A House Like A Lotus:

A House Like a Lotus Madeleine L'Engle, 1985 While working at a conference in Cyprus sixteen year old Polly tries to come to terms with the emotionally tumultuous events preceding her arrival on the island and her relationships with old and new friends A House Like a Lotus, Reading Madeleine L'Engle Heidi A. Lawrence, 2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L Engle develops for her characters in a selection of the novels from her three Time Austin family and O Keefe family series as those relationships develop along a human nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L Engle s fluid movement along a fantasy reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children s literature **A House Like an Accordion** Audrey Burges, 2024-05-21 A woman searches for her missing father in order to reconcile the many strange and fantastical secrets of her past before she loses herself completely in this deeply profound and magical novel by Audrey Burges Keryth Miller is disappearing Between the growing distance from her husband the demands of two teenage daughters and an all encompassing burnout she sometimes feels herself fading away Actual translucence though that s new When Keryth wakes up one morning with her hand completely gone she is frantic But she quickly realizes two things If she is disappearing it s because her father an artist with the otherworldly ability to literally capture life in his art is drawing her And if he s drawing her that means he s still alive But where has he been for the past twenty five years and why is he doing the one thing he always warned her not to Never draw from life Keryth Every line exacts a cost As Keryth continues to slowly fade away she retraces what she believes to be her father s last steps through the many homes of her past determined to find him before it s too late and she disappears entirely **Dimensions of Madeleine L'Engle** Suzanne Bray, 2017-01-03 Best known for her Newbery Medal winning novel *A Wrinkle in Time* Madeleine L Engle 1918 2007 had a long and successful writing career Her books enjoyed popular acclaim and she was in constant demand to give speeches write forewords and advise and encourage younger authors Yet her work particularly her adult fiction has been largely ignored by scholars This collection of new essays gives overdue critical attention to L Engle s complete body of work from her familiar young adult fiction to her religious writings poems and short stories **Automobile Design** Anthony Harding, Ronald Barker, 1992-02-01 This book takes an in depth look at the lives personalities and technical achievements of 12 preeminent engineers who made significant and lasting contributions to the design and development of the automobile over the last century From early pioneers such as Amedee Bollee pere whose first steam driven vehicle took the road in 1878 to more recent innovators such as Colin Chapman pace

Jenkins,2006-03-30 Society does not make it easy for young people regardless of their sexual orientation to find accurate nonjudgmental information about homosexuality It makes it even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or if published for adults relevant to them and their lives The Heart Has Its Reasons examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters Cart and Jenkins chart the evolution of the field of YA literature having GLBTQ gay lesbian bisexual transgendered and or queer questioning content They identify titles that are remarkable either for their excellence or failures noting the stereotypic wrongheaded and outdated books as well as the accurate thoughtful and tactful titles Useful criteria for evaluating books with GLBTQ content are provided Books and resources of all types are reviewed based on a model that uses the category descriptors of Homosexual Visibility Gay Assimilation and Queer Consciousness Community An annotated bibliography and a number of author title lists of books discussed in the text arranged by subject round out this valuable reference for teachers librarians parents and young adults ***Girlhood in America*** Miriam Forman-Brunell,2001-06-08 This groundbreaking

Conversations with Madeleine L'Engle Jackie C. Horne, 2018-12-03 Conversations with Madeleine L Engle is the first collection of interviews with the beloved children s book author best known for her 1962 Newbery Award winning novel A Wrinkle in Time However Madeleine L Engle s accomplishments as a writer spread far beyond children s literature Beginning her career as a literary novelist for adults L Engle 1918 2007 continued to write fiction for both young and old long after A Wrinkle in Time In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children s books and the larger Christian community L Engle s books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children s author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways
