Fanning,2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the

deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has

examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of

New Testament Exegesis) Scot McKnight,1988-08-01 McKnight critiques various interpretive methods and suggests how

students with some knowledge of Greek can benefit from different analyses **BIBLICAL EXEGESIS** Edward D.

Andrews,2023-07-16 BIBLICAL EXEGESIS Biblical Criticism on Trial seeks to firmly establish and defend a conservative

approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical

criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism

narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism

and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as

objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and

German idealism which have significantly swayed Western academia and thought over the past four centuries The book

argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing

biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical

principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority

and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern

biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose

influence has been to undermine people s confidence in the Bible **Biblical Hermeneutics** Stanley E. Porter,Beth M.

Stovell,2012-04-25 This book presents proponents of five approaches to biblical hermeneutics and allows them to respond to

each other The five approaches are the historical critical grammatical Craig Blomberg redemptive historical Richard Gaffin
