

Gardening prayers

Heavenly Father, as I tend to this garden, I am reminded of the sanctity and beauty of life and see Your goodness and grace. May the soil, seeds, and plants that sprout produce fruit, nourishing the body and soul. May this time spent in the garden be a moment with You in peace and reflection. Through Christ our Lord.

AMEN

Five Things I Did Right & Five Things I Did Wrong In Raising Our Children Sarah Maddox,2016-03-01

Throughout her speaking ministry Sarah Maddox has spoken to and taught thousands of young mothers She has often been asked the question What would you do differently in raising your children if you had to do it again Five Things I Did Right and Five Things I Did Wrong in Raising our Children gives some answers to that question She chooses ten areas of child rearing to reflect with the hindsight of wisdom on some things she did right and some things she wished she had done differently Mothers will benefit from the lessons Sarah has learned some of them the hard way This book is a testimony that God is faithful when we seek to honor Jesus in our families A Woman's Walk with God Elizabeth George,2014-02-01 Do you

yearn for a closer walk with God For a greater understanding of what it means to let Him live through you For the marks of His presence in your life Author Elizabeth George gives practical help for how you can do that in this study of the fruit of the Spirit Discover love joy and peace that changes hearts families and friendships patience kindness and goodness that seeks the best for everyone faithfulness gentleness and self control that brings spiritual victory in life s more challenging moments A Woman s Walk with God is an invitation to experience the joys of moment by moment living in the Lord s power and producing the fruit of the Spirit in every circumstance **Lifting Up the Senior Spirit** Janet Mitchell Hisbon,2012-06 The

crocus flower bulb has special meaning for the design cover It was selected because it is symbolic of the act of lifting the Senior Spirit from the emotional dark cold winter season of an older adult s mundane and dull life to give birth to change and the springtime of a new way of life These beautiful blossoms breaking through the snow and ice represent the inner struggle that one encounters to bloom where they are planted What is happening to them is not mere happenstance something larger than them are at work within them Someone wiser than they are has a word to speak and that word is Yes to God s will and His way in their new life It is also a reminder of the death and resurrection of Jesus from the dark tomb to the newness of life Jesus rose that we may have life and that we may have it more abundantly So it is with Older Adults they rise to a better quality of life and at the same time preserve their dignity A Woman's Life Work Laura Smith Haviland,1881 Canadian born Laura Haviland 1808 1898 was an evangelically minded Quaker and later for a time a Wesleyan Methodist active in education and social justice issues throughout her life A Woman s Life Work is above all a religious autobiography chronicling her conversion experience and her desire to express faith through benevolent social action She was brought up in New York State but moved to Raisin Lenawee County Michigan following her marriage at sixteen In 1837 influenced by the example of Oberlin College she and her husband founded the Raisin Institute an academy open to all of good moral character regardless of race After her husband s death she became increasingly involved with the underground railroad traveling frequently to the South and enacting elaborate plans to help slaves escape When the Civil War broke out she organized relief efforts for wounded or imprisoned soldiers as well as for former slaves refugees and those who were illegally still held in

bondage working with the Freedman s Relief Association and the American Missionary Association with which she established an orphanage primarily devoted to black children Although she lectured lobbied and ministered Haviland s forte was grassroots activism organizing protesting lobbying or demonstrating against the specific injustices she encountered Her book is filled with individual stories of black white relationships under slavery and includes a slave narrative from a man called Uncle Philip transcribed in his own words Haviland writes graphic descriptions of the punishments meted out to slaves and gives the reader eyewitness accounts of war time prisons hospitals soup kitchens and refugee camps She provides extensive information about the subtle relationships between the Society of Friends and evangelical Christianity Though Haviland became a Wesleyan Methodist for the most active period of her life she returned to her Quaker origins shortly before her death
