The Complex World of Abigail McCarthy Gary L. Brenden, 2017-07-31 Tragedy often strikes when least expected as was the case with Abigail McCarthy It was during the prosperous fifties when disaster struck when life should have been filled with optimism and joyous possibilities It was a time when Abigail was just beginning to enter midlife a peaceful time before unwelcome signs of what was to come would make themselves known But little did she know how tragedy can alter a person's life forcing them to take journeys they never would have thought possible searching for answers that are very difficult to find From having lived a sheltered life on a small prairie farm Abigail ventured to the great cities of Paris and Rome and on to the desert countries of North Africa searching for an understanding What she discovered along the way would change her life forever in ways she never thought possible *Beauty in Unexpected Places* S. Portrait of a Gentleman Anne Marie Novark, 2014-02-25 Thankful for the chance to leave London and escape the unwelcome advances of an ardent suitor Abigail Prescott accepts an invitation to Brydmoor Castle to paint the portrait of the reclusive Viscount Devlin and his small son A young widow in straightened circumstances she soon finds herself ensconced in his home and the object of his unwavering attention Nathan Holt vows never to marry again He's done his duty and has an heir But when Abigail Prescott comes into his vicinity the daily presence of her in his home becomes a temptation too hard to resist Unable to deny himself any longer he begins his seduction of her in earnest only to find that once will never be enough

EXCERPT Candles flickered in their holders the shadows dancing on the walls and across the massive stone hearth in the Great Hall It was late Abigail had been restless lying in bed and decided to come downstairs Perhaps she could add some of the finishing touches to the nearly finished portrait of Nathan and William Couldn't sleep The deep voice echoed in the vastness of the hall Abigail gasped and whirled around in time to see Nathan emerge from the shadows You frightened me she said her own voice breathless in her ears Warily she watched his approach his firm tread loud in the hush of the night He walked straight toward her his eyes holding hers in a look as old as time itself Her stomach plummeted and her skin tingled against the silky fabric of her nightgown Since she'd seen him last he'd removed his coat and neckcloth and his shirt was unbuttoned at the throat He'd obviously not gone to bed yet late as it was Standing before her he took the paintbrush from her limp fingers and set it on the table next to the easel I couldn't sleep either he said his voice low and rough All I could think about was this
