A Kitchen In Corfu A Kitchen In Corfu:

A Kitchen in Corfu James Chatto, W. L. Martin, 1998-04-21 In the heart of Corfu away from the tourist beaches old traditions of living and eating still flourish Over the centuries culinary influences from all over the Mediterranean have been absorbed into the classical Greek cuisine and adapted to suit the extraordinary variety of produce that comes from this beautiful and very fertile island The result is a style of cooking unique in the world For many years James Chatto and his wife Wendy Martin made their home in the remote village of Loutsas an olive farming community in the north east of Corfu During their first winter when the tourists had left and the shops and restaurants of the coastal resorts closed they learned that there was more to Corfiot cooking than they ever imagined The Lousiotes take a keen interest in food and were willing teachers Cooking from memory measuring the ingredients by eye and correcting the seasoning by frequent tasting they have preserved their recipes without ever writing them down The island provides abundant produce olives vegetables fruit meat cheese and wine a wide variety of fish and shellfish from the sea and from the hills herbs horta or wild greens game nuts and wild fruits The pace of life is unchanging the rhythm of work and daily fare determined by the seasonal cycle Many of the dishes prepared are linked with the festivals of the Christian calendar such as Lenten pilaf Easter biscuits Paschal lamb and the vasilopitta of New Year A sociable people the Corfiots love to enjoy food and wine in good company at home or at the taverna In this delightful book James Chatto and W L Martin set down the recipes they have collected describe the growing gathering and preparation of food record the daily round of their friends and neighbors and enjoy the life of a rural village in Corfu **Kitchen in Corfu** James Chatto, 2012-04 **Prospero's Kitchen** Diana Farr Louis, June Marinos, 2000-10-01

My VENICE Barbara Athanassiadis, 2014-08-12 ABOUT THE BOOK MY VENICE An intimate look at the Myth History and the magic of its Arts I liked the way the city had attracted my attention But in order to discover it I asked it to stop hiding behind its masks I wanted it real To allow me to discover its secrets understand its problems and hold a direct conversation with it And it was promised to me and all disguises were thrown off as our conversation began A trip through time myth History the magic of Art and life is what Barbara Athanassiadis manages to achieve with the discerning eye of an experienced traveller It is the same eye that captured reflections of Italy in her earlier narratives the books A Year in Tuscany and Feeling Rome My Venice is the final book left to complete her unique literary trilogy that approaches time place and people both in the past and in the present Without directing our steps the author transports us through the canals the narrow streets and the squares of Venice and she focuses our attention on works of Nature and Art drawing on legends and historical omissions The Winged Lion leisurely embraces the shoulders of our romantic heroine and the Seagull's Flight even reaches the Empress Sissy in Venice The Tiny Murano Spheres roll down and stop before The Fork of the Byzantine Princess Torcello flirts with the Venetian Women in the Harem The eBook is illustrated with colourful photos Watch the YouTube book trailer video My VENICE https://www.youtube.com/playlist?list=PLrbC_aJ_0WKv8tN0RuB2YvMtqV_lg7N9X BOOK REVIEWS Barbara

must have been very much in love with Venice because I know that for many years she has desired to write this book She visited the city many times in the fall and stayed for long periods in order to internalize all that she describes expertly afterwards providing the reader with her interesting reflections on the streets the innumerable bridges and the countless churches but also a wonderful lesson in History and an eye catching look at its mysterious and sensual Art We all know what Venice is for art lovers Reading her book it is obvious that she had an exclusive dialogue with the Serenissima in order for its magic to penetrate inside her and then to be able to narrate her intimate relationship within this dreamy city I particularly liked the point when she asked Venice not to hide behind its masks but to throw aside its touristic veils and be revealed to her without any secrets Lydia Mastronikolis President of the Friends of the Cultural Association Hellenic World Attentive to the Venetian glances of Barbara Athanassiadis book I realized an emotional escalation as the author is quite literal with her title MY VENICE This is indeed her own Venice with the meaning not so much of her subjective glance or the focus on what selectively charms her but in the particular way she sees things looking towards the view of many sights and not really seeing them She wanders amongst her favorite places and drags my gaze to colors and sensations without guiding it Just as charmingly she approximates aspects of everyday life in her extra literary life calmly with a nonchalance and always with a smile Just as spontaneously and naturally she unfolds the myth in which she dresses her wanderings Motives thoughts quests reactions of her heroes occur nearly as obviously By reading her book we follow the confessional narration of a friend where the intimacy of her voice is entrusted to our ears Helen Kritika Book Critic Through the narration of Barbara Athanassiadis I discovered in fact that Venice is inside her hence the title MY VENICE While our friendship has bonded us for years I was truly touched by her book It s as if she has taken me by the hand and together we stroll this fairytale town either when the fog envelops it or when the pink color of its sunset embraces it Barbara s spontaneous and mature descriptions have spurred my curiosity to such an extent that I feel a strong desire to actually go to Venice and see the places that have inspired her I consider myself lucky when I fall upon such a book The narrative makes me travel and look at places I have heard about countless times in a fresh and novel way all while I sit comfortably in my armchair Zoe Kyriakou Radio Producer Easy 97 2 Athens Greece
