**Rena Pederson**

## **A History Of The Wife By Marilyn Yalom:**

**History of the Wife** Marilyn Yalom, 2004 How did marriage considered a religious duty in medieval Europe become a venue for personal fulfillment in contemporary America How did the notion of romantic love a novelty in the Middle Ages become a prerequisite for marriage today And if the original purpose of marriage was procreation what exactly is the purpose of marriage for women now Combining a scholar's rigor and a storyteller's craft San Jose Mercury News distinguished cultural historian Marilyn Yalom charts the evolution of marriage in the Judeo Christian world through the centuries and shows how radically our ideas about marriage have changed For any woman who is has been or ever will be married this intellectually vigorous and gripping historical analysis of marriage sheds new light on an institution most people take for granted and that may in fact be experiencing its most convulsive upheaval since the Reformation *The Secret Lives of Lawfully Wedded Wives* Autumn Stephens, 2011-02-09 Some marriages are made in heaven and others quite frankly are not This anthology collects the private reflections of 25 well known women writers some of whom speak under the liberating cloak of anonymity They reveal the truth about their marriages their divorces and sometimes their decisions to remain single The essays here chronicle the highs and lows of romantic relationships the ebb and flow of love and desire and the many alternatives to traditional matrimony With topics ranging from infidelity and true love to orgasms children career power struggles race issues and aging these are stories that empower women to make sense of their own lives **How the French Invented Love** Marilyn Yalom, 2024-03-19 Absolutely marvelous lively and learned Marilyn Yalom's book is a distinguished contribution to our experience of a great literature as well as an endearing memoir Diane Johnson author of *Lulu in Marrakech* and *Le Divorce* An enchanting tour of French literature from Abelard and Heloise in the 12th century to Marguerite Duras in the 20th and Philippe Sollers in the 21st Publishers Weekly starred review How the French Invented Love is an entertaining and masterful history of love la fran aise by acclaimed scholar Marilyn Yalom Spanning the Middle Ages to the present Yalom explores a love obsessed culture through its great works of literature from Moliere's comic love to the tragic love of Racine from the existential love of Simone de Beauvoir and Jean Paul Sartre to the romanticism of George Sand and Alfred de Musset A thoroughly engaging homage to French culture and literature interlaced with the author's delicious personal anecdotes How the French Invented Love is ideal for fans of Alain de Botton Adam Gopnik and Simon Schama Birth of the Chess Queen Marilyn Yalom, 2004 The queen now the most potent piece on the board surprisingly did not exist in the early days of chess in India Persia and the Near East She was born around 1000 AD in Europe but by 1497 when Isabella of Castile ruled over Spain and much of the New World she had come to rule the game Yalom traces her history The Woman as Slave in Nineteenth-Century American Social Movements Ana Stevenson, 2020-02-03 This book is the first to develop a history of the analogy between woman and slave charting its changing meanings and enduring implications across the social movements of the long nineteenth century Looking beyond its foundations in the antislavery

and women's rights movements this book examines the influence of the woman slave analogy in popular culture along with its use across the dress reform labor suffrage free love racial uplift and anti vice movements At once provocative and commonplace the woman slave analogy was used to exceptionally varied ends in the era of chattel slavery and slave emancipation Yet as this book reveals a more diverse assembly of reformers both accepted and embraced a woman as slave worldview than has previously been appreciated One of the most significant yet controversial rhetorical strategies in the history of feminism the legacy of the woman slave analogy continues to underpin the debates that shape feminist theory today

Marriage Rebecca Stefoff, 2007 Focuses on the pros and cons of marriage in the United States including covenant marriages same sex unions and the effect of divorce on kids through personal stories opinions and scholarly studies Provides a historical look at marriage and includes

**The New Wife** Susan Shapiro Barash, 2004

A History of the Breast Marilyn Yalom, 1997 This engrossing work of original research is the first to consider how the breast has been perceived in the Western world from ancient days to the present how it has been understood in religion in the arts in medicine in psychoanalysis by Freud as erotically secondary to the phallus then by Melanie Klein as the original object of desire

*The Lost Apostle, Paperback Reprint* Rena Pederson, 2008-04-11 In *The Lost Apostle* award winning journalist Rena Pederson investigates a little known subject in early Christian history the life and times of the female apostle Junia Junia was an early convert and leading missionary whose story was lost when her name was masculinized to Junias in later centuries *The Lost Apostle* unfolds like a well written detective story presenting Pederson's lively search for insight and information about a woman some say was the first female apostle

**After Marriage in the Long Eighteenth Century** Jenny DiPlacidi, Karl Leydecker, 2017-12-14 This book examines the intersections between the ways that marriage was represented in eighteenth century writing and art experienced in society and regulated by law The interdisciplinary and comparative essays explore the marital experience beyond the matrimonial barrier to encompass representations of married life including issues of spousal abuse parenting incest infidelity and the period after the end of marriage to include annulment widowhood and divorce The chapters range from these focuses on legal and social histories of marriage to treatments of marriage in eighteenth century periodicals to depictions of married couples and families in eighteenth century art to parallels in French literature and diaries to representations of violence and marriage in Gothic novels and to surveys of same sex partnerships The volume is aimed towards students and scholars working in the long eighteenth century gender studies women's writing publishing history and art and legal historians

**As Long as We Both Shall Love** Karen M. Dunak, 2016-04-05 In *As Long as We Both Shall Love* Karen M Dunak provides a nuanced history of the American wedding and its celebrants Blending an analysis of film fiction advertising and prescriptive literature with personal views from letters diaries essays and oral histories Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer culture media and the marketplace in America

**The Lost Apostle** Rena

Pederson,2007-06-15 In The Lost Apostle award winning journalist Rena Pederson investigates a little known subject in early Christian history the life and times of the female apostle Junia Junia was an early convert and leading missionary whose story was lost when her name was masculinized to Junias in later centuries The Lost Apostle unfolds like a well written detective story presenting Pederson s lively search for insight and information about a woman some say was the first female apostle

**Sex and Death in Eighteenth-Century Literature** Jolene Zigarovich,2013-05-02 This book discusses sex and death in the eighteenth century an era that among other forms produced the Gothic novel commencing the prolific examination of the century s shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined By bringing together various viewpoints and historical relations the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality It not only provides part of the needed discussion of the relationship between sex death history and eighteenth century culture but is a forum in which the ideas of several well respected critics converge producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen As the contributors demonstrate eighteenth century anxieties over mortality the body the soul and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works By depicting the necrophilic tendencies of libertines and rapacious villains the fetishizing of death and mourning by virtuous heroines or the fantasy of preserving the body these authors demonstrate not only the tragic results of sexual play but the persistent fantasy of necro erotica This book shows that within the eighteenth century culture of profound modern change underworkings of death and mourning are often eroticized that sex is often equated with death as punishment or loss of the self and that the sex death dialectic lies at the discursive center of normative conceptions of gender desire and social power

**The Male Body in Ultra-Orthodox Jewish Theology** Yakir Englander,2021-10-07 How does Ultra Orthodox Jewish literature describe the male body What does the body represent What is the ideal male body This book is a philosophical theological exploration of the different images of the male body in Ultra Orthodox literature since the holocaust The body is not incidental to this community but is the axis by which it tries to understand its meaning and its role in life In the first part of the book Yakir Englander explains the problem of the body and the different ways that Ultra Orthodox theology deals with it These different and even contradictory voices can teach the reader about the shifting of ideas inside Ultra Orthodox thought in the last decades The second part of the book focuses on the image of the ideal body and describes how the rabbis train their bodies to reach ultimate form

**Radical Womanhood** Carolyn McCulley,2008-10-01 Biblical womanhood is not for the weak In an age that seeks to obliterate God and His authority modeling biblical womanhood involves spiritual warfare RadicalWomanhood seeks to equip new believers and long time Christians alike exposing the anti God agenda of the three waves of feminism to date and presenting the pro woman truth of the Scriptures Illustrated with numerous personal testimonies this book will dig deep into the Word and show how it

can be lived out today The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood However the target audience tone and style are radically different Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity Radical Womanhood has the narrative approach appreciated by postmodern readers but still incorporates solid biblically based teaching for personal application and growth

**A Sword between the Sexes?** Mary Stewart Van Leeuwen, 2010-02-01 What did C S Lewis really think about gender roles In this book a widely recognized expert on male and female roles evaluates Lewis s understanding and presentation of gender revealing that he ended his life thinking differently about gender than many of his followers assume This is the first book to provide a close examination of Lewis s thought on gender and what it means for today It addresses the tension between faith and science and offers insight into the continuing debate over gender relations egalitarianism and complementarianism The book will appeal to readers of C S Lewis and those who are interested in gender issues

*Writing the Talking Cure* Jeffrey Berman, 2019-05-01 A distinguished psychiatrist and psychotherapist Irvin D Yalom is also the United States most well known author of psychotherapy tales His first volume of essays *Love s Executioner* became an immediate best seller and his first novel *When Nietzsche Wept* continues to enjoy critical and popular success Yalom has created a subgenre of literature the therapy story where the therapist learns as much as if not more than the patient where therapy never proceeds as expected and where the therapist s apparent failure proves ultimately to be a success *Writing the Talking Cure* is the first book to explore all of Yalom s major writings Taking an interdisciplinary approach Jeffrey Berman comments on Yalom s profound contributions to psychotherapy and literature and emphasizes the recurrent ideas that unify his writings the importance of the therapeutic relationship therapist transparency here and now therapy the prevalence of death anxiety reciprocal healing and the idea of the wounded healer Throughout Berman discusses what Yalom can teach therapists in particular and the common and uncommon reader in general

**Beyond (Straight and Gay) Marriage** Nancy D. Polikoff, Michael Bronski, 2008-02-01 The debate over marriage equality for same sex couples rages across the country *Beyond Straight and Gay Marriage* boldly moves the discussion forward by focusing on the larger more fundamental issue of marriage and the law

The root problem asserts law professor and LGBT rights activist Nancy Polikoff is that marriage is a bright dividing line between those relationships that legally matter and those that don't. A woman married to a man for nine months is entitled to Social Security survivor's benefits when he dies; a woman living for nineteen years with a man or woman to whom she is not married receives nothing. Polikoff reframes the debate by arguing that all family relationships and households need the economic stability and emotional peace of mind that now extend only to married couples. Unmarried couples of any sexual orientation, single parent households, extended family units, and myriad other familial configurations need recognition and protection to meet the concerns they all share: building and sustaining economic and emotional interdependence and nurturing the next generation. Couples should have the choice to marry based on the spiritual, cultural, or religious meaning of marriage in their lives, asserts Polikoff. While marriage equality for same-sex couples is a civil rights victory, she contends that no one should have to marry in order to reap specific and unique legal results. A persuasive argument that married couples should not receive special rights denied to other families, Polikoff shows how the law can value all families and why it must.

Gay Marriage and Democracy Claire R. Snyder, 2006-02-02 This book discusses the context for and arguments in favor of same-sex marriage in the United States.

The Top Books of the Year A History Of The Wife By Marilyn Yalom The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. A History Of The Wife By Marilyn Yalom : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. A History Of The Wife By Marilyn Yalom : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
