far from the heroic ideals she once imagined By her side is her loyal or not so much cat whom she takes to the front a silent companion amidst the chaos Though many men fall in love with her one driven by jealousy and desire manipulates his power to send his rivals to their deaths embodying the darkest aspects of human nature Another of Zhanna s suitors Stefan Boyko sees war not through romantic ideals but as a fight for Ukraine s liberation His deep resentment toward Russia for its long standing oppression fuels his determination to dismantle the powers that have suppressed his homeland In this gripping story of courage betrayal and self discovery Zhanna the Battalion Soldier explores the depths of human nature as revolution reshapes the world around them and Ukraine fights to regain its independence **Australian Book Review** ,1969
