Memoirs of a Friend of God Donald Nason, 2024-05-09 I wrote this book to show people God is not about religion He is

about relationship As I wrote I asked Him to inspire me to remember the significance of our walk together so to help people find that relationship and encourage my fellow believers I do not claim to be a theologian I am just a country boy called by God into ministry He has carried me throughout my life providing rescue needed help and sustaining me through beautiful Spring days as well as the ferocious storms that came my way God has helped me write this book for two major reasons First to supply enough evidence for anyone seeking to know God the significance of His Spirit providing the abundant Life I believe that life is available to everyone in God s family My second reason is to encourage believers by showing them how God has sustained me through every day of my life This is how that life works for me It is not about Riches Status or Fame The Abundant Life is being available to God and seeing Him at work in our lives When I realize God has accomplished something totally beyond my capability knowing it has to be Him that is the Abundant Life I can tell you firsthand that gives me an anointing of joy from His Spirit that is far beyond anything the world has to offer **Memoirs of a Shape-Shifter**
