A House Divided Bob Whitesel, Kent R. Hunter, 2001-02 Generational differences are nothing new in church There have always been groups and subgroups within a congregation divided according to age Yet with the possible exception of their educational programs congregations have generally practiced a one size fits all approach to ministry and worship Whichever group is dominant generally the older members although it can be the younger sets the tone for musical styles preaching emphases and outreach focus Frequently the non dominant groups grow restless and dissatisfied leaving the church to find better opportunities of service and worship elsewhere The result is often stagnation and decline Bob Whitesel and Kent R Hunter wrote this book to provide congregations with a clear understanding of the problems caused by generation gaps as well as to offer ideas for transforming the church into a healthy growing tri generational structure
