## **A Ligurian Kitchen A Ligurian Kitchen:**

A Ligurian Kitchen Laura Giannatempo, 2006 Liguria on the Italian Riviera is home to some of Italy's finest cooking. The Ligurian kitchen is famous for fish, fresh produce and herbs. Tales of loveable uncles and a lyrical account of making pasta in the midst of a storm tantalise just as much as the sumptuous recipe on offer in this book. In these 100 recipes the specialities of artisan bread bakers and those of the region's cucina povera combine to create a zestful collection that exemplifies that extraordinary marriage of land and sea that is Ligurian cuisine.

*Lucio's Ligurian Kitchen* Lucio Galletto, David Dale, 2011 NATIONAL REGIONAL CUISINE AUSTRALIAN Lucio Galletto grew up in Liguria at the eastern end of the Riviera di Levante coast of the rising sun. He didn't realise how special his region was until he fell in love with an Australian girl and travelled 12 000 kilometres to be with her. In 2008 Lucio and writer David Dale along with photographer Paul Green returned to the birthplace of ravioli and pesto and wild greens pie to investigate how the cooking of Lucio's region had evolved during his twenty-five year absence. They found a new breed of chefs, farmers and fishermen adapting traditions to the environmental concerns of the twenty-first century. Still using the wonderful array of local herbs, vegetables and seafood, they apply a lighter touch and a more adventurous spirit. In this stunningly photographed book Lucio brings us the fruits of his travels: 180 delicious recipes.

Liguria: The Cookbook Laurel Evans, 2024-09-10 This book presents to an American audience the cuisine of Liguria, the Italian Riviera, full of dishes that are inventive, inherently seasonal, waste-conscious, plant-forward and geared toward the home cook. Italian cuisine never goes out of style. Yet while many are familiar with various regional cuisines of Italy, one of its most gastronomically rich regions has been largely overlooked: Liguria, home of focaccia, pesto and the Cinque Terre Award-winning author and food writer Laurel Evans has been immersed in the cuisine of Liguria for 15 years ever since her Italian boyfriend, now husband and the photographer for this book, brought her to his family's hillside villa in Moneglia on the Mediterranean coast. There Evans immersed herself in kitchens, restaurants and markets, building relationships with the chefs, shopkeepers, producers and nonne who drive the local cuisine. This book showcases all that she discovered: a cuisine that is beautiful but humble, plant-based and waste-conscious at its core, with a particular spirit and history that she unravels for readers new to the region. From the ultimate pesto to the definitive focaccia recipe coaxed out of local bakers to recipes for lesser-known Ligurian specialties like Cappon Magro, Liguria: The Cookbook offers readers a personal journey into the heart of the cuisine of this timeless yet ever-evolving region.

**Perfumes and flavours of Liguria. The real ligurian kitchen** Laura Rangoni, 2013 *Regional Greek Cooking* Dean Karayanis, Catherine Karayanis, 2008 This is a Greek family cookbook with unique flavours and home kitchen recipes. This book showcases dishes from the key regions of mainland Greece as well as the islands and introduces readers to little-known spices and ingredients, providing ways to track them down. Of particular interest is a section on micro-brewed beers, regional wines and different ouzos. Also included is an overview of the Hellenic, detailing the culinary history and culture of provincial and mainland.

Greece     *Liguria in Cucina: The Flavours of Liguria* Enrica Monzani, 2023-04 Ligurian cuisine is multiform colorful and above all rich in contrasts because Liguria is the same way made of high mountains that run quickly toward the coast of sea and forest Levante and Ponente of maritime and peasant culture but also mercantile and cosmopolitan shy and reserved yet open to the world The recipes contained in this book are just a taste of traditional Ligurian cuisine a selection of the most famous recipes among the hundreds still hiding in the folds of the Ligurian valleys and behind the pastel colored facades of its fishing villages This book is an act of love for the flavors terroir and history of Liguria a culinary journey through a region where everything is used and where past and present simplicity and creativity all have influence in the kitchen Enrica Monzani shares the tastes and aromas of home the land that Ligurian sailors longed for while on their long voyages at sea

*Tastes from a Tuscan Kitchen* Madeline Armillotta, Diane Nocentini, 2007 Over the years the authors have collected many wonderful recipes from relatives and friends living in Tuscany and other regions of Italy When deciding to write this book they considered which of these recipes we used the most and why Both authors enjoy the distinct flavours in Italian cooking which are enhanced by the use of fresh herbs and extra virgin olive oil and also eating a healthy well balanced diet of fresh fruits vegetables fish meat beans and dairy products They also appreciate that in today's world everyone has a busy schedule Therefore it became a priority that the recipes offered were not only delicious but also quick and easy to prepare The final selection includes a wide variety of mouth watering favourites presented with concise easy to follow instructions and many tasty variations These variations allow for flexibility in the kitchen and are an enticing invitation to cook creatively The result is a cookbook that will simplify your life and gratify the tastebuds of your family and friends This book will become your inspiration for quick wholesome everyday meals a well thumbbed friend supplying a constant source of ideas for delicious day to day Italian cooking
