A Lovers Quarrel With The World

John H. Leith

A Lovers Quarrel With The World:

A Lover's Quarrel Joe R. Jones, 2014-01-07 Joe Jones a retired and well known systematic theologian confesses he has a lover's quarrel with the church In wide ranging writings mostly dating since 2006 he forthrightly argues for a theologically sound understanding of the church And he pursues a multi faceted critique of the feckless ways in which actual churches ministers and laity balk and betray their rightful calling to witness in word and deed to God He is especially critical of the practical ways in which congregations become no more than mirror images of their sociopolitical milieu whether to the right or to the left Hence the quarrel trenchantly pursued in major essays blogs and spiritual reflections on his own past But it remains crystal clear to Jones in his learned and profound confession that it is his beloved church with which he quarrels and about which he still has extravagant hopes *A Lover's Quarrel* is a book appropriate for ministers and laity students and professors and learned skeptics

A Lover's Quarrel Carmine Starnino, 2004 Already an award winning poet Carmine Starnino has also made his mark as a literary critic of great pluck probity and irreverence His highly regarded often highly controversial writings on poetry have enlivened and often enraged the Canadian literary scene since they first began appearing in the late 1990s He has tackled the careers of some of this country's most notable poets among them Irving Layton Michael Ondaatje Anne Carson Tim Lilburn Susan Musgrave Christopher Dewdney and done so in prose of great subtlety and style Indeed in Starnino's literary criticism seditiousness and insight are made to live inside sentences that always square their shoulders and draw themselves to their full verbal height *A Lover's Quarrel* culls some of the highlights of Starnino's dissenting exploits and includes the never before published title essay an ambitious reassessment of Canadian poetry For readers unfamiliar with Starnino's criticism the release of *A Lover's Quarrel* furnishes the perfect opportunity to read one of the few critics in Canada who can speak his mind and speak it well

The Intimate Way of Zen James Ishmael Ford, 2024-07-23 An intimate mystery encompasses you and tugs upon your heart what does it mean to follow that tug across the arc of a spiritual life Reflecting out of more than fifty years of practice in Zen Buddhism Unitarian Universalism and other contemplative traditions James

Ishmael Ford invites us into a journey through life's mysteries and the stages of spiritual development. Lightly structured by the archetypal Buddhist oxherding images, Ford's exploration is rooted in the Zen way while being deeply enriched by various strains of world mysticism. The book, sprinkled with insights and quotes from Buddhist, Daoist, and Christian traditions, serves as a map and a companion to spiritual seekers or pilgrims, whether within one religious tradition or cobbling together a way of one's own. Here is the most natural of all natural experiences, writes Ford. In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way. A Complicated Love Story V. George

Shillington, 2019-10-14 The Fourth Gospel, otherwise known as the gospel of the beloved disciple of Jesus, has captivated the imagination of myriads of people worldwide. Echoing one of its major themes, namely water, this gospel has been described as one in which a child can wade and an elephant can swim. Of the four gospels in the New Testament, this one stands out from the other three at several levels. In the Fourth Gospel, the extraordinary acts of Jesus are labeled consistently as signs, not miracles. In the second major part, however, the signs give way to reality, found uniquely in the life and death of Jesus on behalf of benighted humanity. He is the true light that enlightens every one and every thing. There are no parables in the Fourth Gospel. A parable is something that is literally thrown alongside the ordinary world of the day. The Fourth Evangelist focuses on truth, one of its major themes. There are puzzling pieces mixed in with the good news, which serves to make this gospel captivating to the reader. Through all of the complex twists and turns in this gospel, the theme of love shines forth brilliantly, especially so in the second half. A New Church for a New World John M. Buchanan, 2008-01-01

In this book, pastor and distinguished church leader John Buchanan reviews the history of the Christian community, examines the realities of the church worldwide, and looks forward to the future where a new church may be needed to meet the challenges of a new world. Buchanan describes changes impacting the church and invites Christians to be hopeful and look for signs of what God might be calling the church to be. A New Church for a New World is insightful, informative, and ideal for individual or group study. The Foundations of Christian Faith series enables readers to learn about contemporary theology in ways that are clear, enjoyable, and meaningful. It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions.

Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith. The Oxford Dictionary of Quotations Elizabeth M.
