A Life In The Struggle Ivory Perry And The Culture Of Opposition:

A Life in the Struggle George Lipsitz, 1988 This book tells the story of Ivory Perry a black worker and community activist who for more than thirty years has distributed the leaflets carried the picket signs and planned and participated in the confrontations that were essential to the success of protest movements Using oral histories and extensive archival research George Lipsitz examines the culture of opposition through the events of Perry's life of commitment and illumines the social and political changes and conflicts that have convulsed the United States during the past fifty years *Minority Status, Oppositional Culture, & Schooling* John U. Ogbu, 2008-06-30 This book is the definitive and final presentation of John Ogbu's cultural ecological model and the many debates that his work has sparked during the past decade Organized as a dialogue between John Ogbu and the scholarly community *Minority Status Oppositional Culture and Schooling* is essential reading for anyone interested in the study of the academic achievement gap *The Possessive Investment in Whiteness* George Lipsitz, 2006-03-10 In this unflinching look at white supremacy George Lipsitz argues that racism is a matter of interests as well as attitudes a problem of property as well as pigment Above and beyond personal prejudice whiteness is a structured advantage that produces unfair gains and unearned rewards for whites while imposing impediments to asset accumulation employment housing and health care for minorities Reaching beyond the black white binary Lipsitz shows how whiteness works in respect to Asian Americans Latinos and Native Americans Lipsitz delineates the weaknesses embedded in civil rights laws the racial dimensions of economic restructuring and deindustrialization and the effects of environmental racism job discrimination and school segregation He also analyzes the centrality of whiteness to U S culture and perhaps most importantly he identifies the sustained and perceptive critique of white privilege embedded in the radical black tradition This revised and expanded edition also includes an essay about the impact of Hurricane Katrina on working class Blacks in New Orleans whose perpetual struggle for dignity and self determination has been obscured by the city's image as a tourist party town *The St. Louis Veiled Prophet Celebration* Thomas M. Spencer, 2000-04-11 The Veiled Prophet organization has been a vital institution in St Louis for more than a century Founded in March 1878 by a group of prominent St Louis businessmen the organization was fashioned after the New Orleans Carnival society the Mystick Krewe of Comus In *The St Louis Veiled Prophet Celebration* Thomas Spencer explores the social and cultural functions of the organization's annual celebration the Veiled Prophet parade and ball and traces the shifts that occurred over the years in its cultural meaning and importance Although scholars have researched the more pluralistic parades of the eighteenth and early nineteenth centuries very little has been done to examine the elite dominated parades of the late nineteenth and twentieth centuries This study shows how pluralistic parades ceased to exist in St Louis and why the upper echelon felt it was so important to end them Spencer shows that the celebration originated as the business elite's response to the St Louis general strike of 1877 Symbolically gaining control of the streets the elites presented St Louis history and American history by tracing the triumphs of great men men

who happened to be the Veiled Prophet members ancestors The parade therefore was intended to awe the masses toward passivity with its symbolic show of power The members believed that they were helping to boost St Louis economically and culturally by enticing visitors from the surrounding communities They also felt that the parades provided the spectators with advice on morals and social issues and distracted them from less desirable behavior like drinking and carousing From 1900 to 1965 the celebration continued to include educational and historical elements thereafter it began to resemble the commercialized leisure that was increasingly becoming a part of everyday life The biggest change occurred in the period from 1965 to 1980 when the protests of civil rights groups led many St Louisans to view the parade and ball as wasteful conspicuous consumption that was often subsidized with taxpayers money With membership dropping and the news media giving the organization little notice it soon began to wither In response the leaders of the Veiled Prophet organization decided to have a VP Fair over the Fourth of July weekend The 1990s brought even more changes and the members began to view the celebration as a way to unite the St Louis community with all of its diversity rather than as a chance to boost the city or teach cultural values The St Louis Veiled Prophet Celebration is a valuable addition not only to the cultural history of Missouri and St Louis but also to recent scholarship on urban culture city politics and the history of public celebrations in America Pages from a Black Radical's Notebook James Boggs, 2011 Stephen M Ward is assistant professor at the University of Michigan in the Center for Afroamerican and African Studies and the Residential College Book Jacket

Radical History Review: Volume 52 Barbara Smith, 1992-11-12 This is volume 52 of the Radical History Review series It deals specifically with new directions in gender history and the history of sexuality **Imperial Citizens** Nadia Y. Kim, 2008 Examines how immigrants acquire American ideas about race both pre and post migration in light of U S military presence and U S cultural dominance over their home country drawing on interviews and ethnographic observations of Koreans in Seoul and Los Angeles **What a Woman Ought to Be and to Do** Stephanie J. Shaw, 2010-01-15 Stephanie J Shaw takes us into the inner world of American black professional women during the Jim Crow era This is a story of struggle and empowerment of the strength of a group of women who worked against daunting odds to improve the world for themselves and their people Shaw s remarkable research into the lives of social workers librarians nurses and teachers from the 1870s through the 1950s allows us to hear these women s voices for the first time The women tell us in their own words about their families their values their expectations We learn of the forces and factors that made them exceptional and of the choices and commitments that made them leaders in their communities What a Woman Ought to Be and to Do brings to life a world in which African American families communities and schools worked to encourage the self confidence individual initiative and social responsibility of girls Shaw shows us how in a society that denied black women full professional status these girls embraced and in turn defined an ideal of socially responsible individualism that balanced private and public sphere responsibilities A collective portrait of character shaped in the toughest circumstances this book is more than a study

of the socialization of these women as children and the organization of their work as adults It is also a study of leadership of how African American communities gave their daughters the power to succeed in and change a hostile world **Lynching**

Reconsidered William D. Carrigan, 2014-02-04 The history of lynching and mob violence has become a subject of considerable scholarly and public interest in recent years Popular works by James Allen Philip Dray and Leon Litwack have stimulated new interest in the subject A generation of new scholars sparked by these works and earlier monographs are in the process of both enriching and challenging the traditional narrative of lynching in the United States This volume contains essays by ten scholars at the forefront of the movement to broaden and deepen our understanding of mob violence in the United States These essays range from the Reconstruction to World War Two analyze lynching in multiple regions of the United States and employ a wide range of methodological approaches The authors explore neglected topics such as lynching in the Mid Atlantic lynching in Wisconsin lynching photography mob violence against southern white women black lynch mobs grassroots resistance to racial violence by African Americans nineteenth century white southerners who opposed lynching and the creation of lynching narratives by southern white newspapers This book was first published as a special issue of American Nineteenth Century History **Incarcerating the Crisis** Jordan T. Camp, 2016-04-18 The United States

currently has the largest prison population on the planet Over the last four decades structural unemployment concentrated urban poverty and mass homelessness have also become permanent features of the political economy These developments are without historical precedent but not without historical explanation In this searing critique Jordan T Camp traces the rise of the neoliberal carceral state through a series of turning points in U S history including the Watts insurrection in 1965 the Detroit rebellion in 1967 the Attica uprising in 1971 the Los Angeles revolt in 1992 and events in post Katrina New Orleans in 2005 Incarcerating the Crisis argues that these dramatic events coincided with the emergence of neoliberal capitalism and the state s attempts to crush radical social movements Through an examination of the poetic visions of social movements including those by James Baldwin Marvin Gaye June Jordan Jos Ram rez and Sunni Patterson it also suggests that alternative outcomes have been and continue to be possible The Poverty of the Ethnography of Poverty Loïc Wacquant, 2025-07-02 In

The Poverty of the Ethnography of Poverty Loïc Wacquant dissects how sociologists who carry out field studies of the poor write about race class and morality in the city s underbelly the blinders and biases that affect their research and how to overcome them and how to become aware of these biases and develop a better meshing of theory and research The Black Arts Movement James Smethurst, 2006-03-13 Emerging from a matrix of Old Left black nationalist and bohemian ideologies and institutions African American artists and intellectuals in the 1960s coalesced to form the Black Arts Movement the cultural wing of the Black Power Movement In this comprehensive analysis James Smethurst examines the formation of the Black Arts Movement and demonstrates how it deeply influenced the production and reception of literature and art in the United States through its negotiations of the ideological climate of the Cold War decolonization and the civil rights movement

Taking a regional approach Smethurst examines local expressions of the nascent Black Arts Movement a movement distinctive in its geographical reach and diversity while always keeping the frame of the larger movement in view The Black Arts Movement he argues fundamentally changed American attitudes about the relationship between popular culture and high art and dramatically transformed the landscape of public funding for the arts **Oral History and Public Memories**

Paula Hamilton,Linda Shopes,2009-08-21 Understanding how individual perspectives on history build collective memory

Perilous Memories Takashi Fujitani,Geoffrey M. White,Lisa Yoneyama,2001-06-21 A rethinking of the differing national memories of the Second World War in the Pacific in light of recent theories of nationalism imperialism and colonialism

Immigrant Acts Lisa Lowe,1996 Argues that understanding Asian immigration to the United States is fundamental to understanding the racialized economic and political foundations of the nation Lowe discusses the contradictions whereby Asians have been included in the workplaces and markets of the U S nation state yet through exclusion laws and bars from citizenship have been distanced from the terrain of national culture In this uniquely interdisciplinary study Lowe examines the historical political cultural and aesthetic meanings of immigration in relation to Asian Americans back cover *The Ethnography of Reading* Jonathan Boyarin,2023-09-01 Writing the subject of much innovative scholarship in recent years is only half of what we call literacy The other half reading now finally receives its due in these groundbreaking essays by a distinguished group of anthropologists and literary scholars The essays move well beyond the simple rubric of literacy in its traditional sense of evolutionary advancement from oral to written communication Some investigate reading in exotically cross cultural contexts Some analyze the long historical transformation of reading in the West from a collective oral practice to the private silent one it is today while others demonstrate that in certain Western contexts reading is still very much a social activity The reading situations described here range from Anglo Saxon England to contemporary Indonesia from ancient Israel to a Kashaya Pomo Indian reservation Filled with insights that erase the line between orality and textuality this collection will attract a broad readership in anthropology literature history and philosophy as well as in religious gender and cultural studies Writing the subject of much innovative scholarship in recent years is only half of what we call literacy The other half reading now finally receives its due in these groundbreaking essays by a distinguished group of anthropologists and literary scholars *Archie Green* Sean Burns,2011-11-01 Archie Green The Making of a Working Class Hero celebrates one of the most revered folklorists and labor historians of the twentieth century Devoted to understanding the diverse cultural customs of working people Archie Green 1917 2009 tirelessly documented these traditions and educated the public about the place of workers culture and music in American life Doggedly lobbying Congress for support of the American Folklife Preservation Act of 1976 Green helped establish the American Folklife Center at the Library of Congress a significant collection of images recordings and written accounts that preserve the myriad cultural productions of Americans Capturing the many dimensions of Green s remarkably influential life and work Sean Burns draws on extensive interviews with Green

and his many collaborators to examine the intersections of radicalism folklore labor history and worker culture with Green s work Burns closely analyzes Green s political genealogy and activist trajectory while illustrating how he worked to open up an independent political space on the American Left that was defined by an unwavering commitment to cultural pluralism

Uneven Encounters Micol Seigel,2009-03-18 This chronicle of the exchange of popular culture between Brazil and the United States in the interwar years shows how that exchange affected both countries ideas of race and nation **Sports Matters** John Bloom,Michael Willard,2002-09 Sports Matters brings critical attention to the centrality of race within the politics and pleasures of the massive sports culture that developed in the U S during the past century and a half *Polluted Promises* Melissa Checker,2005-08 U S intervention in the Philippines began with the little known 1899 Philippine American War Using the war as its departure point in analyzing U S Philippine relations Vestiges of War retrieves this willfully forgotten event and places it where it properly belongs as the catalyst that led to increasing U S interventionism and expansionism in the Asia Pacific region This seminal multidisciplinary anthology examines the official American nationalist story of benevolent assimilation and fraternal tutelage in its half century of colonial occupation of the Philippines Integrating critical and visual art essays archival and contemporary photographs dramatic plays and poetry to address the complex Philippine and U S perspectives and experiences the essayists compellingly recount the consequences of American colonialism in the Philippines Vestiges of War will force readers to reshape their views on what has been a deliberately obscure but significant phase in the histories of both countries one which continues to haunt the present Contributors Genara Banzon Santiago Bose Ben Cabrera Renato Constantino Doreen Fernandez Eric Gamalinda Guillermo Gomez Pena Jessica Hagedorn Reynaldo Ileto Yong Soon Min Manuel Ocampo Paul Pfeiffer Christina Quisumbing Vicente Rafael Daniel Boone Schirmer Kidlat Tahimik Mark Twain and Jim Zwick

A Life In The Struggle Ivory Perry And The Culture Of Opposition Book Review: Unveiling the Power of Words
