the Blood A Family Narrative traces Linda Tate's journey to rediscover the Cherokee Appalachian branch of her family and provides an unflinching examination of the poverty discrimination and family violence that marked their lives. In her search for the truth of her own past, Tate scoured archives, libraries, and courthouses throughout Kentucky, Tennessee, Alabama, Illinois, and Missouri; visited numerous cemeteries and combed through census records, marriage records, court cases, local histories, old maps, and photographs. As she began to locate distant relatives, fifth, sixth, seventh cousins, all descended from her great great-grandmother, Louisiana, they gathered in kitchens and living rooms, held family reunions, and swapped stories. A past that had long been buried slowly came to light as family members shared the pieces of the family's tale that had been passed along to them. *Power in the Blood* is a dramatic family history that reads like a novel, as Tate's compelling narrative reveals one mystery after another. Innovative and groundbreaking in its approach to research and storytelling, *Power in the Blood* shows that exploring a family story can enhance understanding of history, life, and culture, and that honest examination of the past can lead to healing and liberation in the present.

*The Waiting Place* Eileen Button, 2011-06-06 Some of the most priceless gifts can be discovered while waiting for something else. We all spend precious time just waiting. We wait in traffic, grocery store lines, and carpool circles. We wait to grow up, for true love, and for our children to be born. We even wait to die. But while we work hard at this business of living, life can sometimes feel like one long boring meeting. Even today, with instant gratification at our techno-laced fingertips, we can't escape the waiting place. Somehow, in between our texting and tweeting and living and dying, we end up there again and again. In the voice of an old friend or a wise cracking sister, Eileen Button takes us back to the days of curling irons and camping trips, first loves and final goodbyes, big dreams and bigger reality checks. With heart-breaking candor, she calls us to celebrate the tension between what we hope for tomorrow and what we live with today. Chock full of humor and poignant insights, these stories will make you laugh and cry. They'll challenge you to enjoy or at least endure the now. As Eileen has learned, To wait is human. To find life in the waiting place, divine. Come discover miracles in the mundane. Come celebrate life in *The Waiting Place*.

*The Windsor Magazine*, 1897 *Girls in Bookland* Hildegard Hawthorne, 2021-08-30 Two young sisters, Ruth and Rose, are bored. Outside, there is a huge blizzard, and they are unable to go out and play. They live in a farmhouse in Wyoming, and their closest neighbour is miles away. Winters are tough. The two girls meet Honeysuckle, an invisible fairy who tells them about Magic Gate. It is a way for the two children to visit their favourite book characters for a short time. Perfect way to stave off boredom in such a long winter. They quickly find themselves immersed in the books, meeting all sorts of intriguing book characters, such as the March sisters from *Little Women*, Sappho, the Greek poet from Lesbos, Robin Hood, and Maid Marian, Rob Roy, Merlin the magician, and so many more.
