good news is that connectedness is not based on similarity but on shared experiences. When one person invites another to share an experience they re connected It can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so much that he sent his son to live as a human being God took on flesh and shared every human experience So we don't have to wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn t have to be a clich it can be a daily way of life The Works of Lord Byron.
