A History Of Collective Creation:

A History of Collective Creation Kathryn Mederos Syssoyeva, 2013-07-24 Collective creation the practice of collaboratively devising works of performance rose to prominence not simply as a performance making method but as an institutional model By examining theatre practices in Europe and North America this book explores collective creation s roots in the theatrical experiments of the early twentieth century **Theatre History Studies 2016, Vol. 35** Sara Freeman, 2016-12-06 Rosemarie K Bank and Michal Kobialka eds Theatre Performance Historiography Time Space Matter Reviewed by Danny Devlin [A History of Literature in the Ming Dynasty](#) Shuofang Xu, Qiuke Sun, 2022-01-22 This book explores poems novels legends operas and other genres of writing from the Ming Dynasty It is composed of two parts the literary history and comprehensive reference materials based on the compilation of several chronologies By studying individual literary works the book analyzes the basic laws of the development of literature during the Ming Dynasty and explores the influences of people time and place on literature from a sociological perspective In turn it conducts a contrastive analysis of Chinese and Western literature based on similar works from the same literary genre and their creative methods The book also investigates the relationship between literary theory and literary creation practices including those used at various poetry schools In closing it studies the unique aesthetic traits of related works Sharing valuable insights and perspectives the book can serve as a role model for future literary history studies It offers a unique resource for literary researchers reference guide for students and educators and lively read for members of the general public [The Routledge Companion to Jacques Lecoq](#) Mark Evans, Rick Kemp, 2016-09-13 The Routledge Companion to Jacques Lecoq presents a thorough overview and analysis of Jacques Lecoq s life work and philosophy of theatre Through an exemplary collection of specially commissioned chapters from leading writers specialists and practitioners it draws together writings and reflections on his pedagogy his practice and his influence on the wider theatrical environment It is a comprehensive guide to the work and legacy of one of the major figures of Western theatre in the second half of the twentieth century In a four part structure over fifty chapters the book examines The historical artistic and social context out of which Lecoq s work and pedagogy arose and its relation to such figures as Jacques Copeau Antonin Artaud Jean Louis Barrault and Dario Fo Core themes of Lecoq s International School of Theatre such as movement play improvisation masks language comedy and tragedy investigated by former teachers and graduates of the School The significance and value of his pedagogical approaches in the context of contemporary theatre practices The diaspora of performance practice from the School from the perspective of many of the most prominent artists themselves This is an important and authoritative guide for anyone interested in Lecoq s work **The Oxford Handbook of Dance and Theater** Nadine George-Graves, 2015 This handbook brings together genres aesthetics cultural practices and historical movements that provide insight into humanist concerns at the crossroads of dance and theatre broadening the horizons of scholarship in the performing arts and moving the fields closer together *Time and*

Meaning in History Nathan Rotenstreich, 2012-12-06 There are several characteristics of Nathan Rotenstreich's work which are striking his thoughtful writings are both subtle and deep they are steeped in his critical appreciation of other thinkers of this and preceding times an appreciation which is formed by his learned understanding of the history of philosophy and with all this he has an original and independent intelligence He has from time to time brought his skills to bear upon historical scholarship most notably perhaps in his book *Between Past and Present* 1958 2nd edition 1973 his interpretive essays in the philosophy of history *Philosophy History and Politics* 1976 and his scholarly work concerned with the influence of historical development upon modern Jewish thought *Tradition and Reality* 1972 Related to these and equally works of that philosophical humanity which Professor Rotenstreich embodies are his *Humanism in the Contemporary Era* 1963 *Spirit and Man An Essay on Being and Value* 1963 and *Reflection and Action* 1983 Rotenstreich combines both the naturalistic and the phenomenological attitudes in an interesting and illuminating way through the full spectrum of issues in the philosophy of history in this century Surely he sets boundaries to any doubtful extrapolation Not only would he bring the understanding of history back from those who claim it as only a positive science but equally would he prevent the transformation of that understanding into merely speculative inquiry
