A Surge Of Language Teaching Poetry Day By Day:

A Surge of Language Baron Wormser, David Cappella, 2004 Poetry is part of the 7-12 English curriculum but many students and teachers too are afraid of it. They think of poetry as esoteric, insular, even elitist. Baron Wormser and David Cappella prove otherwise. Poetry is in fact the lifeblood of language. It incorporates all aspects of the language arts. It deserves to be at the center of the English curriculum. And it can and should be taught daily. The authors show why and how. Their book takes the form of a fictional teacher's journal entries on his daily teaching of the reading and writing of poetry. His recurrent theme for appreciating poetry is to slow down, pay attention; there is much to be gained from this. And he demonstrates that truth. He looks at language closely: how the poet uses language, revises, edits, and assesses how potent language really is; how the fewest words can achieve the greatest impact. What's more, he highlights within the text major ideas for teaching and provides other teacher-friendly formats and information, including lists that detail practical exercises and strategies, full-length poems, anthologies for teacher reference. Plus the table of contents functions as a calendar of daily topics, making quick work of planning or honing in on areas of particular interest. *A Surge of Language* is the perfect antidote to pressure and stress. And it's a richer, more rewarding alternative to the lists of objectives that now comprise teaching. Both thoughtful and practical, it will inspire and guide teachers in their efforts to put some reflective practice back into their curriculums and classrooms. And it will get them to think in poetry too.

Ezra's Book Justin Kishbaugh, Catherine E. Paul, 2019-06-21 On the afternoon of June 23, 2017, the attendees of the twenty-seventh biannual Ezra Pound International Conference held in Philadelphia, Pennsylvania, USA, gathered to listen to poets present original work influenced by the life and work of Ezra Pound. With a title playing on the small book of poems Pound produced for fellow poet Hilda Doolittle (H.D.), while the two were still young, this volume offers a selection of poems from that reading together with images evoking other conference events and the excursions to sites important to Pound. H.D., Marianne Moore, and William Carlos Williams, the Philadelphia Geniuses of the conference, are the theme. The poems and images herein help to keep the reading and the conference alive, present, and immediate for our readers. The collection includes poems by Charles Bernstein, Eloisa Bressan, Andrei Bronnikov, David Cappella, Silvia Falsaperla, J. Rhett Forman, John Gery, Jeff Grieneisen, Thomas Heffernan, Rodolfo Brandão de Proença, Jaruga, Justin Kishbaugh, Mary Maxwell Biljana, D. Obradović, Matthew Porto, Mary de Rachewiltz, Patrizia de Rachewiltz, Michele Reese, and Ron Smith.

The Poetry Life Baron Wormser, 2014-11-01 Baron Wormser brings to life the immense force poetry can have in people's lives. In stories, funny, tender, sad, and edgy, the narrators register how poetry has changed how they see themselves, how they live, and what they care about. As it bends genres by adapting aspects of fiction, biography, essay, and monologue, *The Poetry Life* shows how poetry can be lightning in the soul. Baron Wormser has pulled off a miraculous feat: he has written a collection of stories that reveals the absolute necessity of poetry in our lives. His prose style is riveting, and his characters are as diverse as a phone book. Each voice conjures up a passionate portrait of inner life, telling

Michael Rush 1844-1922 was an Irish immigrant. In 1863 he settled on the Clarence River in northern New South Wales. Rush soon became Champion Sculler of the district and then Champion of Australia. Rush never achieved the World Title though he competed for it in 1877 drawing to Sydney's foreshores the largest crowd of spectators Australia had ever seen. The opportunities of colonial Australia overwhelmed immigrants like Michael Rush. Irishmen of impoverished background, Rush devoted his energy to the getting of wealth and glory but was incapable of keeping it. Money ran between his fingers like water and he fell on hard times not through dissipation but from his hearty live for the day gaiety. His unshakeable honesty and unfailing geniality won Michael Rush a trove of friendships that outlasted his sporting days and fathered a rich legend that his family keeps alive. Other Australian champion scullers have monuments in stone and steel but not Michael Rush. He came to prominence just too late to join the move towards sport as a profession though he and others showed the way for Australians to earn a living from athletics. This biography explores the life and career of Michael Rush: his endeavours in athletics and in commerce; the men against whom he competed and those who backed and benefited from his sculling races; his business colleagues and his large and happy family. We see Sydney in its wild colonial exuberance; see struggling Clarence River selectors and their proud and growing towns; see Sydney in its sober post-Federation days when wowsers brow beat governments into joyless reforms. We see a heroic Michael Rush in action at the oars and a humbled Michael Rush facing bankruptcy court. Michael Rush is remembered for his unfailing courage, humour, warmth and true sportsmanship. Michael Rush was an immigrant who strove and triumphed and became a credit to his adopted nation. Australians love a winner. Michael Rush will win your heart.
