanned not just the geographic rural and urban Protestant Ulster from the Atlantic coast of Donegal to the shipyards of east Belfast but also the diverse political ideals of individuals By the outbreak of the Great War it had become an organisation of armed volunteers the first to use motorcycle despatch riders and motor transport on a large scale and the first to use armoured lorries in street patrols It was also one of the first in the twentieth century to recognise the varied role for women in warfare against a backdrop of a rise in women's suffrage in the United Kingdom and the United States of America The importance role and significance of the existence of the UVF are well summed up in Sir Winston Churchill's book *Great Contemporaries* that if Ulster had confined herself simply to constitutional agitation it is extremely improbable that she would have escaped forcible inclusion in a Dublin Parliament This book tells both the story of the Home Rule period and the Ulster Volunteer Force formed in response to the Home Rule crises An important period in Irish politics and history this book draws on a number of first hand accounts contemporary newspaper reports UVF papers and records from the Somme Museum It is illustrated by a number of images never before published Publisher description **Reckoning with the Past** Margaret Eastman Smith, 2005-01-01 This book explores how history teaching can support conflict reduction in deeply divided societies Using Northern Ireland as its case study the work contributes to how people think about the identity based conflict that surrounds them and involves them It also acts as a manual for those who wish to undertake projects to change attitudes about history in post conflict societies **UVF** Aaron Edwards, 2017-12-01 UVF Behind the Mask is the gripping new history of the Ulster Volunteer Force from its post 1965 incarnation to the present day Aaron Edwards blends rigorous research with unprecedented access to leading members of the UVF to unearth the startling inner workings of one of the world's oldest and most ruthless paramilitary groups Through

interviews with high profile UVF leaders such as Billy Mitchell David Ervine Billy Wright Billy Hutchinson and Gary Haggarty as well as their loyalist rivals including Johnny Adair Edwards reveals the grisly details behind their sadistic torture and murder techniques and their litany of high profile atrocities McGurk's Bar the Dublin and Monaghan bombings the Miami Showband massacre and the Shankill Butchers serial killing spree amongst others Edwards life and career has led him to the centre of the UVF's long dark underbelly in this defining work he offers a comprehensive and authoritative study of an armed group that continues to play a pivotal role in Northern Irish society

Ireland, the Great War and the Geography of Remembrance Nuala C. Johnson, 2003-05-29 Nuala C Johnson explores the complex relationship between social memory and space in the representation of war in Ireland The Irish experience of the Great War and its commemoration is the location of Dr Johnson's sustained and pioneering examination of the development of memorial landscapes and her study represents a major contribution both to cultural geography and to the historiography of remembrance Attractively illustrated this book combines theoretical perspectives with original primary research showing how memory literally took place in post 1918 Ireland and the various conflicts and struggles that were both a cause and effect of this process Of interest to scholars in a number of disciplines Ireland The Great War and The Geography of Remembrance shows powerfully how Irish efforts to collectively remember the Great War were constantly in dialogue with issues surrounding the national question and the memorials themselves bore witness to these tensions and ambiguities

The History of Ulster from the Earliest Times to the Present Day Ramsay Colles, 1920

Ireland and the Great War Adrian Gregory, Senia Paseta, 2002-11-23 This volume brings together new research whilst re-evaluating older assumptions about the immediate and continuing impact of World War I on Ireland It explores some lesser known aspects of Ireland's war years as well as including studies of more traditional areas Individual articles cover military social cultural political and economic aspects of the Great War as well as reflecting on continuity and change within Irish historiography In doing so they analyze how the experience and memory of the War have contributed to identity formation and the legitimization of political violence

War and Literature Rachel McCoppin, 2020-01-24 This Special Issue focuses specifically on the topic of commiseration with the enemy within war literature The articles included in this Special Issue show authors and or literary characters attempting to understand the motives beliefs and cultural values of those who have been defined by their nations as their enemies This process of attempting to understand the orientation of defined enemies often shows that the soldier has begun a process of reflection about why he or she is part of the war experience The texts included in this issue also show how political authorities often resort to propaganda and myth making tactics that are meant to convince soldiers that they are fighting opponents who are evil sub human etc and are therefore their direct enemies Literary texts that show an author and or literary character trying to reflect against state supported definitions of good evil right wrong and ally enemy often present an opportunity to reevaluate the purposes of war and one's moral responsibility during wartime
