Christians that we meet our savior at a cross Card combs the Old Testament prophecies and Gospel accounts of Jesus self sacrifice seeking a renewed vision of the cross the inconceivable meeting place of violence and grace *A Fragile Stone* Michael Card, 2009-08-20 *A Fragile Stone* explores the dynamic life of the apostle Peter revisiting well known passages and revealing unexpected insights Author Michael Card sketches out Peter s life showing how the impetuous fisherman of the Gospels was transformed into the pivotal leader of the early church **Inexpressible** Michael Card, 2018-12-18 God s

identity cannot be fully expressed in human words but Scripture uses one particular Hebrew word to describe God s character hesed Often translated as lovingkindness covenant faithfulness or steadfast love Michael Card unpacks the many dimensions of hesed exploring how it is used in the Old Testament to reveal God s character and how its fullness is ultimately embodied in the incarnation of Jesus **To the Cross** Christopher J. H. Wright, 2017-03-07 With the expertise of a veteran biblical scholar and the wisdom of a seasoned pastor Christopher Wright skillfully guides us on Jesus journey from the Last Supper to the cross Through the lens of the Old Testament Wright navigates the Gospel accounts of the events of Jesus last pivotal days inviting us to meditate on their significance for us **Matthew: The Gospel of Identity** Michael

Card, 2013-03-07 In this third volume of the Biblical Imagination Series Michael Card leads us to see the unique purpose of Matthew s Gospel both in the lives of the early Christians and for us today Using the language of fulfillment Matthew calls his readers to see their former identity confirmed even as it is recast in the dazzling image of Christ **The Nazarene** Michael

Card, 2020-11-24 Over the course of his career singer songwriter Michael Card has explored the depths of Scripture by bringing together biblical study and the power of the imagination Now he sheds light on the life of Jesus through forty lyrical reflections on the four Gospels leading us to a place where Jesus becomes real and we can hear him with both hearts and

minds **The Bible echo, ed. by W. Kellaway** W Kellaway, 1874 *What are They Saying about the Grace of Christ?* Brian O. McDermott, 1984 Discusses the understanding of grace in terms of both Christology and theological anthropology The author brings these two theological disciplines together in order to provide a picture of the dynamic relationship between God and humans a picture which will allow contemporary Christians to understand more deeply their own

experience of God's graciousness      **Subversive Jesus, Radical Grace** Robert T. Henderson, 2001 There is a new postmodern generation with a vast unmet spiritual hunger They don't know Jesus In fact they don't even know much about Jesus They need someone who can relate the truth of the gospel to them in terms they can understand But how does one relate the radical truth of the transforming power of the gospel to a generation that is increasingly suspicious of religious words and cynical about religious claims Robert Henderson invites you to look over his shoulder as he addresses the brutally honest questions of faith posed by a young postmodern man named Chip Chip's questions echo those of a spiritually hungry generation uncertain of where to look for answers and totally unimpressed with what they see as powerless religion that offers no hope for change Discover how to introduce the next generation of seekers to the radical grace of Jesus a grace that will make a difference in their lives      *God, Desire, and a Theology of Human Sexuality* David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ's incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics      **Satan: A Theological Work on the Enemy of God** Lewis Sperry Chafer, 2016-07-16 In this work celebrated theologian and pastor Lewis Sperry Chafer takes on the tough questions about the ever mysterious and elusive enemy of God Satan Going through the Bible and analyzing each reference to either Satan Lucifer the Devil or his works Chafer shows us that the Devil is someone we should watch out for as a predator always on the prowl      Turning Toward the Victim Thomas Gates, 2025-06-10 Part primer on René Girard's groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and contemporary Quakers Turning Toward the Victim demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard's claim that the biblical God has nothing to do with violence will resonate with Friends' traditional commitment to nonviolence and peacemaking Girard's insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction conviction and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today      **Transformative Lutheran Theologies** Mary J. Streufert, 2010 The first of its kind this book is a systematic presentation of Lutheran feminist womanist and mujerista theologies systematic in that it addresses classical loci of systematic theology contemporary in that it is resoundingly constructive and relevant for the contemporary church and feminist in that the

contributors write from a feminist perspective although they reflect a variety of positions within feminist discourse The contributors to this multi authored work share a common commitment to Lutheran theology as a continual process of reform Luther is a partner in the conversation because of his theological insights and commitment to faithful criticism which the writers seek to continue not because his voice settles a debate The book focuses on central themes that Luther addressed and that are representative of Lutheranism today including justification by grace through faith and Luther's theology of the cross From diverse contexts these Lutheran theologians like Luther seek reformation by giving voice to new perspectives in theology that continue to transform the church and the world Along with Mary J Streufert contributors include Krista E Hughes Kathryn A Kleinhans Kristen E Kvam L DeAne Lagerquist Mary E Lowe Lois Malcolm Anna Mercedes Cynthia Moe Lobeda Cheryl M Peterson Mary Joy Philip Caryn D Riswold Deanna A Thompson Marit Trelstad Alicia Vargas and Beverly Wallace A remarkable addition to the rich history of Lutheran theology Not only have these theologians opened doors to fresh new worlds of Lutheran thought they've done so in a way that honors the past by extending it forward I can't wait to use *Transformative Lutheran Theologies* in class I've been waiting twenty years for a text like this Imagine teaching Luther's thought and placing it by side with these cutting edge essays Luther would no doubt be proud maybe even a bit envious

Serene Jones President and Roosevelt Professor of Systematic Theology Union Theological Seminary New York [Gandhi and Jesus](#) Terrence J. Rynne, 2015-02-25 At a time when so many insist on countering violence with violence this exploration of the life of Jesus and the often misunderstood teachings of Gandhi puts nonviolent action at the very heart of Christian salvation

**Catechesis** Jarred Mercer, 2020-11-30 Catechesis is not just about right teaching it is a cultivation of a living faith within the community of the Church Christian faith and theology are performed in the sacramental communal and missional life of the Church and catechesis is an invitation into this lived reality This book explores the nature of catechesis and how catechesis within our churches can shape the Christian community into an instrument of renewal in the world through the formation of holy living It argues that the future of catechesis in the life of the Church is to be found in this holistic discipleship and explores this holistic vision by examining catechesis in its relationship to Christian worship and liturgy the teaching of doctrine mission and social action evangelism preaching communal life and the sacraments
