The Wars for Asia, 1911-1949 S. C. M. Paine,2014-10-09 The Wars for Asia 1911 1949 shows

that the Western treatment of World War II the Second Sino Japanese War and the Chinese Civil War as separate events misrepresents their overlapping connections and causes The Chinese Civil War precipitated a long regional war between China and Japan that went global in 1941 when the Chinese found themselves fighting a civil war within a regional war within an overarching global war The global war that consumed Western attentions resulted from Japan's peripheral strategy to cut foreign aid to China by attacking Pearl Harbour and Western interests throughout the Pacific in 1941 S C M Paine emphasizes the fears and ambitions of Japan China and Russia and the pivotal decisions that set them on a collision course in the 1920s and 1930s The resulting wars together yielded a viscerally anti Japanese and unified Communist China the still angry rising power of the early twenty first century Russia and the West from Alexander to Putin Andrei P.

Tsygankov, 2012-06-28 Since Russia has re emerged as a global power its foreign policies have come under close scrutiny In Russia and the West from Alexander to Putin Andrei P Tsygankov identifies honor as the key concept by which Russia's international relations are determined He argues that Russia's interests in acquiring power security and welfare are filtered through this cultural belief and that different conceptions of honor provide an organizing framework that produces policies of cooperation defensiveness and assertiveness in relation to the West Using ten case studies spanning a period from the early nineteenth century to the present day including the Holy Alliance the Triple Entente and the Russia Georgia war Tsygankov's theory suggests that when it perceives its sense of honor to be recognized Russia cooperates with the Western nations without such a recognition it pursues independent policies either defensively or assertively **Iranian-Russian**

Encounters Stephanie Cronin, 2013 Over the past two hundred years encounters between Iran and Russia have been both rich and complex This book explores the myriad dimensions of the Iranian Russian encounter during a dramatic period which saw both Iran and Russia subject to revolutionary upheavals and transformed from multinational dynastic empires typical of the nineteenth century to modernizing authoritarian states typical of the twentieth The collection provides a fresh perspective on traditional preoccupations of international relations wars and diplomacy the hostility of opposing nationalisms the Russian imperial menace in the nineteenth century and the Soviet threat in the twentieth Going beyond the traditional this book examines subaltern as well as elite relations and combines a cultural social and intellectual dimension with the political and diplomatic In doing so the book seeks to construct a new discourse which contests the notion of an implacable enmity between Iran and Russia Bringing together leading scholars in the field this book demonstrates extensive use of family archives Iranian Russian and Caucasian travelogues and memoirs and newly available archives in both Iran and the countries of the former Soviet Union Providing essential background to current international tensions this book will be of particular use to students and scholars with an interest in the Middle East and Russia *The History of Russia* Charles E. Ziegler, 1999-11-30 Discusses the political and economic aspects of each period as well as the social and cultural milieu and includes a timeline brief biographical notes on key players and a bibliographic essay **The Image of Peter the Great in**

Russian History and Thought Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people

Nineteenth-Century Russia Derek Offord, 2014-05-12 This new Seminar Study provides students with a rewarding introduction to nineteenth century Russia This period of Russian history is of course characterised by the flowering of an enormously rich intellectual and cultural life the origins of which lie in the intelligentsia's opposition to autocratic rule Here Professor Offord introduces the reader to the period while focusing particularly on the rise of radicalism The book opens with two scene setting chapters one looking at the political and social structure peculiar to Russia and the second looking at the cultural and intellectual background Then within a chronological framework the author examines all the great events in the history of Russian radicalism from the Decembrist Revolt in 1825 to the going to the people in 1874 and the assassination of Alexander II in 1881 However throughout the text sustained attention is given to the intellectual dimension of nineteenth century Russian history Professor Offord examines all the major schools of thought and looks in detail at all the great thinkers of the day including Chaadaev Belinsky Herzen Chernyshevsky Bakunin and Tolstoy This new book will provide essential reading for anyone studying nineteenth century Russia Lucid accessible and immensely readable it is a formidable achievement

Freedom's Ordeal Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union Freedom's Ordeal recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism Freedom's Ordeal is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms

The Monastic Magnet René Gothóni, 2008 Mount Athos has been exercising its magnetic attraction on monks and pilgrims for over a thousand years Many of the papers collected here are concerned with aspects of pilgrimage to Athos and the effect that a visit to the Mountain has on pilgrims lives
