## **A Is For Asshole The Grownups Abcs Of Conflict Resolution:**

**Ascent of the A-Word** Geoffrey Nunberg, 2012-08-14 It first surfaced in the gripes of GIs during World War II and was captured early on by the typewriter of a young Norman Mailer Within a generation it had become a basic notion of our everyday moral life replacing older reproaches like lout and heel with a single inclusive category a staple of country outlaw songs Neil Simon plays and Woody Allen movies Feminists made it their stock rebuke for male insensitivity the est movement used it for those who didn't get it and Dirty Harry applied it evenhandedly to both his officious superiors and the punks he manhandled The asshole has become a focus of collective fascination for us just as the phony was for Holden Caulfield and the cad was for Anthony Trollope From Donald Trump to Ann Coulter from Mel Gibson to Anthony Weiner from the reality TV prima donnas to the internet trolls and flamers assholeism has become the characteristic form of modern incivility which implicitly expresses our deepest values about class relationships authenticity and fairness We have conflicting attitudes about the A word when a presidential candidate unwittingly uttered it on a live mic in 2000 it confirmed to some that he was a man of the people and to others that he was a boor But considering how much the word does for us and to us it hasn't gotten nearly the attention it deserves at least until now **The Grownups' ABCs of Conflict Resolution** Victoria

Pynchon, 2013-08-19 **The Grownups ABCs of Conflict Resolution** If you're working with difficult people who aren't or are not getting the results you want in your work or your personal relationships this book on conflict resolution is for you In **The Grownups ABCs of Conflict Resolution** attorney author and mediator Victoria Pynchon describes why conflicts arise what types of people draw conflict to them like a magnet and how to effectively deal with the disputes that dog our days and trouble our sleep at night With clear writing personal stories and humor Pynchon provides valuable information and insight into the way in which we habitually fall into conflict and how we can use it to transform our lives and the lives of those around us This easily understandable book provides practical suggestions for people to use in their day to day lives The cheerful monster illustrations remind us that monsters and conflicts are often of our own creation and can be tamed if only we have the magic words You'll find those transforming and healing words inside Join us Excerpt from Chapter 1 A is for Asshole Thus we learn that an asshole is not necessarily a person or even a behavior No one can be an asshole alone in his room He needs someone to be an asshole to An asshole is a social relationship in crisis An asshole is a dispute
