A Leaf In The Wind A Lifes Journey:

A Leaf in the Wind Venerable Adrian Feldmann, 2015-10-22 Born in Melbourne in 1943 Adrian Feldmann was one of the first Westerners to become a monk in the Tibetan Buddhist tradition On the eve of a three year solitary meditation retreat he recounts the inner and outer journeys that lead him to Nepal where in the early 1970 s he met two Tibetan lamas Lama Thubten Yeshe and Lama Zopa Rinpoche They were among the first lamas to teach Buddhism to Westerners In the 1970 s Adrian Feldmann was a young doctor wrapped up in the hippie counter culture experimenting with mind altering drugs and studying Eastern mysticism Seeking a greater purpose to his life he began to travel Following his friends on the hippie trail he travelled through Afghanistan where he was impressed by the spiritual power of Islam Inspired by his reading of Taoist philosophy he and some friends bought a converted rowing boat and sailed down the Indus River searching for freedom and a more authentic way of living What he found launched him on the spiritual path to Buddhism This personal account of one man s search for happiness is often humorous and sometimes shocking Adrian Feldmann doesn t shirk revealing the mistakes and failings which help to highlight his personal message of hope He wants us to know that the ego undermines our happiness and fortifies our habitual destructive emotions His spiritual path is a quest to slay the ego and his life story is a parable for modern times This title was first published in 2005 by Lothian Books as a paperback book This updated ebook version is published by the Lama Yeshe Wisdom Archive and includes a postscript from the author recounting the continuing saga of his spiritual path The Lama Yeshe Wisdom Archive is a non profit organization established to make the Buddhist teachings of Lama Yeshe and Lama Zopa Rinpoche freely accessible in many ways including on our website for instant reading listening or downloading and as digital and printed books Our website offers immediate access to thousands of pages of teachings and hundreds of audio recordings by some of the greatest lamas of our time Our photo gallery and our ever popular books are also freely accessible You can find out more about becoming a supporter of the Archive and see all we have to offer by visiting the LYWA website Thank you **Life's Journey** , Life's Journey Carol McClenaghan, 2002-10-30

Banks,2006-02-15 Almost every short ditty confined within this book has arrived to me through my dreaming stages All of the people are simply figments of my dreaming imagination They are indeed fiction yet while dreaming through them they took on an almost non fiction realm Cold sweats and at times racing heart beats were my companions throughout my awakening Some left me with a sense of actually knowing who they were On all occasions I dreamt of them only once then they returned to wherever it was they emanated from What controlled my dreaming I may never understand Only a few times did the dream stop one morning only to continue the following night while I slept It was a kind of a too be continued later type scenario While I began to dream at the exact same spot I left the previous night I became a little confused It was if their story simply was not over until they thought it was I understand that probably sounds a little psychotic but that s how it came down I virtually had no control over it so I reasoned out nothing and simply dreamt Many stories have a haunting underlying sequence of death I know not why except for that all the people seemed to be coming back from somewhere A sense came to me of a graveyard of which is now their permanent residence None of them argued on my death assumption as they never really talked to me anyway They showed me what they had to say As with all dreams I was merely observing Few life forms within my dreams were angry but many seemed frustrated They would consult among themselves and at times look at me It s very difficult to say they were looking at me for I was in the dream as my own sight It s not hard to imagine seeing through a dream because we ve all done it Seeing is what we do in dreams and on rare occasions some people say that they have actually seen themselves I have never seen myself in any dream yet I exist within the dream as merely sight Kind of like life without a mirror to reflect myself upon Anyway other short pages are simply word interpretations and fragments of assumptions I simply picked then dissected words for my own personal amusement However at times other people within my dreams would offer their opinions relative to what I was writing Some of these folks in my dreams didn t stick around that long only a few seconds A hit and run deal best describes them These people would blatantly talk out loud for no apparent reason yet what they said made me discover some writing perspectives I never understood before Most times what was said conveyed nicely onto the page I was writing Again I did not argue with the flow of what we accomplished I have to mention them for without their help I wouldn t have had much to write about A few of the pages are dedicated to soldiers Unfortunately the world still needs required army s Actually the world would do rather nicely without them for it is we who not the world in need of battle Three mentioned stories are about soldiers and unfortunately they are not stories on a female soldier The soldiers are men within the book One came from a very seemingly long dream and two came from partial dreaming I ll let you decide which is which Soldiers and death are long

acquaintances that only time can control Actually timing and a soldier's death are one in the same For whatever reason the death undertones arrived on my pages it became written equally as easy I shall never understand death as I feel we never really die anyway We're just simply removed Many other pages reflect upon our human condition We all go through the same feelings or emotions so I figured I would collect some basic categories and dissect the word I feel it broke up the pages as to inflict conclusions yet keep my personal feelings at bay This is by no means a self-help book We as a species have possibly uncountable help books at our disposal Fine by me but little knowledge can be obtained if [The Journey of This Invisible Soul Through the Mysteries of Life](#) Frank Anthony Grandison,2008-11-18 **Living on the Sync: Navigating Through**
