Sixties British Cinema Reconsidered Petrie Duncan Petrie, 2020-03-02 This collection of exciting new research on British cinema of the 1960s reconsiders and reframes the film culture that emerged from that tumultuous decade Challenging assumptions around Sixties stardom the book focuses on creative collaboration and the contribution of production personnel beyond the director and discusses how cultural change is reflected in both film style and cinematic

themes With perspectives and insights from established scholars and new critical voices Sixties British Cinema Reconsidered draws on under explored archival resources to explore four key research areas stars and stardom creative collaborations in filmmaking developments in genre and film style and how the cinema of the period both responded and contributed to social and cultural transformation in the 1960s Reading Lessons Carol Atherton,2024-04-04 An English teacher s love letter to reading and the many ways literature can make us and our lives better How can a Victorian poem help teenagers understand YouTube misogyny Can Jane Eyre encourage us to speak out What can Lady Macbeth teach us about empathy Should our expectations for our future be any greater than Pip s And why is it so important to make space for these conversations in the first place In a career spanning almost three decades English teacher Carol Atherton has taught generations of students texts that will be familiar to many of us from our own schooldays But while the staples of exam syllabuses and reading lists remain largely unchanged their significance and their relevance evolves with each class as it encounters them for the first time Each chapter of Reading Lessons invites us to take a fresh look at these novels plays and poems revealing how they have shaped our beliefs our values and how we interact as a society As she recalls her own development as a teacher Atherton emphasizes the vital undervalued role a teacher plays illustrates how essential reading is for developing our empathy and makes a passionate case for the enduring power of literature Atherton must be an inspiring teacher if her marvellous book is anything to go by The Independent Beautifully written sensitive and full of warmth A vital point of reflection for anyone who has taught or been taught English literature Jeffrey Boakye A love letter to literature itself At a time when English is under attack as an academic subject Carol Atherton s powerful defence of it reminds us what we are in danger of losing Robert Douglas Fairhurst author of The Turning Point **Barry Hines** David Forrest,Sue Vice,2017-10-19 Barry Hines s novel A Kestrel for a Knave adapted for the screen as Kes is one of the best known and well loved novels of the post war period while his screenplay for the television drama Threads is central to a Cold War era vision of nuclear attack But Hines published a further eight novels and nine screenplays between the 1960s and 1990s as well as writing eleven other works which remain unpublished and unperformed This study examines the entirety of Hines s work It argues that he used a great variety of aesthetic forms to represent the lives of working class people in Britain during the 1960s 1970s 1980s and into the post industrial conclusion of the twentieth century It also makes the case that as well as his literary flair for poetic realism Hines s authorial contributions to the films of his novels show the profoundly collaborative nature of these works **The Intersection of Class and Space in British Postwar Writing** Simon Lee,2023-01-26 Centering on the British kitchen sink realism movement of the late 1950s and early 1960s specifically its documentation of the built environment s influence on class consciousness this book highlights the settings of a variety of novels plays and films turning to archival research to offer new ways of thinking about how spatial representation in cultural production sustains or intervenes in the process of social stratification As a movement that used gritty documentary style depictions of space to highlight the complexities of working

class life the period's texts chronicled shifts in the social and topographic landscape while advancing new articulations of citizenship in response to the failures of post war reconstruction By exploring the impact of space on class this book addresses the contention that critical discourse has overlooked the way the built environment informs class identity
