A Season Of Night New Orleans Life After Katrina:

A Season of Night Ian McNulty, 2009-10-20 For many months after Hurricane Katrina life in New Orleans meant negotiating streets strewn with debris and patrolled by the United States Army Most of the city was without power Empty and ruined houses businesses schools and churches stretched for miles through once thriving neighborhoods Almost immediately however the hard New Orleanians began a homeward journey A travelogue through this surreal landscape *A Season of Night New Orleans Life after Katrina* offers a deeply intimate firsthand account of that homecoming After the floodwaters drained author Ian McNulty returned to live on the second floor of his wrecked house without electricity or neighbors For months his sanity was writing this book on a laptop by candlelight By turns haunting inspiring and darkly comic this memoir offers a behind the headlines story of resilience and renewal From bittersweet camaraderie in the wreckage to depression and violent rampages in the lawless night to the first flickers of cultural revival and the explosive joy of a post Katrina Mardi Gras *A Season of Night* delivers an unprecedented tale from the wounded but always enthralling Crescent City Learn more about the book and its author at <http://www.seasonofnight.com>

Coming Home to New Orleans Karl F. Seidman, 2013-04-25 *Coming Home to New Orleans* documents grassroots rebuilding efforts in New Orleans neighborhoods after hurricane Katrina and draws lessons on their contribution to the post disaster recovery of cities The book begins with two chapters that address Katrina's impact and the planning and public sector recovery policies that set the context for neighborhood recovery Rebuilding narratives for six New Orleans neighborhoods are then presented and analyzed In the heavily flooded Broadmoor and Village de L Est neighborhoods residents coalesced around communitywide initiatives one through a neighborhood association and the second under church leadership to help homeowners return and restore housing get key public facilities and businesses rebuilt and create new community based organizations and civic capacity A comparison of four adjacent neighborhoods in the center of the city show how differing socioeconomic conditions geography government policies and neighborhood capacity created varied recovery trajectories The concluding chapter argues that grassroots and neighborhood scale initiatives can make important contributions to city recovery in four areas repopulation restoring complete neighborhoods with key services and amenities rebuilding parts of the small business economy and enhancing recovery capacity It also calls for more balanced investments and policies to rebuild rental and owner occupied housing and more deliberate collaboration with community based organizations to undertake and implement recovery plans and proposes changes to federal disaster recovery policies and programs to leverage the contribution of grassroots rebuilding and more support for city recovery

Christmas in New Orleans Laborde, Peggy Scott, From the festivities of yesteryear revolving around religion and faith to today's events such as City Park's Celebration in the Oaks New Orleanians observe Christmas with inimitable style Late night feasts or *r* veillions and rare occurrences of a winter white Christmas are just a couple of nostalgic moments readers may stumble upon while perusing the pictures and warm

recollections of notable locals including Irma Thomas Anne Rice and Deacon John Moore In a celebration that has become as unique as the city itself the images of a Christmas in New Orleans are classic and unforgettable Descriptions of merriment dating from the 1800s to post Katrina delicious recipes from Chef John Besh bonfires along the levees and the seasonal melodies of a city world renowned for its music are presented in this brilliant volume inside cover

Culture after the Hurricanes M. B. Hackler, 2011-04-29 Contributions by Jay D Edwards Keagan LeJeune Benjamin Morris Jeffrey Schwartz Peter G Stillman Adelaide H Villmoare and W D Wilkerson Rebuilding in Louisiana and Mississippi after Hurricanes Katrina and Rita presented some very thorny issues Certain cultural projects benefited from immediate attention and funding while others with equal cases for assistance but with less attraction to future tourist dollars languished New Orleans and its surroundings contain a diverse mixture of Native Americans African Americans Creoles Cajuns Isle os with roots in the Canary Islands and the descendants of Italian Irish English Croatian and German immigrants among others Since 2005 much is now different for the people of the Gulf Coast and much more stands to change as governments national and international nonprofit organizations churches and community groups determine how and even where life will continue This collection elucidates how this process occurs and seeks to understand the cultures that may be saved through assistance or may be allowed to fade away through neglect Essays in Culture after the Hurricanes examine the ways in which a wide variety of stakeholders community activists elected officials artists and policy administrators describe quantify and understand the unique assets of the region Contributors question the process of cultural planning by analyzing the language employed in decision making They attempt to navigate between rhetoric and the actual experience of ordinary citizens examining the long term implications for those who call the Gulf Coast home

Urban Social Geography Paul Knox, Steven Pinch, 2014-09-15 The 6th edition of this highly respected text builds upon the successful structure engaging writing style and clear presentation of previous editions Examining urban social geography from a theoretical and historical perspective it also explores how it has developed into the modern day Taking account of recent critical work whilst simultaneously presenting well established approaches to the subject it ensures students are well informed about all the issues The result is a topical book that is clear and accessible for students

Captive City Jennie Lightweis-Goff, 2024-12-10 Explores the legacies of slavery in Southern cities along the Gulf and Atlantic coasts Cities are fraught sites in the national imagination turned into identity markers when urban and rural indicate tastes rather than places Cities bring chaos draining the lifeblood of the nation like a tick draws blood from its host to paraphrase Thomas Jefferson s anti urban polemics which might have been written during any election year centuries or months ago Racism and anti urbanism were born conjoined during the Revolution Like their Atlantic coastal counterparts in the US North Southern cities similarly polyglot and cosmopolitan resist the dominant mutually inclusive prejudices of the nation that fails to contain them on its eroding flooding coasts Captive City explores the paths of slavery in coastal cities arguing that captivity haunts the hospitality cultures of Charleston New Orleans

Savannah and Baltimore It is not a history of urban slavery but a literary reflection that argues for coastal cities as a distinct region that scrambles time resisting the post in postindustrial and the neo in neoliberalism Jennie Lightweis Goff offers a cultural exploration bound by American literature especially life writing by the enslaved as well as compelling reassessments of works by canonical writers such as Frederick Douglass Harriet Jacobs and Hector St John de Crevecoeur Lightweis Goff reveals how the preserved yet fragile landscapes of these cities are haunted not simply by the ghost tours that are signature stops for travelers in their historic districts but by the echoes of slavery in their economies and built environments Rice and Beans Richard Wilk, Livia Barbosa, 2013-05-09 Rice and Beans is a book about the paradox of local and global On the one hand this is a globe spanning dish a simple source of complete nutrition for billions of people in hundreds of countries On the other hand in every place people insist that rice and beans is a local invention deeply rooted in a particular history and culture How can something so universal also be so particular The authors of this book explore the specific history of the versions of rice and beans beloved and indigenous in cultures from Brazil to West Africa But they also plumb the shared African Native American and European trans Atlantic encounters and exchanges and the contemporary forces of globalization and nation building which combine to make rice and beans a powerful substance and symbol of the relationship between food and culture **The Booklover's Guide to New Orleans** Susan Larson, 2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn't complete without whiling away the hours in an antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy's Moviegoer begin to resonate Susan Larson's revised and updated edition of The Booklover's Guide to New Orleans not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the Crescent City a literary destination **The Southern Register**, 2008 **American Comeback** Jim Bickford, 2013-05 **Popular Memories** Ekaterina V. Haskins, 2015-03-11 A critical exploration of the ways public participation has transformed commemoration and civic engagement in the United States In the last three decades ordinary Americans launched numerous grassroots commemorations and official historical institutions became more open to popular participation In this first book length study of participatory memory practices Ekaterina V Haskins critically examines this trend by asking how and with what consequences participatory forms of commemoration have reshaped the rhetoric of democratic citizenship Approaching commemorations as both representations of civic identity and politically consequential sites of stranger interaction Popular Memories investigates four distinct examples of participatory commemoration the

United States Postal Service's Celebrate the Century stamp and education program the September 11 Digital Archive the first post Katrina Carnival in New Orleans and a traveling memorial to the human cost of the Iraq War Despite differences in sponsorship genre historical scope and political purpose all of these commemorations relied on voluntary participation of ordinary citizens in selecting producing or performing interpretations of distant or recent historical events These collectively produced interpretations or popular memories in turn prompted interactions between people inviting them to celebrate to mourn or to bear witness The book's comparison of the four case studies suggests that popular memories make for stronger or weaker sites of civic engagement depending on whether or not they allow for public affirmation of the individual citizen's contribution and for experiencing alternative identities and perspectives By systematically accounting for grassroots memory practices consumerism tourism and rituals of popular identity Haskins's study enriches our understanding of contemporary memory culture and citizenship
