A JUST AND LASTING PEACE

**A Documentary History
of Reconstruction**

EDITED AND WITH AN INTRODUCTION BY
JOHN DAVID SMITH

A Just And Lasting Peace A Documentary History Of Reconstruction

Eugene DeFriest Bétit

A Just And Lasting Peace A Documentary History Of Reconstruction:

A Just and Lasting Peace John David Smith, 2013 This anthology of primary documents traces Reconstruction in the aftermath of the Civil War chronicling the way Americans Northern Southern black and white responded to the changes unleashed by the surrender at Appomattox and the end of slavery Showcasing an impressive collection of original documents including government publications newspaper articles speeches pamphlets and personal letters this book captures the voices of a broad range of Americans including Civil War veterans former slaveholders Northerners living in the South and African American men and women who lived through one of the most trying complex and misunderstood periods of American history

The Dunning School John David Smith, J. Vincent Lowery, 2013-10-14 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses Abolitionism Richard S. Newman, 2018 A fresh synthesis of the abolitionist movement and ideas in the Anglo American world *Armies of Deliverance* Elizabeth R. Varon, 2019 In *Armies of Deliverance* Elizabeth Varon offers both a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims

Klan War Fergus M. Bordewich, 2025-03-25 A stunning history of the first national anti terrorist campaign waged on American soil when Ulysses S Grant wielded the power of the federal government to dismantle the KKK The Ku Klux Klan which celebrated historian Fergus Bordewich defines as the first organized terrorist movement in American history rose from the ashes of the Civil War At its peak in the early 1870s the Klan boasted many tens of thousands of members no small number of them landowners lawmen doctors journalists and churchmen as well as future governors and congressmen And their mission was to obliterate the muscular democratic power of newly emancipated Black Americans and their white allies often by the most horrifying means imaginable To repel the virulent tidal wave of violence President Ulysses S Grant waged a

two term battle against both armed Southern enemies of Reconstruction and Northern politicians seduced by visions of postwar conciliation testing the limits of the federal government in determining the extent of states rights In this book Bordewich transports us to the front lines in the hamlets of the former Confederate States and in the marble corridors of Congress reviving an unsung generation of grassroots Black leaders and key figures such as crusading Missouri senator Carl Schurz who sacrificed the rights of Black Americans in the name of political reform and the ruthless former slave trader and Klan leader Nathan Bedford Forrest Klan War is a bold and bracing record of America s past that reveals the bloody Reconstruction era roots of present day battles to protect the ballot box and stamp out resurgent white supremacist ideologies

Stony the Road Henry Louis Gates, Jr., 2019-04-02 Stony the Road presents a bracing alternative to Trump era white nationalism In our current politics we recognize African American history the spot under our country s rug where the terrorism and injustices of white supremacy are habitually swept Stony the Road lifts the rug Nell Irvin Painter New York Times Book Review A profound new rendering of the struggle by African Americans for equality after the Civil War and the violent counter revolution that resubjugated them by the bestselling author of The Black Church and The Black Box The abolition of slavery in the aftermath of the Civil War is a familiar story as is the civil rights revolution that transformed the nation after World War II But the century in between remains a mystery if emancipation sparked a new birth of freedom in Lincoln s America why was it necessary to march in Martin Luther King Jr s America In this new book Henry Louis Gates Jr one of our leading chroniclers of the African American experience seeks to answer that question in a history that moves from the Reconstruction Era to the nadir of the African American experience under Jim Crow through to World War I and the Harlem Renaissance Through his close reading of the visual culture of this tragic era Gates reveals the many faces of Jim Crow and how together they reinforced a stark color line between white and black Americans Bringing a lifetime of wisdom to bear as a scholar filmmaker and public intellectual Gates uncovers the roots of structural racism in our own time while showing how African Americans after slavery combatted it by articulating a vision of a New Negro to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age The story Gates tells begins with great hope with the Emancipation Proclamation Union victory and the liberation of nearly 4 million enslaved African Americans Until 1877 the federal government goaded by the activism of Frederick Douglass and many others tried at various turns to sustain their new rights But the terror unleashed by white paramilitary groups in the former Confederacy combined with deteriorating economic conditions and a loss of Northern will restored home rule to the South The retreat from Reconstruction was followed by one of the most violent periods in our history with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation An essential tour through one of America s fundamental historical tragedies Stony the Road is also a story of heroic resistance as figures such as W E B Du Bois and Ida B Wells fought to create a counter narrative and culture inside the lion s mouth As sobering as this tale is it also

has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds

Collective Amnesia: American Apartheid Eugene DeFriest Bétit, 2019-02-14 Collective Amnesia American Apartheid is a comprehensive study of the treatment African Americans have encountered since their arrival in Virginia in 1619 a saga of racism and white supremacy It is actual history not the popular mythology about the Civil War and its aftermath taught in our schools Numerous tables photographs maps and charts make the study easy to read The topic is extremely pertinent due to the four hundredth anniversary of African Americans presence in North America in 2019 and encouragement of racism from the White House Chapters cover white supremacy and racism slavery the service of US Colored Troops in the Civil War devastation of the South evolution of emancipation and Reconstruction and the Freedman s Bureau Other chapters address redemption and the lost cause Jim Crow blacks significant military contributions in the two world wars the Great Migration the civil rights movement and the backlash that continues today The book also addresses contemporary issues including white supremacy Confederate statuary and evaluates the status of blacks compared to other groups in society Note is taken of Professor James Whitman s observation that Hitler admired Jim Crow and antimiscegenation laws as well as Richard Rothstein s study of federal and local housing law documenting whites responsibility for creating inner city ghettos

Thaddeus Stevens Bruce Levine, 2021-03-02 A powerful The Wall Street Journal biography of one of the 19th century s greatest statesmen encompassing his decades long fight against slavery and his postwar struggle to bring racial justice to America Thaddeus Stevens was among the first to see the Civil War as an opportunity for a second American revolution a chance to remake the country as a genuine multiracial democracy As one of the foremost abolitionists in Congress in the years leading up to the war he was a leader of the young Republican Party s radical wing fighting for anti slavery and anti racist policies long before party colleagues like Abraham Lincoln endorsed them These policies including welcoming black men into the Union s armies would prove crucial to the Union war effort During the Reconstruction era that followed Stevens demanded equal civil and political rights for Black Americans rights eventually embodied in the 14th and 15th amendments But while Stevens in many ways pushed his party and America towards equality he also championed ideas too radical for his fellow Congressmen ever to support such as confiscating large slaveholders estates and dividing the land among those who had been enslaved In Thaddeus Stevens acclaimed historian Bruce Levine has written a vital The Guardian compelling James McPherson biography of one of the most visionary statesmen of the 19th century and a forgotten champion for racial justice in America

Liberty and Union Timothy S. Huebner, 2017-04-05 This book is about the relationship between the Civil War generation and the founding generation Timothy S Huebner states at the outset of this ambitious and elegant overview of the Civil War era The book integrates political military and social developments into an epic narrative interwoven with the thread of constitutionalism to show how all Americans engaged the nation s heritage of liberty and constitutional government Whether political leaders or plain folk northerners or southerners Republicans or Democrats black or white most free

Americans in the mid nineteenth century believed in the foundational values articulated in the Declaration of Independence of 1776 and the Constitution of 1787 and this belief consistently animated the nation's political debates. Liberty and Union shows however that different interpretations of these founding documents ultimately drove a deep wedge between North and South leading to the conflict that tested all constitutional faiths. Huebner argues that the resolution of the Civil War was profoundly revolutionary and also inextricably tied to the issues of both slavery and sovereignty. The two great unanswered questions of the Founding era. Drawing on a vast body of scholarship as well as such sources as congressional statutes, political speeches, military records, state supreme court decisions, the proceedings of black conventions and contemporary newspapers and pamphlets, Liberty and Union takes the long view of the Civil War era. It merges Civil War history, US constitutional history and African American history and stretches from the antebellum era through the period of reconstruction, devoting equal attention to the Union and Confederate sides of the conflict. And its in depth exploration of African American participation in a broader culture of constitutionalism redefines our understanding of black activism in the nineteenth century. Altogether this is a masterly far reaching work that reveals as never before the importance and meaning of the Constitution and the law for nineteenth century Americans.

The American Presidents From Polk to Hayes
Robert A. Nowlan, Ph.D., 2016-01-31. American Presidents Polk to Hayes: What They Did, What They Said, What Was Said About Them is the second book in a planned five volume series covering all the Presidents. These 43 men so far have succeeded in some regards and failed in others as they strove to do the best they could in what is surely one of the most difficult jobs in the world. Only they can truly appreciate what it takes to be the president. Others can only speculate. People feel strongly about U.S. Presidents. Some they admire, others they hate. It is fair game to criticize a president's actions and policies. However, questioning their commitment to American ideals seems like hitting below the belt. There are no willing villains. Most people can find justification for their actions, beliefs and prejudices. Each president strove to do the best he could for the nation and its people. This goal of the book is not to praise presidents nor is it to condemn them. The subtitle of each of the five books in the series: What They Did, What They Said, What Was Said About Them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as inform. Readers are asked to make their own judgments of the presidencies based on more information than the semi-myths they may recall. History courses or what is preached in the many longstanding and despicable negative campaigning, mudslinging and character assassination reports they hear from partisans. One can find much to admire about each of the presidents and unfortunately much to deplore. Soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank. If there are presidents, readers just feel they cannot salute; hopefully they can salute the presidency.

Israel and the European Union
Sharon Pardo, Joel Peters, 2012-01-12. Israel's relations with the European Union stretch back to the early days of the European Community and the signing of the Treaty of Rome in 1957. From that point onward, Israel and Europe have developed an

increasingly strong network of political economic scientific and cultural ties These relations have however consisted of a number of conflicting trends Indeed even while the EU has become Israel s most important trading partner the political relationship has been marked by disappointment frustration and at times even anger Israel and the European Union A Documentary History by Sharon Pardo and Joel Peters traces the history of these complex relations by bringing together over two hundred documents in one volume The documents contained in this book are divided into five time periods i 1957 1966 Israel Looks to Europe ii 1967 1979 Between War and Peace iii 1980 1991 From Venice to Madrid iv 1992 2003 From Oslo to Barcelona and v 2004 2011 A Renaissance Cut Short Each section is preceded by a short essay outlining the major themes of Israeli European Relations during those years The authors have not added any commentary to the documents themselves and instead have allowed the documents to speak for themselves The aim of this book is to offer a public record for future researchers and students of the dynamics of European Israeli relations as well as of Europe s relationship with the Middle East over the past fifty years Israel and the European Union is designed to serve as a companion volume to Pardo and Peters Uneasy Neighbors Israel and the European Union Lexington Books 2010 **Untimely Democracy** Gregory

Laski, 2017-09-13 From the abolition era to the Civil Rights movement to the age of Obama the promise of perfectibility and improvement resonates in the story of American democracy But what exactly does racial progress mean and how do we recognize and achieve it Untimely Democracy The Politics of Progress After Slavery uncovers a surprising answer to this question in the writings of American authors and activists both black and white Conventional narratives of democracy stretching from Thomas Jefferson s America to our own posit a purposeful break between past and present as the key to the viability of this political form the only way to ensure its continual development But for Pauline E Hopkins Frederick Douglass Stephen Crane W E B Du Bois Charles W Chesnutt Sutton E Griggs Callie House and the other figures examined in this book the campaign to secure liberty and equality for all citizens proceeds most potently when it refuses the precepts of progressive time Placing these authors post Civil War writings into dialogue with debates about racial optimism and pessimism tracts on progress and accounts of ex slave pension activism and extending their insights into our contemporary period Laski recovers late nineteenth century literature as a vibrant site for doing political theory Untimely Democracy ultimately shows how one of the bleakest periods in American racial history provided fertile terrain for a radical reconstruction of our most fundamental assumptions about this political system Offering resources for moments when the march of progress seems to stutter and even stop this book invites us to reconsider just what democracy can make possible

Find a Way Or Make One Alma J. Carten, 2021 Clark Atlanta University Whitney M Young Jr School of Social Work was founded in 1920 in Atlanta Georgia as the Atlanta School of Social Work to prepare social workers for practice in underserved black neighborhoods Spearheaded by black scholars and progressive whites during an era of racial segregation 2020 marks its centennial as the first accredited social work program at a historically black college and university In this

book social work professor Alma J Carten describes the School's transitions from its beginnings amid the pervasive racism sanctioned by Supreme Court rulings in the Dred Scott and Plessy v Ferguson cases through the decades of 20th century progressive civil rights reforms and into the new conservatism of the 21st century Referencing archival documents Carten illustrates the School's commitment to the democratic principles of the profession despite the blatant racism of the segregated South and the less visible structural inequalities following desegregation from which mainstream social work education was not immune The book describes the influence of iconic thought leaders on the School's culture and academic programs beginning with Jesse O Thomas's speech on the need for a black school of social work given from the segregated section of the 1920 National Conference on Social Work and including W E B DuBois Atlanta University Studies that pioneered the model of social progress powered by science E Franklin Frazier and Forrester B Washington who championed black social work and the integration of race critical content in the curriculum of all schools and Whitney M Young Jr who chastised social workers for their waning interest in advocacy for marginalized populations and encouraged them to become politically active Carten examines the evolution of the School within the context of changes in US social welfare policy CSWE accrediting standards and NASW Code of Ethics Highly readable the book brings to light the under reported contributions of HBCU social work programs to social work education and it thoughtfully engages with the School's efforts to legitimize the Afrocentric perspective and the humanistic values embraced by HBCU social work programs

The American Civil War
Philip D. Dillard, 2022-04-27 The American Civil War A Racial Reckoning provides a concise but comprehensive overview of the American Civil War placing race at the center of the war and Reconstruction experience The book discusses the sectional crisis and the expansion of slavery into new territories as precipitating events that led many Americans to see slavery as the most important issue facing the nation Political developments and the military struggle are addressed in detail as well as the dramatic social and political changes that occurred as slavery and plantation societies crumbled The author addresses the creation of Confederate monuments the denial of the centrality of slavery in the conflict and other efforts to redeem and memorialize the Confederacy as key components of the Lost Cause as well as enduring reminders that the issues of white supremacy and racial inequality have yet to be resolved Placing the Civil War and Reconstruction into the context of the nation's continuing struggle for true equality this text provides students with a thoughtful analysis of the war's long term impacts An array of primary documents supports the text together with a Chronology Glossary and Who's Who guide to key figures This book will be of interest to students of the Civil War and those on more general American history courses

A Documentary History of the United States Richard D. Heffner, Alexander B. Heffner, 2009-10-06 Here in a single volume are the documents speeches and letters that have forged American history accompanied by interpretations of their significance by noted historian and broadcaster Richard D Heffner It includes complete text of the Declaration of Independence the complete Constitution of the United States the Emancipation Proclamation FDR's Four Freedoms Speech John F Kennedy's

Inaugural Address Martin Luther King Jr s I Have a Dream Speech documents relating to September 11 2001 and Barack Obama s Inaugural Address Anarchy and Apocalypse Ronald E. Osborn,2010-06-01 In this wide ranging collection of essays Ronald E Osborn explores the politically subversive and nonviolent anarchist dimensions of Christian discipleship in response to dilemmas of power suffering and war Essays engage texts and thinkers from Homer s Iliad the Hebrew Bible and the New Testament to portraits of Dietrich Bonhoeffer Noam Chomsky and Elie Wiesel This book also analyzes the Allied bombing of civilians in World War II the peculiar contribution of the Seventh day Adventist apocalyptic imagination to Christian social ethics and the role of deceptive language in the Vietnam War From these and other diverse angles Osborn builds the case for a more prophetic witness in the face of the violence of the principalities and powers in the modern world This book will serve as an indispensable primer in the political theology of the Adventist tradition as well as a significant contribution to radical Christian thought in biblical historical and literary perspectives A Documentary History of the United States (11th Edition) Richard D. History of the Communist Party of the United States: The Great Patriotic War, 1941-1945 Bernard K. Johnpoll, 1994
This is the seventh in an eight volume documentary history of the Communist Party of the United States of America. This landmark collection by a noted authority on the American Left is the result of forty years of searching for pamphlets, proclamations, manifestos, party reports and minutes of meetings in bookstores and archives all over the country. Facsimiles of the originals are presented whenever possible. Brief introductions and critical notes and explanations about the documents are provided with each of these rare and hard to find materials. Volume VII begins with a short introduction describing the documentary history and pointing to important sources of information about the Communist Party of the United States. Documents are arranged chronologically and cover the period of World War II and the fight on behalf of Communist principles and the Soviet Union.

Documentary History of the Franklin D. Roosevelt Presidency George T. McJimsey, 2001

The Enigmatic Realm of **A Just And Lasting Peace A Documentary History Of Reconstruction**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. A Just And Lasting Peace A Documentary History Of Reconstruction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A Just And Lasting Peace A Documentary History Of Reconstruction PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A Just And Lasting Peace A Documentary History Of Reconstruction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A Just And Lasting Peace A Documentary History Of Reconstruction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About A Just And Lasting Peace A Documentary History Of Reconstruction Books

1. Where can I buy A Just And Lasting Peace A Documentary History Of Reconstruction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
